

Details of a civil lawsuit, made public in January 2015, contained a deposition from "Jane Doe 3" that accused Maxwell of recruiting her in 1999, when she was a minor, and grooming her to provide sexual services for Epstein.^[22] A 2018 exposé by Julie K. Brown in the *Miami Herald* revealed Jane Doe 3 to be ██████████, who was previously known as ██████████. ██████████ met Maxwell at Donald Trump's Mar-a-Lago Club in Palm Beach, Florida, when ██████████ was a 16-year-old spa attendant.^[22] She asserted that Maxwell had introduced her to Epstein, after which she was "groomed by the two [of them] for his pleasure, including lessons in Epstein's preferences during oral sex".^{[22][63]}

Maxwell has repeatedly denied any involvement in Epstein's crimes.^[51] In a 2015 statement, Maxwell rejected allegations that she has acted as a procurer for Epstein and denied that she had "facilitated Prince Andrew's [alleged] acts of sexual abuse". Her spokesperson said "the allegations made against Ghislaine Maxwell are untrue" and she "strongly denies allegations of an unsavoury nature, which have appeared in the British press and elsewhere, and reserves her right to seek redress at the repetition of such old defamatory claims".^{[58][64]}

██████████ asserted that Maxwell and Epstein had trafficked her and other underage girls, often at sex parties hosted by Epstein at his homes in New York, New Mexico, Palm Beach, and the United States Virgin Islands. Maxwell called her a liar. ██████████ sued Maxwell for defamation in federal court in the Southern District of New York in 2015. While details of the settlement have not been made public, in May 2017 the case was settled in ██████████ favour,^[65] with Maxwell paying ██████████ "millions".^[66]

In 2017, ██████████ filed a suit, in the United States District Court for the Southern District of New York, against Epstein and Maxwell, alleging that Maxwell hired her to give massages to Epstein and later threatened to physically harm her or destroy her career prospects if she did not comply with their sexual demands at his mansion in New York and on his private Caribbean island, Little Saint James. The suit was settled in 2018 under undisclosed terms.^{[9][48][67][68]}

Affidavit filed by ██████████ (2019)

On 16 April 2019, ██████████ went public and filed a sworn affidavit in federal court in New York, alleging that she and her 15-year-old sister, Annie, had been sexually assaulted by Epstein and Maxwell in separate locations in 1996. ██████████ affidavit was filed in support of a defamation suit by ██████████ against Alan Dershowitz.^[69] According to the affidavit, ██████████ had met Maxwell and Epstein at a New York art gallery reception in 1995. The affidavit says that in the summer of the following year, they hired her to work on an art project in billionaire businessman Leslie Wexner's Ohio mansion, where she was then sexually assaulted by both Maxwell and Epstein.^{[70][71]} ██████████ reported the incident to the New York Police Department and the FBI.^{[52][72]} Her affidavit also stated that during the same summer, Epstein flew her then 15-year-old sister, Annie, to his New Mexico property where he and Maxwell molested her on a massage table.^{[73][74]}

██████████ was interviewed for CBS This Morning in November 2019 where she detailed the 1996 assault and alleged that Maxwell had threatened both her career and her life after the assault.^[75]

Jane Doe v. Maxwell and Epstein's estate (2020)

In January 2020, a lawsuit was filed against Maxwell and Epstein alleging that they recruited a 13-year-old music student at the Interlochen Center for the Arts in 1994 and subjected her to sexual abuse^[181] The suit states that Jane Doe was repeatedly sexually assaulted by Epstein over a four-year period and that Maxwell played a key role in both her recruitment and by participating in the assaults.^[181]

Jane Does v. Epstein estate (2020)

In August 2020 9 Jane Does filed suit accusing Epstein of sexual abuse. The alleged victims in the lawsuit include a 11 and 13 year old and a victim who alleged abuse in 1975.^[182]

Jane Doe v. Epstein estate (2020)

In August 2020 Epstein was sued by a Jane Doe accusing him of sexually abusing her for one and a half years, beginning when she was an 18-year-old aspiring singer and model in New York.^[183]

Jane Doe v. Epstein estate (2021)

A civil suit was filed against Epstein's estate in March 2021 by a Broward County woman who accused Epstein and Maxwell of trafficking her after repeatedly raping her in Florida in 2008.^[184]

On July 6, 2019, Epstein was arrested by the FBI-NYPD Crimes Against Children Task Force at Teterboro Airport in New Jersey on sex trafficking charges.^{[27][185][186][187]} He was jailed at the Metropolitan Correctional Center in New York City, which has held prisoners such as John Gotti, Joaquin "El Chapo" Guzman, and Paul Manafort.^{[188][189]}

According to witnesses and sources on the day of his arrest, about a dozen FBI agents forced open the door to his Manhattan townhouse, the Herbert N. Straus House, with search warrants. The search of his townhouse turned up evidence of sex trafficking and also found "hundreds - and perhaps thousands - of sexually suggestive photographs of fully - or partially - nude females". Some of the photos were confirmed as those of underage females. In a locked safe, compact discs were found with handwritten labels including the descriptions: "Young [Name] + [Name]", "Misc nudes 1", and "Girl pics nude".^[90] Also found in the safe were \$70,000 in cash, 48 diamonds,^[190] and a fraudulent Austrian passport, which expired in 1987, that had Epstein's photo but another name. The passport had numerous entrance and exit stamps, including entrance stamps that showed the use of the passport to enter France, Spain, the United Kingdom, and Saudi Arabia in the 1980s. In closing his victory speech Saturday night, President-elect Joe Biden, the nation's second Catholic president after John F. Kennedy, recalled the Catholic hymn "On Eagle's Wings," a song he said was important to his family and his deceased son Beau, who died of brain cancer in 2015.

