**Subject:** Ghislaine's accountants

Good morning,

Ghislaine's accountants are requesting I provide any capital gains / losses to-date for 2015. I directed them to use the UBS site to obtain that information but they claim they do not have access to that portion.

Is it possible for you to send me these reports so I can pass to them? I'm not even sure what I am looking for! Or do they have access to it and could you let me know where I should tell them to look?

Many thanks!
