

**THE ROAD  
AHEAD  
ISN'T IN THE  
REARVIEW  
MIRROR.**

As you watch the sun dip below the horizon tonight and you observe the clouds turning from pink to purple, review the day, dear Gemini. Lock your head in with your heart and make sure that the two are in tune. Think about your emotions and thought patterns of the day and how they affected your actions. Determine if your actions were a result of either your rational mind or your fluctuating moods.
