Subject: Important information regarding your UBS Investment Advisory Accounts
Attachments: Confirmation.pdf

Ending your participation in UBS Investment Advisory programs

This message confirms that you no longer participate in UBS Investment Advisory programs. If you have enrolled in another Advisory program, additional information will be sent to you after the enrollment is completed.

Please review the attached letter for details.

If you have questions or require changes, please contact your Financial Advisor at your earliest convenience.

Notice

Why this is important

We confirm the information in our records whenever substantive changes are made to your account.

For your security, we mask part of your account number.
