

The Wirtanen

SCORE BOOK

Published by
THE CONRAD PUBLISHING CO.

WIRTANEN

The name WIRTANEN on the cover of this book is in memory of John Wirtanen whom Paul Bouchard coached while at Greenway High School, Coleraine, Minnesota. John began playing tennis while in the ninth grade. After only two years of competition, and with 102 schools competing, John led his high school team to an undefeated season as well as leading it to the state team championship in the spring of 1961. John Wirtanen teamed with Jim Miller to win the State Doubles Championship that same spring. What was unusual about this situation was not only the winning of the state championship in two years, but that in the 60 year history of high school tennis in Minnesota, this was the first and only time that a team from Northern Minnesota had ever won a State Tennis Championship.

Following his high school career, John enrolled at Hamline University in St. Paul, Minnesota where he was instrumental in leading Hamline to three consecutive Minnesota State College Championships. In his senior year at Hamline, John discovered that he had cancer. John never gave up and never once felt sorry for himself. He fought to the end of his short life. John passed away on September 7, 1996 at the age of 22. It is in memory of John that this book has been published. In education, many teachers and coaches come in contact with outstanding young individuals whom they never forget. For Paul Bouchard, John Wirtanen will never be forgotten.

Paul Bouchard, Tennis Coach (1959-61)
Greenway High School
Coleraine, Minnesota

The Wirtanen Tennis Score Book is published and distributed by the Conrad Publishing Co., to provide a Coach with a complete, simple and easy to use score book. It presents a systematic method for recording all matches and player performance. It will assure a Coach of receiving a proper and complete record of all matches played during a team's playing season.

