Dear Ms Pearce

I write in response to your letter dated 23 April 2013 in which you are seeking information on the meetings that have occurred during the year of 2009 between you and I so you can provide this information to the Minister for Health.

I can confirm that we have met on two occasions to discuss your proposed Business Plan and research and that these meetings were held on 11 December 2009 and 5 February 2010 as arranged by my then Executive Assistant, Ms Jemma Salvemini.

I also understand that you would like information on the role of the Port Pirie Health Advisory Council (HAC) and that you are considering applying to the HAC to become a member. Can I please suggest that you write to the HAC expressing your interest in becoming a member and ask that the HAC consider your nomination. The letter can be made attention to Mr Barry Hay, Presiding Member of the Port Pirie Health Advisory Council, PO Box 546, Port Pirie SA 5540.

I will be in contact with you shortly to discuss the role and function of the HAC.

Yours sincerely

Yes of course you'll do it baby I have total faith in you because your so passionate and smart!

Yes I'd like to change jobs ideally but nows not a good time with the economy so fooked, not many jobs about. I'd like to have more options in a years time maybe. Nikki works up the road from me actually yes, which works out well because we car share.

Nothing solid planned next week depends on the weather which has been good in spells recently. One thing we do have is a hospital appt. can tell you this because we are still close - we are now on and IVF programme and going to get the drugs to start with that (not telling anyone by the way) because you get too many questions but I know your cool and I'll tell you if there's any news. Hey you never know you may have to give me the low down on twins someday. What else...oh yes training for a charity bike ride so will try and get out next week.. I'm doing it in memory of Danni and it's 54 miles in June.

BACK on the subject of work Niks hours have been cut and she losing one day a week but its across the whole dept. and it was either that or look for reduncies. times are tough right now. So what else have you been doing to keep busy other than the business plan?

The stuff about Shaun and what his mum said, I think maybe you guys just need more time together, you'd be mad to rush in to marriage again but you know that and I think your response was natural, you'd be the same at the thought of marrying anyone. Your a lovely lady Jac and have had some shit but that history I'm sure your future is rosy

Yes you have always believed in me, never doubted me at all. Can you tell that i'm very persistent and a determined women. You know some men find me a little confronting, even intimidating. I must admit though i am a strong women, not the shy type, lol!

Thats true what you said about the economy, but i'm not scared to venture out because, well have you ever heard of a broke doctor? The medical system doesnt go into recession. Think about it babe??!!

Thats soo cool about the IVF hun, i hope you really get your hopes and dreams this time babe.

I wish you both the best of luck with that. xxxxx

Thanks for sharing babe, that made me feel pretty special. Mwah!

Been getting ready to move again, same town but different part. So been packing again which really sucks but its necessary as well. Smaller place, less rent and in town more. Shaun recons i'm a city girl and like being around the middle of town better. I said yeah, closer to the shops, lol!

Hes a real country boy, loves bush camping and fore wheel driving, which i love to, i think i'm city / country, a good mix of both, what do you think??

STUFF THAT!!! I know its for a good cause babe which is such a nice thing to do. But personally between you and me, i'm glad thats you riding not me, i'd be so sore and worn out, lol!! You must be really fit hey??

\* Adam i've been doing lots of thinking and i think well, because i'm in a committed relationship and, well, now i find out this wonderful news about you and Nikki, i do think its time to let us go. We really do need to concentrate on our real lives, don't you think?

I don't regret meeting you and i will forever treasure and remember all our times together, i will always have a special place for you in my heart.

But i need to be true to Shaun and respect him and our relationship. I feel guilty about doing this and it gets that little bit harder all the time. I need to be a honest good women to shaun as he really is a good guy, kind hearted and loves me, just the way i am. But i need to give us a proper chance and give our relationship the full attention it deserves.

I hope you can understand this babe, i dont want to hurt you, i do love you. But i cant live with loving to men, like you said if we had have lived close to each other it would have been different. But this is the way it is.

I'm sorry we have to say goodbye honey, but it think for all its the right thing to do, dont you. ( i want you to be completely honest with me cause this is last chance to be ok)

I have to be able to concentrate on my real life here babe, you know. So i think we should end it tonight ok.

## POLICE INVOLVEMENT IN FRAUDULENT ACTIVITY AND CREATED ISOLATION THROUGH TELECOMMUNICATION SYSTEMS BLOCKED CONTACT/ALTERED MESSAGES

I reported the Fraudulent malicious Activity of the newly created business account to Joshua Adams, Business Consultant, Telstra Store, Kadina who proceeded to file a report to the Fraud Department and requested an investigation into the activity - Refer to Telstra Report dated 1/10/2020

I received no reply or response from this report.

