Miss [REDACTED]

Dear Miss [REDACTED]

Thank you for your letter of 18 September 2009 about the establishment of a Specialist Medical Centre in Port Pirie.

SA Health recognises and encourages private medical services to be established within rural communities. SA Health and Country Health SA (CHSA) have a long established history of working collaboratively with private medical practitioners in the provision of health services to the residents of local communities.

Currently, CHSA and the local Health Advisory Council for Port Pirie are engaged in a 10 year health service needs and planning process. This process will identify the needs of the local community and support the planning of long term health services to meet those needs. You may wish to consider discussing your proposal to establish the Specialist Medical Centre in Port Pirie with Mr Roger Kirchner, Director Mid North Cluster, CHSA on telephone [REDACTED]

Thank you for bringing this matter to my attention and I trust this information will be of assistance to you.

Yours sincerely

Ms [REDACTED]

Dear Ms [REDACTED]

Thank you for your letter of 31 August 2012 about establishing a specialist medical centre at Port Pirie and offering to provide the business plans and research information collected throughout your project.

* I asked Adjunct Professor Belinda Moyes, Chief Executive Officer, Country Health SA Local Health Network (CHSA), who is responsible for Port Pirie Regional Health Service (PPRHS), to consider your offer and I am advised as follows:

As Ms [REDACTED] may be aware, the PPRHS already provides consulting room facilities for some specialties identified through consultation with the local general practitioners.

In these instances, PPRHS pays the travel allowance and provides hospital accommodation for visiting specialists providing medical inpatient services.

PPRHS also distributes monthly information to all doctors and health units within the town and surrounding area of the specialists' visiting dates and the waiting times to see new patients.

* The completed Port Pirie GP Plus Health Care Centre, scheduled for September 2013, will also have capacity to provide additional consulting space, if needed
The nature of what additional medical services may be required is yet to be determined.

The Port Pirie Health Advisory Council has undertaken a 10 year planning process, and is now engaging the local general practitioner in planning how to shape medical services into the future.

If Ms [REDACTED] would like to have input into the development of the Port Pirie GP Plus Health Care Centre, there is a consumer group that she may wish to join. Further information is available by contacting Ms Lisa Cockington, Regional Director, Community Health and Primary Health Care Programs, PPRHS, CHSA, on telephone 8638 4505 or Ms Georgina Bickley, Manager, Environmental Health Centre, PPRHS, CHSA, on telephone 8638 4100.

* HOW TO APPLY GOVERNMENT GRANTS *

When applying for government grants there are a few simple things to remember so the proposal isn't rejected. Make sure they aren't late, make sure they are on the appropriate forms, and make sure that they comply with the stated guidelines.

To ensure your proposal gets full consideration:

- Make sure the projects fit the guidelines and intent.
- Specify categories of costs to reflect the areas that funding can cover. In some cases, only actual costs are allowed. Keep accurate records of expenditures and receipts.
- Submit the required number of application copies.
- Submit the application on time.
- Consider payment procedures, schedules, and partial payment schedules. Evaluation reports are often essential to final funding.
- Check on copyrights and credits. Make sure you know if the funding organization requires credit. Check where copyright of materials is necessary and whose responsibility it is to get it.

- Not the decision date, so you can follow up if necessary.
If you are rejected, try other funding sources.

There are seven steps when preparing a funding proposal:

1. Identify your organization

- Name
- How many people belong
- When it was established
- Where it is located
- Purpose

2. Explain how your organization operates.

- Is it a registered charity? What is its number?
- Is it incorporated? What is its number?
- Who is eligible for membership?
- What is the procedure for becoming a member?
- Is the organization democratically run? Are elections held annually?
- What groups are affiliated with your organization?

3. Describe how responsibilities are distributed within the organization.

- List the names and titles of the executive.
- Provide the name, title, address and telephone number of the person to whom correspondence should be directed.
- Name the people who will take on the major responsibilities of the project and describe their responsibilities.

4. Describe what your project will do.

- Outline the project, how it meets a demonstrated need and what it hopes to accomplish.
- Explain your objectives in concrete rather than general terms.
- Explain the methods for evaluating the project's progress. State the objectives in such a way so observers can see what you have accomplished what you set out to do.
- Define the scope: local community, provincials or national.

5. Explain why your project will succeed.

- Explain how your project is different. How does the project avoid duplicating similar projects or programs run by other organizations?
- Give the qualifications and experience of key people involved with the project to provide reasonable assurance your organization is capable of undertaking the project.
- Name projects you have completed in the past, and indicate why they were successful.

6. Describe what additional resources you will require.

- Name people outside of the organization who will act as references.
- List other individuals or organizations supporting this or similar projects.
- Name other whose support has been requested.
- State any previous contact with the funding bodies being approached, including previous financial assistance.

7. Provide a budget.

Electoral district of Frome

From Wikipedia, the free encyclopedia

Frome is an electoral district of the House of Assembly in the Australian state of South Australia. It is named after Edward Charles Frome, the third surveyor-general of South Australia. The electorate is based around the industrial city of Port Pirie and the agriculture areas of Clare and Gilbert Valleys. It covers a total of 6,889.7 km² and takes in the towns of Auburn, Clare, Crystal Brook, Gladstone, Laura, Mintaro, Penwortham, Port Broughton, Port Pirie, Snowtown, Tarlee and Riverton.

Frome has existed in three incarnations throughout the history of the House of Assembly: as a multi-member marginal electorate from 1884 to 1902, as a single member electorate in a multi member electoral system from 1938 to 1977, and as a marginal to moderately safe seat for the Liberal Party of Australia since 1993.

The first incarnation was, like the rest of the state, independent-held until the development of the party system until in the 1890s. The two seats were split evenly with a conservative and a liberal member from 1890 until the seat's abolition in 1902.

The second incarnation began in 1938 after the introduction of the Playmander. The electorate was dominated by the Labor-voting town of Port Pirie as a single member seat. The seat was won by Mick O'Halloran, who served as Opposition Leader from 1949 until his death in 1960. After the end of the Playmander which saw all electorates hold approximately the same number of voters, Frome took in more rural areas around Port Pirie, and was lost by Labor to the Liberal and Country League, until the abolition of the seat in 1977.

The third incarnation saw the seat revived at the 1991 redistribution as a marginal seat, which took in Port Pirie and surrounding rural areas. It was first contested at the 1993 election and was won by Liberal candidate Rob Kerin.

Kerin chose to retire in November 2008, which triggered a January 2009 Frome by-election. The seat was won by independent Geoff Brock after a very close preference contest in which Brock finish second place by 30 votes, with the Liberals in front and Labor coming third. Brock received sufficient preferences from the eliminated Labor candidate to prevail over the Liberal candidate by over 600 votes, or 51.7 percent of the two-candidate preferred vote. He increased his primary and two-candidate vote significantly at the 2010 election, and the Labor candidate notably won the two-party preferred vote against the Liberal candidate by 30 votes.
