- the targeting - [REDACTED] following her [REDACTED] release from the illegal detainment from Glenside and following relocating from Port Pirie to Kadina and back into the family home then proceeded to tell all family members, her own doctors and community members that [REDACTED] the targeted victim [REDACTED] [REDACTED] had suffered a mental Health break down and very unwell and that she, the [REDACTED] was now looking after her and that was the reason she, [REDACTED] had relocated from Port Pirie to Kadina and was residing in the family home - The [REDACTED] [REDACTED] [REDACTED] conspired the demand of relocating [REDACTED] back into the family home, place of the original sexual abuse of [REDACTED] to gain control of her outspoken daughter who was now constantly and continuously reporting the illegal targeted activity to authorities and seeking assistance to the targeting during the periods of 2013-2016 and continued to demoralise [REDACTED] and discredit her creditability by stating she was suffering from a Mental Health condition in an act of discrediting her claims of [REDACTED] sexual molestation that had occurred at age 11 years of age until 14 years of age and [REDACTED] had revealed the truth to a local doctor at age 14 years of age - [REDACTED] protecting her sons, [REDACTED] [REDACTED] community image and superficial family image and her own superficial family image of being a good [REDACTED] - Protecting the Family Secret from public knowledge

actions made by [REDACTED] [REDACTED] who stated to the community members, doctors and family members that she relocated from Port Pirie because [REDACTED] had suffered a Mental Health Break down and the Council Worker of Glenside Emma had letter states "for her own safety" "Not safe in the location of Port Pirie" as the reasons for moving - action also conflicts with 2016 denying [REDACTED] was a target of criminal activity or police targeting prior to the illegal detainment in 2017 and would not support [REDACTED] going to Melbourne to report the activity to the Federal Police and reassure herself her children were safe and look after the family pet, and knowing about bail conditions without being told - [REDACTED] also stated to [REDACTED] that [REDACTED] [REDACTED] (the perpetrator of sexually molesting his sister at age 11 years old until 14 years old) had also gone to Port Pirie Police Department to speak to the Captain in his sisters defence - [REDACTED] and sister [REDACTED] has not ever received an apology from [REDACTED], an admission from [REDACTED] or been told directly from the brother [REDACTED] that he had gone and spoken to the Port Pirie Police Department in his sisters defence

4th October, 2004.

Dear Jackie,

As promised I am enclosing a copy of Nanna Phillips' Funeral Service. We were very happy with it!

I am so sad to think that you don't ring your Mum, but as you said you are "getting on" with your life.

→ Jackie, these things do happen in families, it happened in ours when we were young. Uncle Norman. Auntie Marlene and myself. You do not have to feel that you were responsible in any way and that your Mum was to blame as there is no blame. I never stopped loving Nanna Phillips over what had happened. Some of Uncle Norm's friends were also involved.

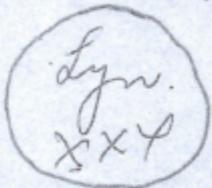

→ I have never told anyone this, and never ever told Nanna Phillips. So this is for you only.

I love your Mum dearly and have always. We get along "like a house on fire" and always have. She also loves you dearly, so never think otherwise.

Anyway Jackie. I don't know if I have written the right words, but as I said the other day, you are a wonderful [redacted] and you should be proud of the way you have "taken charge of your life".

All the best for now and the future.

Lots of Love,

phone [redacted] if you need me in future.
