Dear Office of Narungga,

In light of your recent contact I am informing you that I will collect the last correspondence from your office tomorrow, Thursday 30th February, which involves 4 usbs labelled JC INNOVATIONS and second package business registrations regarding the usbs. Please have the packages prepared for myself to collect from the front desk.

I wish to thank your office for your previous assistance but this will be my last contact with your office considering I have been lied to by your office senator regarding personal details regarding his relationship, which I do not appreciate and find very very disrespectful not only towards myself but also his pregnant wide. (WIFE - SPELLING MISTAKE)

Dear Jacqueline,

In light of recent deliveries we just wanted to confirm the functions of this office – we are here to advocate for changes to legislation and to assist in constituents dealing with bureaucracy. We have been pleased to assist you with regard to the latter in your complaint with health care.

While Fraser appreciates you keeping him informed of your other ventures he does have limited time to consider all of your correspondence, especially with a heavily pregnant partner and his first child on the way. With the greatest of respect, it would assist the workflow of this office if you could make an effort to limit correspondence to in direct relation to the two primary functions of this office. If you have any queries in relation to legislative change or bureaucratic challenges please reach out to the office.

Sincerely,

Narungga Electorate Office Team

Yes you have always believed in me, never doubted me at all. Can you tell that i'm very persistent and a determined women. You know some men find me a little confronting, even intimidating. I must admit though i am a strong women, not the shy type,lol!

Thats true what you said about the economy, but i'm not scared to venture out because, well have you ever heard of a broke doctor? The medical system doesnt go into recession. Think about it babe??!!

Thats soo cool about the IVF hun, i hope you really get your hopes and dreams this time babe.

I wish you both the best of luck with that. xxxxx

Thanks for sharing babe, that made me feel pretty special.Mwah!

Been getting ready to move again, same town but different part. So been packing again which really sucks but its necessary as well. Smaller place, less rent and in town more. Shaun recons i'm a city girl and like being around the middle of town better. I said yeah, closer to the shops, lol

Has a real country boy, loves bush camping and fore wheel driving, which i love to, i think [redacted] city / country, a good mix of both, what do you think??

STUFF THAT!!! I know its for a good cause babe which is such a nice thing to do. But personally between you and me, i'm glad thats you riding not me, i'd be so sore and worn out,lol!! You must be really fit hey??

\* Adam, i've been doing lots of thinking and i think, well, because i'm in a committed relationship and, well, now i find out this wonderful news about you and Nikki, i do think its time to let us go. We really do need to concentrate on our real lives, don't you think? I don't regret meeting you and i will forever treasure and remember all our times together, i will always have a special place for you in my heart.

But i need to be true to Shaun and respect him and our relationship. I feel guilty about doing this and it gets that little bit harder all the time. I need to be a honest good women to shaun as he really is a good guy, kind hearted and loves me, just the way i am. But i need to give us a proper chance and give our relationship the full attention it deserves. I hope you can understand this babe, i dont want to hurt you, i do love you. But i cant live with loving to men. like you said if we had have lived close to each other it would have been different. But this is the way it is.

i'm sorry we have to say goodbye honey, but it think for all its the right thing to do, dont you. ( i want you to be completely honest with me cause this is last chance to be ok)

I have to be able to concentrate on my real life here babe, you know. So i think we should end it tonight ok.

xxxxxxxxxxxx
