Currently you own 1400 shares of Roche Holdings RHHBY. You purchased the shares at 28.13 and they are currently at 33.10.

We have removed them from our buy list and we would like to replace them with the below,

Thank you

- We are adding Crane Co. (CR) to the Dividend Ruler stock list. Crane is a diversified manufacturer of engineered industrial products. Its two largest business segments are Fluid Handling and Aerospace & Electronics representing 70% of sales. Crane has increased its dividend per share at an annualized rate of 12.6% over the past ten years.
- We are removing Roche Holding (RHHBY). Dividend per share growth over the next few years appears increasingly likely to fall below our list's minimum 4% threshold.
