**Subject:** Text alerts from UBS add an extra level of security to your credit/debit cards

To help protect your account, you can now sign up for text alerts about suspicious activity on your UBS Visa Signature credit and UBS Visa debit card accounts. Once you sign up, if suspicious activity is detected on your account, you'll receive a text message within minutes.

**To sign up for this complementary new feature, follow these steps:**

1. Log on to [ubs.com/onlineservices](https://ubs.com/onlineservices)
2. Enroll in alerts by selecting the enrollment check box, confirming your mobile phone number and clicking submit
3. A text will be sent to your phone. Respond "yes" to that text within 15 minutes to complete enrollment.
