

Epstein a massage". She claims she was taken to his mansion, where he exposed himself and had sexual intercourse with her, and paid her \$200 immediately afterward.^[106]

Perversion of Justice, Miami Herald,
November 30, 2018.

A similar \$50-million suit was filed in March 2008, by a different woman, who was represented by the same lawyer.^[129] These and several similar lawsuits were dismissed.^[130]

All other lawsuits have been settled by Epstein out of court.^[131] Epstein made many out-of-court settlements with alleged victims.^[130]

Victims' rights: *Jane Does v. United States* (2014)

A December 30, 2014, federal civil suit was filed in Florida by Jane Doe 1 (Courtney Wild) and Jane Doe 2 against the United States for violations of the Crime Victims' Rights Act by the U.S. Department of Justice's NPA with Epstein and his limited 2008 state plea. There was a later unsuccessful effort to add Virginia Roberts (Jane Doe 3) and another woman (Jane Doe 4) as plaintiffs to that case.^[132] The addition accused Alan Dershowitz of sexually abusing a minor, Jane Doe 3, provided by Epstein.^[133] The allegations against Dershowitz were stricken by the judge and eliminated from the case because he said they were outside the intent of the suit to re-open the plea agreement.^{[134][135]} A document filed in court alleges that Epstein ran a "sexual abuse ring", and lent underage girls to "prominent American politicians, powerful business executives, foreign presidents, a well-known prime minister, and other world leaders".^[136]

This long-running lawsuit is pending in federal court, aimed at vacating the federal plea agreement on the grounds that it violated victims' rights.^[137] On April 7, 2015, Judge Kenneth Marra ruled that the allegations made by alleged victim Virginia Roberts against Prince Andrew had no bearing on the lawsuit by alleged victims seeking to reopen Epstein's non-prosecution plea agreement with the federal government; the judge ordered that allegation to be struck from the record.^[134] Judge Marra made no ruling as to whether claims by Roberts are true or false. Though he did not allow Jane Does 3 and 4 to join the suit, Marra specifically said that Roberts may later give evidence when the case comes to court.^[138]

On February 21, 2019, in the case of *Two Jane Does v. United States*, Senior Judge of the U.S. District Court for the Southern District of Florida Kenneth Marra said federal prosecutors violated the law by failing to notify victims before they allowed him to plead guilty to only the two Florida offenses. The judge left open what the possible remedy could be.^[139]

Virginia Giuffre v. Epstein (2015)

In a December 2014 Florida court filing by Bradley Edwards and Paul G. Cassell meant for inclusion in the Crime Victims Rights Act lawsuit,^[140] Virginia Giuffre (then known as Virginia Roberts), alleged in a sworn affidavit that at age 17, she had been sexually trafficked by Epstein and Ghislaine Maxwell for their own use and for use by several others, including Prince Andrew^[141] and retired Harvard Law professor Alan Dershowitz.^{[8][142]} Giuffre also claimed that Epstein, Maxwell and others had physically and sexually abused her.^[143] She alleged that the FBI may have been involved in a cover-up.^[144] She said she had served as Epstein's sex slave from 1999 to 2002, and had recruited other underage girls.^[145] Prince Andrew, Epstein, and Dershowitz all denied having had sex with Giuffre. Dershowitz took legal action over the allegations.^{[146][147][148]} Giuffre filed a defamation suit against Dershowitz,

Epstein attended local public schools, first attending Public School 188, and then Mark Twain Junior High School nearby.^[26] In 1967, Epstein attended the National Music Camp at the Interlochen Center for the Arts.^[29] He began playing the piano when he was five.^[30] He graduated in 1969 from Lafayette High School at age 16, having skipped two grades.^{[31][32]} Later that year, he attended classes at Cooper Union until he changed colleges in 1971.^[31] From September 1971, he attended the Courant Institute of Mathematical Sciences at New York University, but left without receiving a degree in June 1974.^{[31][32]}

Career

Teaching

Epstein started working in September 1974 as a physics and mathematics teacher for teens at the Dalton School on the Upper East Side of Manhattan.^{[31][33]} Donald Barr, who served as the headmaster until June 1974,^{[34][35][36]} was known to have made several unconventional recruitments at the time, although it is unclear whether he had a direct role in hiring Epstein.^{[33][37][38]} Three months after Barr's departure, Epstein began to teach at the school, despite his lack of credentials.^[38] Epstein allegedly showed inappropriate behavior toward underage students at the time.^{[33][37]} He became acquainted with Alan Greenberg, the chief executive officer of Bear Stearns, whose son and daughter were attending the school. Greenberg's daughter, Lynne Koepfel, pointed to a parent-teacher conference where Epstein influenced another Dalton parent into advocating for him to Greenberg.^[35] In June 1976, after Epstein was dismissed from Dalton for "poor performance",^{[33][39][40]} Greenberg offered him a job at Bear Stearns.^{[30][41]}