The Fraudulent and malicious Activity continued and escalated.

On the 25/03/2021 I reported the activity again to Joshua Adams, Business Consultant, Telstra Store, Kadina and reported that I had not received any contact from the Fraud Department concerning the report that he had submitted. I requested a change of mobile phone number with the account still having Restricted Access applied. Joshua Adams proceeded to change the mobile phone number and did a check to ensure that the new number that I had been given was a newly created number that had not been circulated before my use, to ensure that the same activity would not occur and if it did would be seen as suspicious activity continued.

On the 25/03/2021 I reported the Fraudulent Malicious activity to Isobelle Oppeloar, Manager, Telstra Store, Kadina who proceeded to file a report to a higher authority, requesting an investigation with the higher authority of the Fraud Division or CEO of Telstra, due to ongoing issues over a 10 year period of continuous Fraudulent Activity. - Refer to Letter addressed to Isobelle Oppeloar, Manager - Refer to document filed report and Case ID number

I received contact from Telstra higher authority but missed the call and am waiting for the second contact, to ring me back as informed in the voice recorded message left on my mobile phone to discuss the issue.

On the 13th April 2021 I sent a letter addressed to the CEO of Telstra Head Office, Mr Andrew Penn, Melbourne, Victoria from the Norwood Post Office branch, Adelaide informing the CEO of the continuous Fraudulent Malicious Activity that had been occurring in my personal and newly created business account with Restricted Access, and requested a thorough investigation into the activity and provided the documented evidence of the activity that had been occurring in all servers and over a long period of time, and following re-location and change of details Refer to letter addressed to CEO - Mr Andrew Penn - Telstra Head Office, Melbourne Specific Targeting of an Individual - Every location, re-location, changed servers and personal details, including change of phone numbers - Pattern of Illegal Activity

**"And in comes America to rape and pillage"**

**"American copper"** - When I was interacting with Zac /online dating site / Plenty of Fish - refer to file

Phone text message from Paul Gardner after 000 call to the Port Pirie Police Department reporting the threat of prostitution and 2 officers attending to the call in my place of residence 7 Meadow Crescent, Port Pirie - **"The answers staring at you in the face"**

**"I use to be a conman"**

**"I buy phone numbers"**

**"I buy number plates"** - Refer to document - number plate given to me by Paul Gardner, Port Germain

---

**"I was involved in Prostitution as a child, I was born into it"**

**"I could get \$200.00 for you on the market" "You know, hooking"**

I was disgusted by this comment and thought that Paul Gardner must have been joking as he had a immature sense of humour and walked away from him at this point - It was said to me at the Port Germain Hotel when we went out to dine. Paul Gardner said that he was only joking and apologised. - Refer to unusual comment government and prostitution making the most money from your sons / threatening behaviour

**Probing the subject / suspicious**

I was probing the subject of prostitution after these comments were made by Paul Gardner suspicious of his comments and wether he had been actually joking / starting to become fearful. When probed for answers Paul Gardner replied :

**"I will put it to my dad" - Roger Gardner, Queensland**

I week later Paul Gardner replied:

**"Dad said yes, government approved, Howard approved it" - John Howard, Australian Government**

**-One month later:**

**"Your saved for prostitution by the government and I make the most money from your sons"** - Attempted entrapment after this comment was made

Reported for threatening behaviour to the Port Pirie Police Department - 000 call centre transferred to Port Pirie Police Department

Dear Ms Pearce

RE: Refuse Breath Test

I write to you in relation to the above matter. On the 7 December 2015 I received some disclosure from Prosecution in relation to this matter. I now enclose a copy of the following documents for your information (see attached):

- o Statement of Officer Kathy Jacobs
- o Statement of Officer Scott Kelly
- o Notes of Officer Kelly
- o Oral Advice on Refuse Breath Test

Please read each document carefully and contact me immediately should you have any questions or concerns in relation to the content of the material.

I can advise that if you wish to contest the allegations then I will need to obtain further details from you such as:

1. How did you get onto John Pirie Island?
2. Who is the owner of the maroon car?
3. Were you sitting in the maroon car when police approached you?; and
4. Where was the driver of the vehicle when you were approached by police?

After you provide answers to these questions I will be in a better position to advise you as to whether or not Prosecution will be able to successfully prosecute you in relation to these charges.

Your next court hearing is the 12 January 2016 at 10:30 am in the Port Pirie Magistrates Court.

I can advise that I will be on leave from the 14 December 2015 until the 4 January 2016. Please contact me sometime shortly after I return to work with further instructions.
