On Tuesday, supported the Epstein ( NY-3027571) briefing with CRC [REDACTED] One of the victims present has financial issues and upon hearing that mileage reimbursement was not

immediate, began crying. I asked [REDACTED] to check with the case agent and AUSA about reimbursement if I would pay for her mileage and they approved. As such, I figured out her mileage, wrote it out and had her sign for the reimbursement and witnessed by VS [REDACTED]

I just put this in the Sharepoint site (#580) and will do an EC. However, I don't have the original approval for the reimbursements from this case. Can you please approve this so I can complete my EC and submit my reimbursement?