Banking

Epstein joined Bear Stearns in 1976 as a low-level junior assistant to a floor trader.^[42] He swiftly moved up to become an options trader, working in the special products division, and then advised the bank's wealthiest clients, such as Seagram president Edgar Bronfman, on tax mitigation strategies.^{[32][43][44]} Jimmy Cayne, the bank's later chief executive officer, praised Epstein's skill with wealthy clients and complex products. In 1980, four years after joining Bear Stearns, Epstein became a limited partner.^[42]

In 1981, he was asked to leave Bear Stearns for, according to his sworn testimony, being guilty of a "Reg D violation".^{[45][32][30]} Even though Epstein departed abruptly, he remained close to Cayne and Greenberg and was a client of Bear Stearns until its collapse in 2008.^[42]

Financial consulting

In August 1981, Epstein founded his own consulting firm, Intercontinental Assets Group Inc. (IAG),^[46] which assisted clients in recovering stolen money from fraudulent brokers and lawyers.^[30] Epstein described his work at this time as being a high-level bounty hunter. He told friends that he worked sometimes as a consultant for governments and the very wealthy to recover embezzled funds, while at other times he worked for clients who had embezzled funds.^{[30][47]} Spanish actress and heiress Ana Obregón was one such wealthy client, whom Epstein helped in 1982 to recover her father's millions in lost investments, which had disappeared when Drysdale Government Securities collapsed because of fraud.^[48]

Liquid Funding was initially 40 percent owned by Bear Stearns. Through the help of the credit rating agencies – Standard & Poor's, Fitch Ratings and Moody's Investors Service – the new bundled securities were able to be created for companies so that they got a gold-plated AAA rating. The implosion of such complex securities, because of their inaccurate ratings, led to the collapse of Bear Stearns in March 2008 and set in motion the financial crisis of 2007–2008 and the subsequent Great Recession. If Liquid Funding were left holding large amounts of such securities as collateral, it could have lost large amounts of money.^{[65][67]}

Investments

Hedge funds

Between 2002 and 2005, Epstein invested \$80 million in the D.B. Zwirn Special Opportunities Fund, a hedge fund that invested in illiquid debt securities.^{[68][69]} In November 2006, Epstein attempted to redeem his investment after he was informed of accounting irregularities in the fund.^[70] By this time, his investment had grown to \$140 million. The D.B. Zwirn fund refused to redeem the investment. Hedge funds that invest in illiquid securities typically have years-long "lockups" on their capital for all investors and require redemption requests to be made in writing 60 to 90 days in advance.^[68] The fund was closed in 2008, and its remaining assets of approximately \$2 billion, including Epstein's investment, were transferred to Fortress Investment Group when that firm bought the assets in 2009.^{[68][69]} Epstein later went to arbitration with Fortress over his redemption attempt. The outcome of that arbitration is not publicly known.^[68]

LEVERAGE HEDGE FUND.^{[68][72]} THIS FUND WAS HIGHLY LEVERAGED IN
MORTGAGE-BACKED COLLATERALIZED DEBT OBLIGATIONS (CDOs).^[72]

On April 18, 2007, an investor in the fund, who had \$57 million invested, discussed redeeming his investment.^[73] At this time, the fund had a leverage ratio of 17:1, which meant for every dollar invested there were seventeen dollars of borrowed funds; therefore, the redemption of this investment would have been equivalent to removing \$1 billion from the thinly traded CDO market.^[74] The selling of CDO assets to meet the redemptions that month began a repricing process and general freeze in the CDO market. The repricing of the CDO assets caused the collapse of the fund three months later in July, and the eventual collapse of Bear Stearns in March 2008. It is likely Epstein lost most of this investment, but it is not known how much was his.^{[73][72]}

The government began negotiation with Epstein for a plea agreement in mid-2007, as the hedge fund began to collapse.

By the time that the Bear Stearns fund began to fail in May 2007, Epstein had begun to negotiate a plea deal with the U.S. Attorney's Office concerning imminent charges for sex with minors.^{[68][71]} In August 2007, a month after the fund collapsed, the U.S. attorney in Miami, Alexander Acosta, entered into direct discussions about the plea agreement.^[71] Acosta brokered a lenient deal, according to him, because he had been ordered by higher government officials, who told him that Epstein was an individual of importance to the government.^{[52][53]} As part of the negotiations, according to the Miami Herald, Epstein provided "unspecified information" to the Florida federal prosecutors for a more lenient sentence and was supposedly an unnamed key witness for the New York federal prosecutors in their unsuccessful June 2008 criminal case against the two managers

The Miracle

Faith in Love

The tightly woven suppression of the attack that had bore the deep seeded wounds of displeasure, disgust and dismay slowly began to ebb into the background of her fearful mind, as she embraced the moment and took the handsome , delicately woven embrace into her arms and allowed him to take her to a place that she had forbidden for years.