THIS SCORE BOOK WILL SHOW

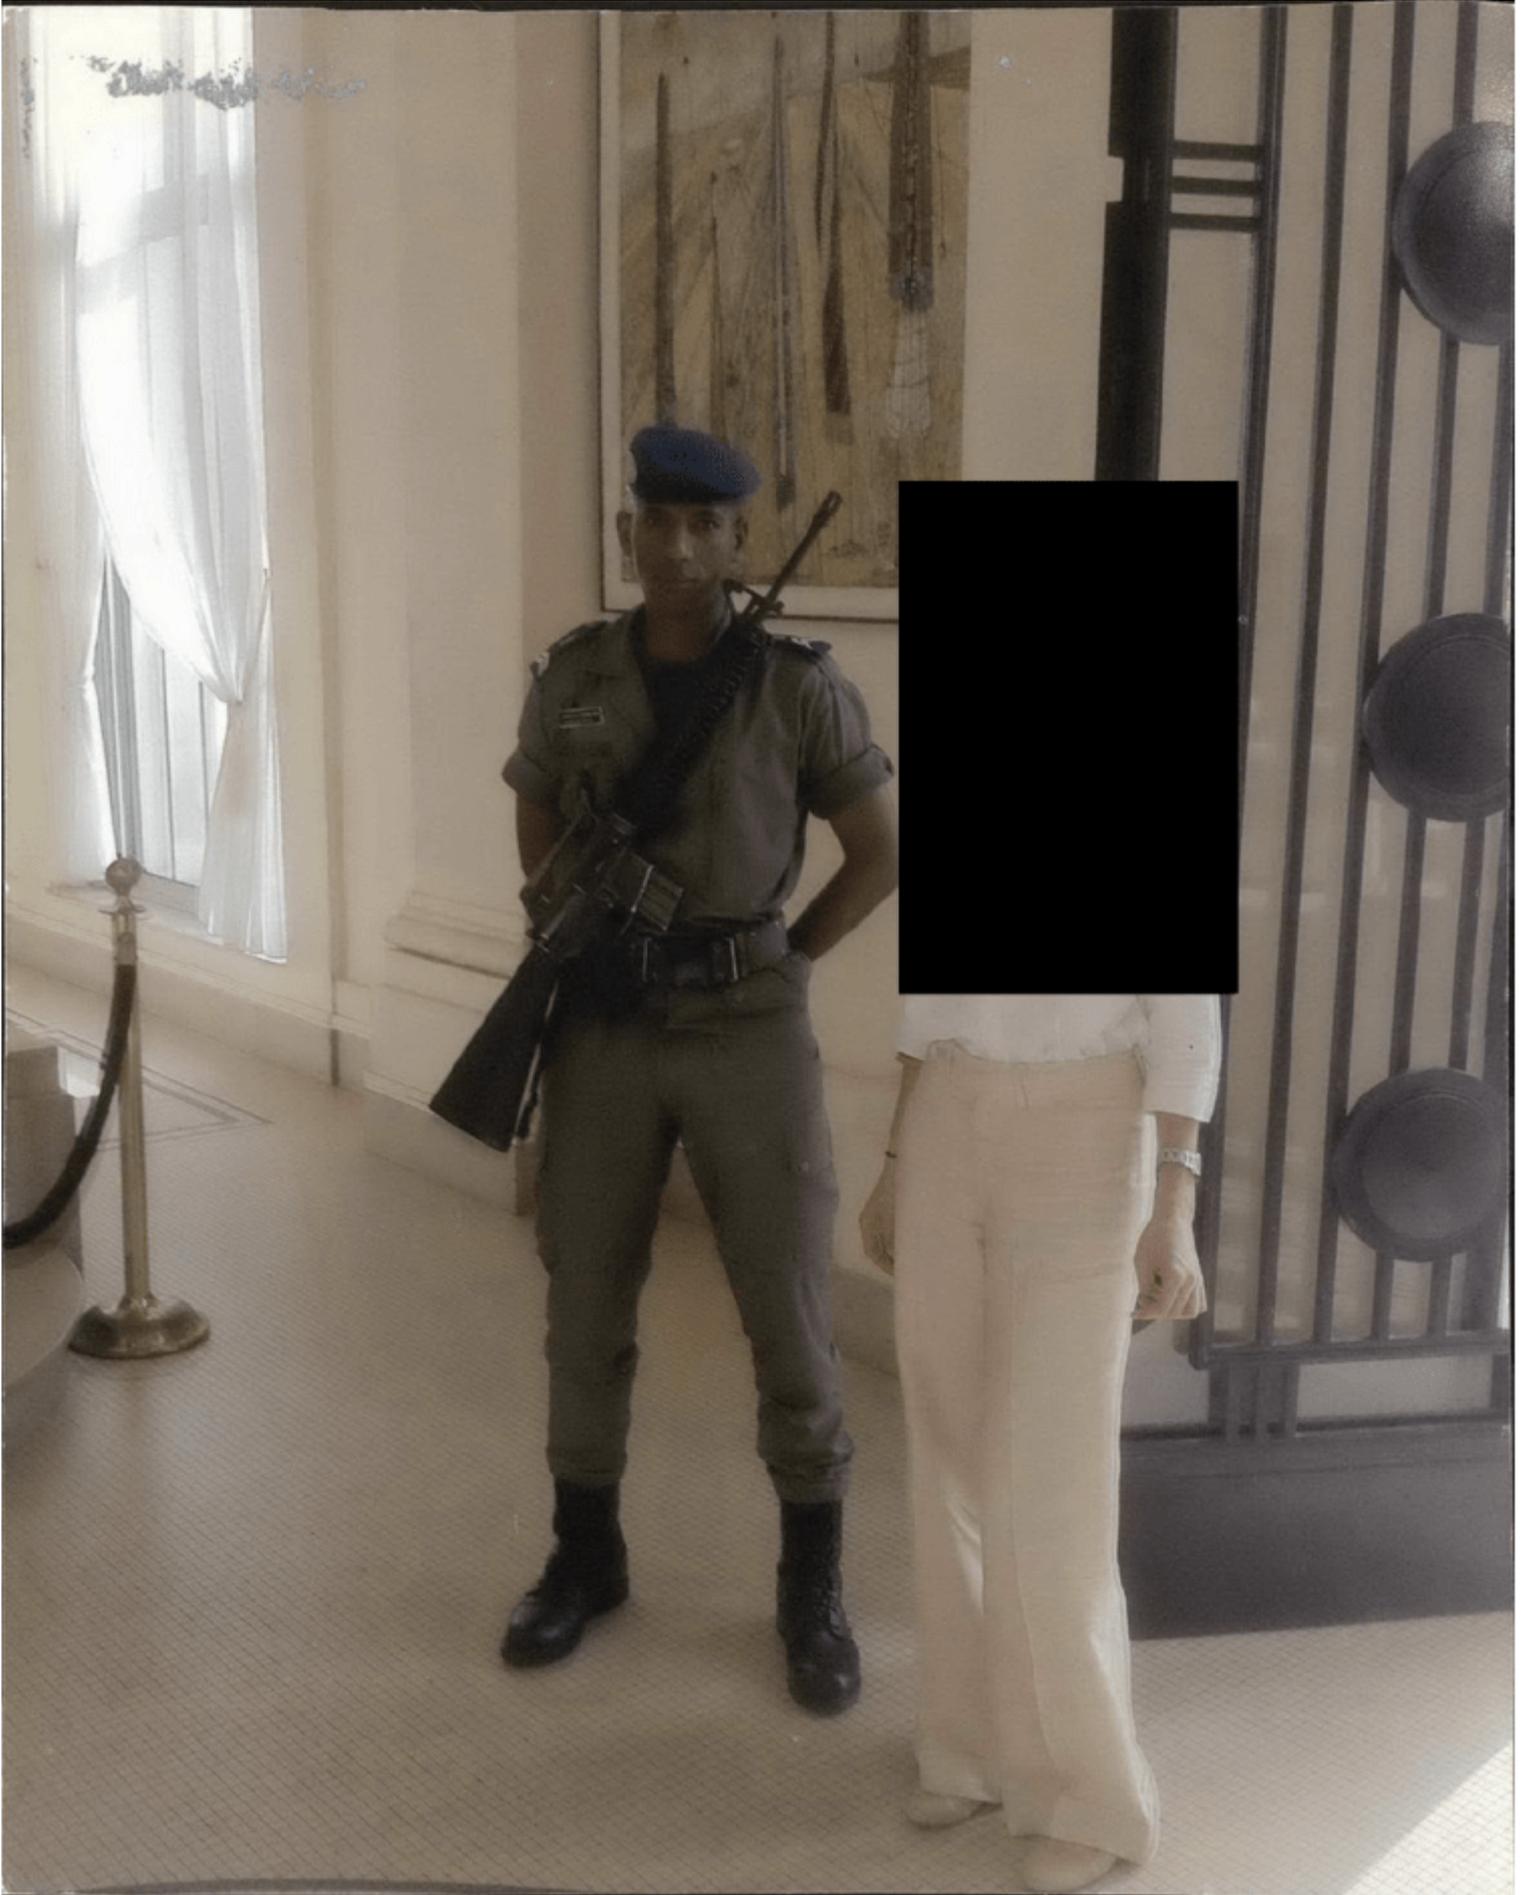

1. The team personnel and regular line-up for each team.
2. A complete scoring record.
3. An error analysis chart.
4. An individual player's complete record.
5. A coaches' directory section.
6. A team season schedule and match scores.
7. Forms for match reports to schools, newspapers, radio, and TV.
8. Forms to record tournament results (32 brackets).
