FD-302 (Rev. 5-8-10)

FEDERAL BUREAU OF INVESTIGATION

Date of entry 03/17/2025

On March 11, 2025, FBI Washington Field Office (WFO) Evidence Response Team (ERT) photographed evidence and other items from the captioned case. At the direction of the case team, photographs were taken of the UHAUL truck which transported the material from WFO evidence storage at [redacted] to the Information Management Division [redacted]

Upon arrival at IMD, the evidence and other items were separated based on case number. At the direction of the case team, the exterior and interior of each item was photographed. Detailed photos of individual items were not requested. A photo log was maintained for each case and noted either the 1B number associated with the photo or noted the markings on the box if the contents were not evidence items.

There were a total of 5 photo logs:

- Photos of UHAUL truck
- Photos of evidence and items from 50D-NY-3027571
- Photos of evidence and items from 31E-MM-108062
- Photos of evidence and items from 90A-NY-3151227
- Photos of ELSUR items (from all three cases listed above)

The following WFO ERT members participated:

- Photographer [redacted] - photographer/photo logger
- Special Agent [redacted] - photographer/photo logger
- Special Agent [redacted]
- Special Agent [redacted] - Team Leader

The following are attached via 1A:

- Original DVDs of the photos and original photo logs
- Backup of the original DVDs of photos and copy of the photo log
- Working copies of the DVDs of photos and copy of the photo log
- Digital copy of the photo logs

Investigation on 03/11/2025 at Winchester, Virginia, United States (In Person)

File # 50D-NY-3027571 Date drafted 03/14/2025