The delicate petals of the rose that were plucked decisively from the bud of the flower, dropped softly through the warm air of the summers breeze, that flowed through the open bedroom window and delicately fell upon the warm nakedness of her skin, reaching the length of her bareness, from shoulder to the tips of her toes, in a sensual dance of his displayed sensual pleasures.

The petals of the delicate red rose that lay upon the length of her body fell to the soft mattress beneath her as each sensual touch of his fingertips stroked the untouched nakedness of her flesh, evoking her desire. One by one they fell as he slowly reached his face towards her lips and gently kissed her passionately.

Slowly and gently he soothed her fears with each beautiful word that fell gracefully from his lips and filled her mind with the calmness of which she had sought and craved.

His fingers a soft, soothing sensuality of trust stroked the delicate softness of her skin and played with the thoughts that started to form within her mind, her freedom from the damaging entrapment of the attack, of which she had suffered and kept locked within the confines of her suppression and celibacy.

RE: COMPLAINT REFERENCE NUMBER: [REDACTED]

Thanks for the chance to talk about your Optus mobile service with account number [REDACTED]

I refer to your recent communication with Optus, wherein you advised that you had been the victim of fraudulent activity. You have advised that you contacted Optus approx. 2-3 months ago to make a payment arrangement and spoke with a staff member you feel was not actually an Optus representative and this time you state the following issues:

- received blocked and altered text messages and there is evidence of phone calls that the consumer states she never made.
- noticed excess usage on her mobile, and saw her bills jump dramatically after this time.

You have another mobile-0437 199 381(Optus) and that some photos from August were accidentally deleted.

-Please note the mobile number you have provided of [REDACTED] is not an Optus number and is not listed on Optus systems.

To enable Optus to investigate this matter, it would be appreciated if you would provide a Statutory Declaration which sets out the details of your dispute. To assist you, we have enclosed a Statutory Declaration for you to complete and return.

It is important that the Statutory Declaration contains as much detail as possible, including:

- Your personal details; Name, DOB, residential address, occupation, employer and your daytime contact phone number/s
- Full explanation of what (including account reference / number) you are disputing and the reason you are disputing ownership of this account
- Confirmation as to whether you currently or previously have held an Optus service - and the relevant service or account details.
- Confirmation as to whether or not any other person is / was authorised to act on your behalf
- Any other relevant information that may assist Optus to investigate and resolve this dispute.

*** Start of Extreme Sexual Targeting - 2014 - 2016**

I met a man in a white Futura vehicle at the Port Pirie foreshore while sitting in my vehicle alone, isolated and unhappy. The man approached me and introduced himself to me. He sat in my vehicle while we spoke for about an hour. I then said that I had to go and left.

The next day suspecting something was happening in my home / being watched or listened to I said in the privacy of my own home, not shared with a third party - "Ok then, send your man down the beach so we can spend the day together"

I then left my place of residence and went to the beach location where I had met the man the previous day. The man appeared at the beach forefront and parked next to me within minutes of my arrival / white Futura car.

The man got into my vehicle and we spoke for a while and he made sexual advances towards me. He was smoking marijuana in my vehicle. I found this to be unusual and suspicious and said that I had to leave. I left and returned to my place of residence.

The following week I saw the same man at the front of Cheap as Chips store in Port Pirie. He stopped me to talk as I was about to enter the store and wanted to give me his phone number and informed me that he was accompanied at that moment by his ex partner and child, who walked out of the entrance of the store. I refused to accept his phone number and said I did not want to see him again.

This man resembled physically Jake Austin, Officer Port Pirie Police Department / fraudulent .05 excessive alcohol charges / Refer Stage 3

Officer Jake Austin was present at each occasion of my arrests and also the detainment of Glenside Mental Health Facility - 2014 - 2016

I purchased the white Futura vehicle from Paul Gardner, Queensland/ Port Germain SA in 2014 - 2015

This is the exact vehicle that the man at the beach owned believed to be Officer Jake Austin, Port Pirie Police Department.

The created isolation resulting from altered and blocked msgs on mobile phone connections, Telecommunication systems to family and friends continued and is still present in the year 2020.

