Re: **Representation of Victims of Jeffrey Epstein**

Dear Mr. Josefsberg:

As per our conversation, I have enclosed the following:

1. additional victim notification letters;
2. an updated confidential victim notification log containing contact information for those victims and information on when and how they have been contacted; [E1](#)
3. the complete Palm Beach Police Department Incident Report;
4. the probable cause affidavit prepared by the Palm Beach Police Department; and
5. a call frequency log prepared by the Palm Beach Police Department.

In light of our discussion, I also have enclosed some information that I found on the internet regarding Dr. Anna Salter, who is an expert in the area of the grooming of sexual abuse victims and "compliant victims"; she also writes on the issue of victims' reluctance to fully disclose abuse in a first interview and the need to establish rapport with victims.

As we get additional updated telephone numbers and addresses, I will send the revised notification log to you. I also would appreciate it if you would provide me with any updated information that you receive, in case I need to contact the victims in connection with the criminal case in the future.

I also would appreciate receiving copies of the signed Protective Order governing the disclosure of the Non-Prosecution Agreement to other attorneys and victims.

Please feel free to contact me with any questions or concerns. I also would appreciate it if you would send me your e-mail address so that I can send the updated victim log to you via e-mail.

Sincerely,
R. Alexander Acosta
United States Attorney
