[REDACTED],

We are working on getting the accounts opened and will have any update for you today.

The paperwork will all come us. We will guide you through the process.

Thanks,  
Vijai

Good morning, Vijai and Camile.

Just touching base to confirm you have everything you need from our end to open the accounts.

Is there paperwork I should get from JPMorgan and start to fill out or is it all done through you?

Kind regards,