PATTERN - ISOLATION - CREATING VULNERABILITY / EMOTIONAL COMFORT

After being single for 2 years after the traumatic relationship ceased with David Johnson and I was suffering from the created isolation, loneliness of which I had never experienced before having always been able to make friends easily and was in constant contact with my friends and family, which had ceased through the fraudulent activity / blocked and altered msgs / Telecommunication Systems, I sought a relationship on an online dating site RSVP.

FIRST CONTACT - ONLINE DATING SITE - RSVP

Antonio - Interacted via email and online dating messenger
Ceased contact - Did not meet in person

GEORGE GEORGIO - MELBOURNE VICTORIA - PORTRAYING SEEKING A RELATIONSHIP

I had met George Georgio on RSVP / Online dating site - Bank statement records
After speaking via the online dating sites messenger, exchanging phone numbers / text messages , personal email accounts for a couple of months we had decided to meet in person. I agreed to meet him as I believed that we were in the first stages of beginning a relationship. George Georgio had sent me a photograph of himself through our personal email contact. I had contacted my mother, Cynthia [REDACTED], Kadina and informed her that I had met a nice man on the internet who resided in Melbourne and we had decided to meet, that he was flying from Melbourne to Port Pirie to stay for a weekend to spend time together and get to know one another. I sent an email to my mothers email address containing the photograph of George Georgio but at the moment I sent the email my mothers computer crashed and her computer had to be sent for repairs. She did not receive the email containing the photograph.

The first arrangement of our meeting in person was cancelled due to the fact that George had stated that his father was involved in a car accident - was T-Boned as his car travelled through a set of traffic lights in Melbourne and he had been taken to hospital suffering minor injuries but was recovering well. George seemed emotionally upset by his fathers accident as I spoke to him several times on the phone during that time. One of the phone calls as I tried to call him was diverted to a call centre which I found odd. George had called me back in relation to the missed call.

George Georgio and I made further arrangements in relation to us meeting in person a few weeks after the events of his fathers car accident. We had made the arrangements via the

services of personal email and text messages - mobile phone records / 6th - 8th August 2014
During this time I had relocated from [REDACTED]
[REDACTED] on the 22nd May 2014.

I had been in [REDACTED] for approx. 2-3 months while I got to know George Georgio on the online dating site, RSVP.love.singles

Meeting in Person:

George Georgio informed me that he was flying from Melbourne to Adelaide and I had arranged to pick him up from the Adelaide Airport.

I entered the Adelaide Airport and was told by George Georgio via mobile phone to meet him near Gate 19. I had rang George Georgio on my mobile phone as I could not locate him within the airport and he informed me that I should stand near the shop glass window near the boarding area - shopping area foyer / Book shop

After meeting we left the Adelaide Airport and I drove George Georgio back towards Port Pirie. We stopped at a pub in Lower Light off the highway and stayed for about an hour while we dined and consumed a couple of drinks. George Georgio was very polite and had spoken in detail of his previously owned business dealings with multi million dollar Companies, living a lavish lifestyle and of a previous break down of a relationship that had left him financially hard shipped, had lost everything, of which he had to re-build his life by becoming a teacher and lecturer of machine operating, which he found challenging and enjoyable.

George Georgio had stayed at my place of residence, [REDACTED] for a 2 day period over the weekend. We enjoyed getting to know one another further and enjoyed various activities together within the township, as I believed we were starting a relationship.

Activities over the weekend:

- BH Club, Port Pirie - Playing eightball
- Central Hotel, Port Pirie - Dining / lunch
- Blockbuster Video - Hired movies to watch that evening together

We were served by employee of Blockbuster Video, Port Pirie by Marta Newman and sighted together by this employee.

Marta Newman and I were personally involved / friendship - Phone records

She had asked me after that weekend : "Who was that nice younger man that you were with when you came into Blockbuster?"

During that weekend George Georgio informed me (of which he had not stated during our numerous interactions via mobile phone and email) that he lived with a female whom worked in the **Mining Industry**, but that they were just good friends. Over the that weekend George Georgio had stayed in constant continuous contact with this woman via text messages and mobile phone contact, which I found to be disrespectful, odd and too close for comfort, in regards to his statement that they were only just friends. I questioned in my mind this interaction - Womanising behaviour / lying

SEXUAL ABUSE/ RAPE - UNSUSPECTING VICTIM / WITHOUT KNOWLEDGE OR CONSENT OF SEXUAL TARGETING - WITHOUT CONSENT

On the Sunday morning whilst I slept along side George Georgio in my bed, [REDACTED]
[REDACTED] I was suddenly awoken by the touch of George Georgio having sex with me while I slept and did not have time to react to stop his penetration before he had finished. A matter of minutes between start and finish of penetration.

