[REDACTED] This is the e-mail chain with [REDACTED]. The only sources of the information are our Office and the FBI. [REDACTED] is requesting the information, and I am responding accordingly.

Please let me know how you want to proceed. I find this very demoralizing.

Could you please outline what factual basis you think fits the procuring statute for the plea conference. I am trying to finalize the paperwork.

Is there anyway the ASA can get the info independently?

If not, tell the ASA to call me for the info.

Hi all - I am off to mag court but should be back by noon. If you need anything, [REDACTED] know how to find everything.

The ASA has asked me for a proposed plea proffer. I have not yet sent it to her, but I am attaching it for your review.

Thanks.

[REDACTED] – I just put this together. Can we talk tomorrow morning and see if anything needs to be changed or added? I wasn't sure whether we wanted to list the names of the high schools.

I will be in by 8:30. I have mag court at 10:00. Thanks.