"It captures the faith that sustains me, which I believe sustains America. And I hope and I hope I can provide some comfort and solace," he told the crowd before reciting the hymn. "And he will raise you up on eagle's wings, bear you on the breath of dawn. Make you to shine like the sun and hold you in the palm of his hand."

Biden ended with this: "And now, together — on eagle's wings — we embark on the work that God and history have called upon us to do."

More: Read the transcript of what Joe Biden said in his first speech as president-elect

Earlier in his speech, given outside the Chase Center in Wilmington, Delaware, Biden quoted from the book of Ecclesiastes: "The Bible tells us that to everything there is a season * a time to build, a time to reap, a time to sow. And a time to heal. *

"This is the time to heal in America."

During the campaign, President Donald Trump accused Biden of being "against God" despite the devout Catholic's frequent references to his faith. Biden, who has often talked about how his Catholic faith helped him survive the death of his first wife and their daughter in a 1972 car crash, dismissed Trump's comments as an attempt at making a cynical appeal to religious conservatives.

As he wrapped his remarks on Saturday, Biden recalled his grandfather telling him to * "keep the faith" before adding that his grandmother chimed in, "no Joey, spread it. Spread the faith." * - REALITY - PUBLISHED NOVEL OF TARGETED VICTIM - KEEP THE FAITH

On March 6, Trump signed the Coronavirus Preparedness and Response Supplemental Appropriations Act into law, which provided \$8.3 billion in emergency funding for federal agencies.^[477] On March 11, the World Health Organization (WHO) recognized the spread of COVID-19 as a pandemic,^[464] and Trump announced partial travel restrictions for most of Europe, effective March 13.^[478] That same day, he gave his first serious assessment of the virus in a nationwide Oval Office address, calling the outbreak "horrible" but "a temporary moment" and saying there was no financial crisis.^[479] On March 13, he declared a national emergency, freeing up federal resources.^[480]

BUSINESS CONCEPT OF TARGETED VICTIM 2009 - 2016

* In September 2019, the Trump administration terminated United States Agency for International Development's PREDICT program, a \$200 million epidemiological research program initiated in 2009 to provide early warning of pandemics abroad.^{[481][482]} The program trained scientists in sixty foreign laboratories to detect and respond to viruses that have the potential to cause pandemics. One such laboratory was the Wuhan lab that first identified the virus that causes COVID-19. After revival in April 2020, the program was given two 6-month extensions to help fight COVID-19 in the U.S. and other countries.^{[483][484]}

On April 22, Trump signed an executive order restricting some forms of immigration to the United States.^[485] In late spring and early summer, with infections and death counts continuing to rise, he adopted a strategy of blaming the states for the growing pandemic, rather than accepting that his initial assessments of the course of the pandemic were overly-optimistic or his failure to provide presidential leadership.^[486]

White House Coronavirus Task Force

Trump established the White House Coronavirus Task Force on January 29, 2020.^[487] Beginning in mid-March, Trump held a daily task force press conference, joined by medical experts and other administration officials,^[488] sometimes disagreeing with them by promoting unproven treatments.^[489] Trump was the main speaker at the briefings, where he praised his own response to the pandemic, frequently criticized rival presidential candidate Joe Biden, and denounced the press.^{[488][490]} On March 16, he acknowledged for the first time that the pandemic was not under control and that months of disruption to daily lives and a recession might occur.^[491] His repeated use of the terms "Chinese virus" and "China virus" to describe COVID-19 drew criticism from health experts.^{[492][493][494]}

Trump conducts a COVID-19 press briefing with members of the White House Coronavirus Task Force on March 15, 2020

By early April, as the pandemic worsened and amid criticism of his administration's response, Trump refused to admit any mistakes in his handling of the outbreak, instead blaming the media, Democratic state governors, the previous administration, China, and the World Health Organization (WHO).^[495] By mid-April 2020, some national news agencies began limiting live coverage of his daily press briefings, with The Washington Post reporting that "propagandistic and false statements from Trump alternate with newsworthy pronouncements from members of his White House Coronavirus Task Force, particularly coronavirus response coordinator Deborah Birx and National Institute of Allergy and Infectious Diseases Director Anthony S. Fauci".^[496] The daily coronavirus task force briefings ended in late April, after a briefing at which Trump suggested the dangerous idea of injecting a disinfectant to treat COVID-19;^[497] the comment was widely condemned by medical professionals.^{[498][499]}