I had not planned or consented to having sex with George Georgio as I believed that we were

The day before I met Paul Gardner I had said in the privacy of my own home/bedroom:
"It's not like I'm going to meet anybody while I'm doing the shopping and paying the bills is it"

I was griping to myself as I had been isolated and was lonely. I was unaware that the isolation had been caused by the interference / illegal activity conducted by the targeting or that I was a victim of targeting and sexual targeting at that time.

Paul Gardner was in the Coles supermarket, Port Pirie at the precise moment that I was in there and made an attempt to attract my attention and pursue me. I met Dennis on a dating site September 2014.

First phone contact occurred 9th October 2014.

I had only just met Paul Gardner and had not been on a date with him until 30th October 2014, Smelters Picnic, Port Pirie. I had not made a commitment to Paul Gardner in the form of a relationship at this time so did not cease my contact with Dennis or remove my profile from the dating site.

Dennis and I kept in contact continuously getting to know one another. Dennis started to make sexual advances through sexual overtones of his messages.

I kept talking to Dennis via mobile text messages and phone calls while starting to date Paul Gardner.

* On 25th December 2014 I received a phone call from Dennis stating that while he was attending a gathering with friends for Christmas he was approached by two police officers, assumed to be metropolitan area and chatted to. He said that the conversation with the police officers was very unusual and made him quite nervous.

Dennis ceased all contact after that date.

I met David on a dating site February 2015.

We exchanged messages via the dating site message services.

David provided his phone number and asked to exchange phone numbers. I agreed after speaking to him for about a month through the dating site messenger service.

First phone contact 8th March 2015.

I was dating Paul Gardner at the time , meeting him October 2014.

I had been dating Paul Gardner for about 4 months but had not made a commitment to a relationship and did not remove my profile from the dating site.

David and I exchanged text messages until the 12th March 2015.

I ceased all contact with David because his messages became sexual and distasteful ,which made me feel very uncomfortable and uneasy about interacting further with him.

I did not contact him again and changed my phone number November 2015.

In April 2020 I contacted an Australian company, Solinnov seeking software development for my registered business JC INNOVATIONS.

I spoke to the Development Director Sanka Piyaratna.

Sanka informed me that his company designs and develops sophisticated Satellite and radio Frequency Technology for the Government and Military Forces.

Sanka informed me that they were unable to develop the software needed for the commercial product designs of my business JC INNOVATIONS but offered to assist me if I provided a NDA for him to sign. Sanka informed me that he has software developer contacts in Israel and would assist me in contacting his contacts for the developments.

I sent the NDA via email services / Toshiba Laptop reported as hacked - Refer to Stage 1C Fraudulent Activity Computer Hacking / Silicon Knights

PH: [REDACTED]

PERSONAL CONTACT :

Client of Wesley Uniting care, Port Pirie 2007 - 2016.

Andrew Hadert had access to personal information as a client of this service.

Andrew Hadert was involved in Stage 1C Fraudulent Activity / Creating debt resulting in
financial hardship - Refer to Stage 1C Fraudulent Activity Wesley Uniting Care

First personal contact : 4th December 2014

Andrew Hadert propositions me during a meeting regarding Financial concerns and asked
me if I would be interested in doing his ironing on a cash in hand basis - \$50.00 per basket of
ironing. Considering the financial position I had been placed in due to the Fraudulent
Activity of which I was unaware was being conducted I agreed.

Andrew Hadert then gained access to my place of residence through this proposition.

Andrew Hadert supplied his personal mobile number for contact for this service but then
proceeded to become personally involved by personal messages involving his family situa-
tion.

My knowledge of his personal information:

- Continuous contact of a personal nature - Phone records
- Andrew Hadert informed me of his personal situation of going through a divorce,
having 2 children, a son and a daughter between the ages of 8 - 10 years of age
- Going to Sydney for a business meeting - Mobile messages from Adelaide Airport and
Sydney Airport

I was dating Paul Gardner at the time, who I had met in October 2014, of my interaction
with Andrew Hadert of which I was led to believe was of a employment proposition / cash in
hand of doing his ironing / his intention.

Andrew Hadert persisted in the messages becoming of a personal nature of which I was led
to believe was his emotional vulnerability of going through a divorce of which I had suffered
myself in 2007 and felt compassionate towards him and gave him my support when he
needed to talk.

* The messages started to become sexual in nature which made me wary of his intentions in
2015.

While dating Paul Gardner - Threat of Prostitution involving the Government occurred 2015.

