Helpful Information about your PCS Invoice and PCS Service from Sprint

EXPLANATION OF TERMS ON YOUR INVOICE

For additional information, simply visit us at www.sprintpcs.com - sign on to manage your account and click the 'My Invoice' button.

Summary of Individual Phone Charges (page 2): A summary of all charges related to each PCS Phone on your account.

- **Monthly Plan(s) Charges** - The recurring charge for your PCS Service Plans and other services that are invoiced one month in advance.
- **Additional Usage Charges** - This column will show additional voice or roaming minutes or PCS Vision kilobytes/megabytes usage not in your main PCS Service Plan. This column may also contain charges for Call Forwarding and, depending on your plan, Call Waiting, Three Way Calling, Voice Command and certain Operator Services.
- **Other Charges** - Charges that are not included in the Monthly Service Charges section will appear here if applicable.
- **Promotions, Credits and Adjustments** - Special offers or pricing promotions appear as credits on your invoice. A disputed charge, when corrected, will appear on your invoice as an adjustment.
- **Taxes** - These include applicable federal, state, city, and county taxes.
- **Surcharges and Fees** - The surcharges in this section generally recover the costs incurred by Sprint in complying with various federal and state mandates. Charges that appear in this section of your invoice, including charges associated with Federal Wireless Number Pooling and Portability, Federal and State Universal Service Funds (USF) and Federal E911*, are neither taxes nor government-imposed assessments. The Federal USF charge is calculated using the FCC-prescribed contribution factor, which may change on a monthly basis. Neither federal nor state law requires carriers to impose these charges but carriers are permitted to recover their costs of complying with these federal and state mandates. Call 1-866-770-6690 for more information, including the current Federal USF invoice surcharge.
*Please note that current availability of E911 services is very limited. E911 service is dependent upon several factors, including the ability of your local public safety agency to receive and process this information and the capabilities of your equipment.

ANYTIME / NIGHT AND WEEKEND MINUTES

Please note that most PCS Service Plans are made up of both Anytime (peak) and Night and Weekend (off-peak) minutes with specific time allotted for each. The cost of a call is determined by your rate plan and Night and Weekend calls typically cost less than peak calls made during business hours.
