News

*The Hon Julia Gillard AC University
of Adelaide public lecture 2019

3 September 2019

Friends, I trust you will indulge me if I start by sneaking in a quick family acknowledgement of my niece Dr Jenna Malone, who is an academic at this university's Waite - VINCENT BULONE 2019
*Research Institute and her great friend Judy Rathjen, who is an accomplished woman in her own right and, in a connected Adelaide kind of way, is our Vice Chancellor's sister.

I also acknowledge Judy's brother, Vice Chancellor, Mr Peter Rathjen, Professor Jenny Shaw, the Minister for Health, the Honourable Stephen Wade and the Shadow Minister for Health, the Honourable Chris Picton.

But most importantly of all, I acknowledge the traditional owners of the land on which we meet and in the spirit of reconciliation, pay my respects to Elders past and present. Yellaka, thank you for your warm Greeting to Country.

Introduction

The is the second time I have had the privilege of being so welcomed by Yellaka. The first time was at the recent South Australian State dinner to celebrate 125 years of women's suffrage in our State – a milestone to be inspired by.

CHRISTMAS 2019 - KANGAROO ISLAND - VINCENT BULONE
BOOKED HOLIDAY - HIS SUGGESTION - MY SURPRISE / NOT
EXACT LOCATION OF GOVERNMENT - CONSPIRED * KNOWLEDGEABLE

* This escalated until Christmas 2019 when through intuitive feelings of something ominous I started an argument with Vincent Bulone when he came home from work so that I could leave the relationship instead of accompanying him to Kangaroo Island for Christmas.

I argued with Vincent Bulone that evening who denied everything (a continuous behaviour throughout the relationship). I had sighted on his tablet synchronised to his work phone and also displayed his calendar of his appointments and daily events written for the end of the day before he came home "Drinks with Kylie"

I did not know who Kylie was, he had never mentioned this name and had stated numerous times that he did not drink at work - **Deceitful behaviour / Refer to folder 13. Denial of Behaviour / text message,**

"I'm tiddy" "I've had a few drinks and need to eat" - This occurred while at work.

* I walked to the Norwood Police Station and asked them to accompany me back to 46A Chapel Street, Norwood to collect my belongings as I no longer felt safe in Vincent Bulone's presence.

* Two police officers, a male and female arrived at 46A Chapel Street, Norwood and stood by as I packed my belongings into my vehicle before leaving.

* I stayed at the Scotty's Motel, Adelaide for the evening and returned to 46A Chapel Street, Norwood the next morning to collect my vehicle and leave, drive to my parents house in Kadina.

Still unclear of his involvement in the targeting that occurred in Port Pirie Vincent Bulone and I stayed in contact over the Christmas period.

* Vincent Bulone had booked a holiday for Christmas on Kangaroo Island SA, of which Vicki Chapman, Attorney General / SA Government had a residence at and had gone there for the Christmas Holidays and her place of residence had burnt down during the Kangaroo Island fires. - **Refer to Stage 2B Denial of Investigations / Vicki Chapman**

* I did not attend this holiday and separated from Vincent Bulone due to an intuitive feeling of his deceitful nature and his involvement in the targeting. His behaviour had left me feeling unsure of his involvement.

LOCATION OF VICKIE CHAPMAN - CHRISTMAS 2019 - AMBUSH

* Following his return from Kangaroo Island SA he informed me that he had booked a birthday holiday for me in Thailand. We travelled to Thailand together and spent the week together before returning. We were still engaged in sexual interaction and discussing the issues of our relationship of which Vincent Bulone kept denying his inappropriate behaviour with other women and that it was all in my head and still kept on encouraging me to seek psychological help.

* **Refer to Psychological Report, Rose Park Psychologist - Relationship Stresses.**

* I explained to Vincent Bulone while residing in Kadina following the relationship separation 21st December 2019 that I had been targeted and the events that had occurred in Port Pirie involving Intellectual Property Theft and provided him with evidence of the illegal activity that had occurred. Vincent Bulone continued to deny this activity existed or having knowledge of its occurrence and still encouraged me to not persist in pursuing a prosecution of the targeting and illegal activity involving the government and individuals involved and that I should seek psychological counselling and help for my mental health issues, that no one was targeting me and that it was all in my mind. That I was mentally disturbed.

Vincent Bulone travelled for work commitments following our separation (Sweden).

While he was travelling Vincent Bulone and I stayed in constant daily contact - **Refer to folder 16. Ceased contact.**

Vincent Bulone declared his undying love for me and said that we would always remain friends if we could not fix the problems in our relationship but constantly encouraged me to seek Psychological Counselling because the issues were all in my mind and had nothing to do with his behaviour or the targeting of which he continued to claim had not, and was not occurring. Vincent Bulone offered to pay for the Psychological Counselling and offered to book me into a Psychologist

RENTAL CAR - 2019 CHRISTMAS - KANGAROO ISLAND

I was in a relationship with Vincent Bulone between the periods of 29th July 2018 - 21st December 2019 in which time I witnessed unusual behaviour, womanising behaviour, lying behaviour, portrayed betrayal with another woman, denial of behaviour, admissions of involvement with Prostitution, encouragement to attend counselling for psychological problems concerning my mental health state.

Government Targeting Intention : Second attempt to have me detained into Glenside Mental Health Facility and medicated - Second Attempt / accessory to murder to appear as suicide / side effects of medication - Refer to Stage 3 SACAT

Refer to file Submitted to Rose Park, Adelaide Psychologist / Psychological Report - Relationship Stresses

Refer to folder 13. Text messages / Denial of Behaviour

Refer to folder 14. Text messages / Psychological Counselling encouragement

Vincent Bulone had appeared as if he had become the target and portrayed the victim of Fraudulent Activity involving fraudulent debts created, House Cleaning service in Sweden with ex partner Tula Terry, Sweden, being threatened with Debt collectors / Newspaper subscription, Sweden, Work credit card hacking while travelling in Europe, Sexual Targeting, unknown women paying him attentive attention while in my presence dining and in various locations within Adelaide and Europe, women sending half naked photographs of themselves to his Science Twitter account, Rental car at Christmas period deposit refund, Russian couple, Queensland based Car Rental Company denying him his refund of the deposit of the rental car, 4 wheel jeep, Australian 4wd Hire / Director of liquidated company Maryna Kosukhina / husband co-director, car returned on 27th December 2019 sub company under liquidation Smart Corporation PTY LTD, excessive rise in Taxation Department payments, quarterly payments, excessive rise in utilities, missing details on Visa which he was denied entry back to Australia, but then the issue had been fixed, while we were travelling together in Europe.

All accounts of this activity is exact replica of the illegal Activity of which I had been reporting and documenting between the years of 2014 - 2016 while residing in Port Pirie.

Refer to Stage 1C Fraudulent Activity

Refer to Stage 2B Sexual Targeting

Vincent Bulone admitted that he often bought expensive gifts for his women colleagues , which had included expensive perfumes, jewellery, silk scarfs, of which he had given to Robbie Davis, his PA, Stav and had also given me a silk scarf as a present when we had first met and other various women colleagues. I told him that I thought this was unprofessional behaviour and that he is buying presents to appeal to a woman's nature not professional presents to say thank you. The presents in my opinion were of a personal nature and not professional courtesy.

Vincent Bulone denied this was unprofessional behaviour.