Andrew Hadert then proceeded to become sexually abusive during this period with numerous sexual overtones to his messages - Vicious harassment / Paul Gardner / Zac / Andrew Hadert - Phone records - Fleeing from my home to friends in fear and stalked down the footpath by the Port Pirie Police Department, Jake Austin and Hanna O'Neil both involved in Sexual Targeting - Refer to 2012 - 2014 Creating isolation / White Futura vehicle Jake Austin

Refer to file 2014 - 2016 Extreme Sexual Targeting / Portside Tavern Police Involvement Resulted in Stage 3 Police Targeting .05 Jake Austin / Hanna O'Neil Fraudulent Charges and fines of Excessive Alcohol / Non Conviction, court records obtained by Bill Otham, Voumard Lawyers, Port Pirie / recorded on my licence record as a conviction and loss of demerit points and Fines record of fines and payments.

During this period Andrew Hadert persisted with sexual messages involving his fantasies. He asked me if I would dress up in a maids outfit and role play sexually with him. I refused and told him I was not interested.

The next contact with Andrew Hadert when he came and picked his ironing up from my place of residence [REDACTED] involved Andrew Hadert asking me out on a date., He said that he wanted to take me up into the small townships within the Flinders Ranges for lunch. I refused. I told him that I was not interested in him this way.

Andrew Hadert ceased the ironing job that he had given me and did not proposition me again or come to my place of residence again.
I ceased all contact with Andrew Hadert in July 2015 / phone records.

I started to report the fraudulent activity and suspicion of being sexually targeted or targeted in October 2015 - Telecommunications Ombudsman / phone records

I changed my number mobile phone number November 2015 due to vicious harassment and ceased all contact, removed all profiles from dating sites and social media platforms.

I entered Wesley Uniting Care, Port Pirie and asked to speak to Andrew Hadert concerning Freedom of Information Act application and was informed that he had resigned from the Managers position and relocated. I proceeded with the application and received the information through this act.

While investigating the Freedom of Information documents I had received I discovered the document containing an extract from Andrew Haderts personal diary and discovered that he had been watching the movements of my youngest son, Corey in the privacy of my own home and recording his movements, Corey was born on 1st September 1998 and was a teenager and was almost the legal age to move out of home so did not require to be watched by children's services involving any form of neglect or suspicious activity.

ANDREW HADERT INTENTION : CREATING PERSONAL CONTACT

I went to Adelaide on the 29th October with a friend Matthew / Mat who I had met in Port Pirie. I had met Matthew in the Port Pirie McDonalds carpark walking from the Port Pirie Court House. I had phone contact with Matthew / mat that did not record on my mobile phone records. Matthew abandoned me / left the Adelaide casino with a man he had met on the Adelaide Casino roof top early hours of the morning, 30th October 2015.

DAVID PORT PIRIE - MANAGER : CENTRAL MOTEL, PORT PIRIE

I was approached by David, Manager Central Motel, Port Pirie while sitting in the beer garden of the Portside Tavern alone. David approached me and asked he could sit with me to have a drink with me - Exact location at the precise time I am in that location (pattern) Although I felt suspicious of the unusual activity that was occurring around me I agreed as a strategy to collect as much information I could to supply to the correct authority's outside of Port Pirie's region for investigation and assistance. I was now becoming very fearful for my own and my children's safety and felt I needed to collect as much information as possible in the township of Port Pirie (which I believed at this time where it was confined to and involved the Medical Business Plan Theft, Michael Fetherstonhaugh, Roger Kirchner, Dr Kajani) to uncover what was happening and supply the information to the right authorities for assistance.

After having a drink with David he invited me back to the Central Motel to continue our conversation and to attend to his employment position. I stayed for about 2 hours. David supplied his phone number and asked if I would like to go out for dinner with him the next evening. I agreed.

The next evening I met David at the International Hotel, Port Pirie where we had dinner and then went back to the Central Motel to watch a movie together. During this time David informed me of his ex girlfriend who had a drug addiction problem and was a mother of an infant child, approx 13 months of age, who David was the father and cared for the infant regularly at the Central Motel, Port Pirie where he resided.

David showed me a room of the motel that was set up for an infant child, portable cot and toys.

I stayed for approx 2 hours and returned the next afternoon as I felt intuitive about the information that I was collecting.

The next afternoon when I returned to the Central Motel, Port Pirie David stated that he had just attracted and secured 4 Telstra contractors to accommodation at the motel of which he was the Manager - **Suspicion of Sexual Targeting within the township - Telstra (Government owned Corporation) - Contactors exact location at precise time I am in that location / Central Motel, Port Pirie**

That afternoon David introduced me to a long term personal relationship / friend of his named **Carlo** who also resided in Port Pirie - **Refer to section Reece Smith**

David made sexual advances that afternoon. I refused his advances and left the establishment.

