**Subject:** United Nations - February 4th

Scott,

I would be honored if you would join me and other thought leaders at a historic meeting on February 4th at 4 pm at the ECOSOC Chamber of the United Nations. We will be debating the inclusion of the ocean in the upcoming Sustainable Development Goals being set and voted on this September. If the UN decides, yes, the ocean should be managed sustainably and that, yes, the ocean should have its own goal, those decisions would help chart the course of the ocean over the next 15 years and change its trajectory. An invitation is attached.

The invitation contains a link which will permit both RSVP and Security Clearance. If, for any reason, it is not active, the link is [http://bit.ly/RSVP\\_Oceans](http://bit.ly/RSVP_Oceans).

Best,

Ghislaine