I ceased all contact with David and did not return to the Central Motel, Port Pirie

REECE SMITH PORT PIRIE - BROTHER OF NICK SMITH, OWNER OF THE TERRACE CHICKEN BAR, THE TERRACE, PORT PIRIE

I was approached by Reece Smith while sitting at the Central Hotel alone one evening and asked if he could have drink with me (Pattern forming - David).

I agreed suspicious of his intentions and becoming aware of a pattern forming because of the same approached used by David, Central Motel Manager, Port Pirie.

During a two day interaction with Reece Smith he informed me that his brother, **Nick Smith** was the owner of The Terrace Chicken Bar, Port Pirie (my previous employment position 2010 - 2011 - Work related connection Tracey, Tahlia, Portside Tavern Sexual Targeting Police Involvement) - **Nick Smith / Refer to Report Jake and Reggie**

Reece Smith informed me of his personal affiliations with known motorcycle gang members, which had included his association with his ex partner, who was personally associated with motorcycle gangs

Reece Smith informed me during a text message when I sent him a message **"I thought you were the Ice man"**

I did not know who the **"Ice man"** was and what his reply had meant. I questioned this reply.

Reece Smith then replied **"The Ice man, you know Carlo"**

Refer to Report - David, Central Motel Manager, Port Pirie / Introduction to Carlo

Carlo - Drug related / Ice Distribution in regional areas of South Australia - Refer to Connections

Reece Smith took me to his sisters home to retrieve his belongings, located Balmoral Road, Port Pirie, directly across from the BP Service Station on the corner of The Terrace and Balmoral Road, Port Pirie - **Tammy Foster, Manager - Refer to file 2014 - 2016 Extreme Sexual Targeting Portside Tavern Police Involvement.**

One week following me accompanying Reece Smith to his sisters home I noticed a For Sale sign, **LJ Hooker Real Estate, Port Pirie / re-named Lavis Real Estate** at the front of Reece Smith's sisters home. 1 Month following this For Sale sign placed at the front of Reece Smith's home I noticed a sold sign on the For Sale sign - Suspicious quick sale of home and location of Reece Smith and Nick Smith's sister due to my knowledge of her place of residence - Knowledge of Illegal Activity involving her brothers and involvement herself **Refer to Stage 1C Fraudulent Activity Real estate / Created debt / LJ Hooker / Lavis Real Estate - Phil Lavis, Natalie McMahon, Port Pirie - Natalie is daughter of McMahons Corporation / Involvement**

Reece Smith made sexual advances. I refused his advances and ceased all contact.

[REDACTED] The Terrace Chicken bar, Port Pirie - I applied for my previous position of which Tracey, my former work colleague had placed a good report in for me and recommended me being re-instated into my former employment position. I was denied this employment position and informed by Tracey that the new owner had employed an inexperienced person who had no previous experience in that employment position to fill the position. The person employed named Jami Smith and is affiliated with the Red Devils Motorcycle Club, Peter Bannister and was the woman who Shaun Steel betrayed me with while in that relationship and David Johnson paid very close attentive attention to in my presence.

the father of her children)**

**Michelle, Lifeline Employee, Port Pirie - Personal Relationship through my employment in
2011 - 2012**

While sitting in the Portside Tavern beer garden I was approached by Michelle and her new boyfriend Brett (**Father of missing child India Rose (Distinctive name definition of child in possession of Paul Gardner (claiming to be his daughter, sexually molested in Queensland) and ex partner Toni, NZ, reported to Victorian Federal Police, Burke Street Head Quarters, Melbourne Victoria).** Brett had informed me of his missing child/infant daughter who had gone missing while in the possession of the infants mother (Brett's ex partner) who resided in Melbourne, Victoria during this interaction. Following this interaction I rang the **Kadina Police Station** and reported the suspicion of a Child Abduction. I was informed by the woman police officer who stated "**We are not collectors of information**" and transferred my phone call to the Port Pirie Police Station. **Jake Austin (.05 fraudulent charges and fines - Refer to Stage 3 Police Involvement)** attended this call and came to my place of residence. I felt very uneasy in the presence of Officer Jake Austin (continual presence) and reported that I had come to the conclusion that I had made a mistake and did not make a report regarding the suspicion of the missing / suspected abducted child in Paul Gardner's possession. The two police officers left my place of residence.

During this interaction with Michelle and Brett while sitting together in the Portside Tavern we were approached by two males who were introduced to me as Jake and Reggie by Brett who stated that they worked together (memory recollection / unsure, Cattle Station, South Australia)

NOVEMBER 2016

* PORTSIDE TAVERN PORT PIRIE - CONTRACTOR RESIDING IN WESTERN *

* AUSTRALIA - INDECENT EXPOSURE - 21st November 2016 *

I had entered the Portside Tavern, Port Pirie to talk to a woman who I sighted going into the Portside tavern, Port Pirie while walking past the establishment. I had spoken to this woman, Italian of origin while riding the bus home to my place of residence following shopping for my family. We had shared a comforting conversation and the woman was very

nice to me and stated that she quite often frequented the Portside tavern, Port Pirie to have coffee weekly with her friends.

When leaving the Portside Tavern, Port Pirie I got into my vehicle and discovered that it would not start. I sighted two younger men entering the Portside Tavern, Port Pirie and I followed them into the establishment seeking assistance to start my vehicle.

The two younger men encouraged me to sit with them to have a drink while I waited for them to assist me. I sat with the two younger men in the beer garden at the Portside Tavern. One of the younger men introduced himself as "Mat" and stated that he resided in Western Australia but was in Port Pirie on holidays. (Unusual destination for tourism)
Mat proceeded to make sexual advances and became rude in nature (arrogant and aggressive)

I became defensive and stated that I did not like his behaviour, course of conversation and that I was leaving. Mat then reached across the table and grabbed my wrist and stated "Don't you want this then" and reached down to his pants and undid his zipper and exposed himself indecently. Nudity of genitals.

I became angry with him and called him a rude pig and got up to leave. Mat stood up from the table and grabbed my arm. I reached out with my other hand to slap his face to make him let me go. Mat defended himself and slammed my hand down onto the table aggressively and would not let me go before pushing me backwards. I fell to the ground.

A woman that was sitting on the other table in the beer garden jumped on top of me and was going to fight me (hurt me). I grabbed the back of her hair and the woman froze. The woman's friend yelled at me "Let her go, let her go"

I let go of the woman that was on top of me and was rushed inside to the Portside Tavern and told to get in the Taxi that was waiting for me.

That evening I took photographs of the bruising I suffered to my hands and wrists from the conflict of the attack.

Two weeks later I entered the Port Pirie Police Station to report the incident and get police assistance.

I was taken into an interview room and spoke to Detective Leigh Gwilym - BSGT [REDACTED]

Report Number : [REDACTED]

Date ; 7th December 2016

Detective Leigh Gwilym stated that he was not able to investigate this matter because ;
"I can't investigate as there's police officers involved"

Detective Leigh Gwilym informed me that he was unable to investigate the report I made on the incident at the Portside Tavern, Port Pirie as the Security Footage was not working that day (Repeated pattern of denied security footage at the Portside Tavern, Port Pirie)
Managers Brad and Janette - Knowledge

Detective Leigh Gwilym then proceeded to state two days after I reported the incident that the witness's he questioned in relation to this incident had conflicting stories to mine.

In question : Security footage was not obtained to know who was in the beer garden to question as witnesses.

I was in the beer garden not inside the establishment where the employee's of the establishment were working - no witnesses

Who did Detective Leigh Gwilym know who to question?

The only witnesses to this event were myself, Mat, his friend and the two other women sitting at the other table, not on security footage as it was not working on the day.

Relocated following detention Glenside Mental Health Facility from Port Pirie to parents

diagnosis of Schizophrenia, side effects of medication - Suicidal Tendencies

I was under the impression that the illegal targeting and activity was confined to Port Pirie
and revolved around the contesting of the Intellectual property Theft of the Medical
Business Plan and M.S.I.C, communication tool developed between the years of 2006 - 2012.

I believed that the targeting involved Roger Kirchner, Michael Fetherstonhaugh and Dr
Kajani all residing in Port Pirie. I received a denial of investigation and the activity from
I.C.A.C 2016 - 2017 and believed that I could not take the matter any further and that the
activity that had ceased following relocation had ceased due to the relocation to Kadina.

I packed away the evidence and stopped contesting and reporting the illegal activity and
Intellectual Property Theft and continued to rebuild my life and my work on the book
development. I gained employment in the local area of Kadina and sought a publishing
contract for my book which I had completed in 2018. **Refer to letter - Austin Macauley
Publishers, London 28th March 2018 / approval of manuscript and contract 2018.**

I then proceeded to work on a second book development as my intention was to turn the
book into a three part series, which I succeeded in obtaining a contract on the second book
with Austin macauley Publishers, London in 2019. **Refer to letter - Austin Macauley
Publishers, London / approval of manuscript and contract 17th February 2020.**
