

Epstein a massage". She claims she was taken to his mansion, where he exposed himself and had sexual intercourse with her, and paid her \$200 immediately afterward.^[106]

Perversion of Justice, Miami Herald, November 30, 2018.

A similar \$50-million suit was filed in March 2008, by a different woman, who was represented by the same lawyer.^[129] These and several similar lawsuits were dismissed.^[130]

All other lawsuits have been settled by Epstein out of court.^[131] Epstein made many out-of-court settlements with alleged victims.^[130]

Victims' rights: *Jane Does v. United States* (2014)

A December 30, 2014, federal civil suit was filed in Florida by Jane Doe 1 (Courtney Wild) and Jane Doe 2 against the United States for violations of the Crime Victims' Rights Act by the U.S. Department of Justice's NPA with Epstein and his limited 2008 state plea. There was a later unsuccessful effort to add Virginia Roberts (Jane Doe 3) and another woman (Jane Doe 4) as plaintiffs to that case.^[132] The addition accused Alan Dershowitz of sexually abusing a minor, Jane Doe 3, provided by Epstein.^[133] The allegations against Dershowitz were stricken by the judge and eliminated from the case because he said they were outside the intent of the suit to re-open the plea agreement.^{[134][135]} A document filed in court alleges that Epstein ran a "sexual abuse ring", and lent underage girls to "prominent American politicians, powerful business executives, foreign presidents, a well-known prime minister, and other world leaders".^[136]

This long-running lawsuit is pending in federal court, aimed at vacating the federal plea agreement on the grounds that it violated victims' rights.^[137] On April 7, 2015, Judge Kenneth Marra ruled that the allegations made by alleged victim Virginia Roberts against Prince Andrew had no bearing on the lawsuit by alleged victims seeking to reopen Epstein's non-prosecution plea agreement with the federal government; the judge ordered that allegation to be struck from the record.^[134] Judge Marra made no ruling as to whether claims by Roberts are true or false. Though he did not allow Jane Does 3 and 4 to join the suit, Marra specifically said that Roberts may later give evidence when the case comes to court.^[138]

On February 21, 2019, in the case of *Two Jane Does v. United States*, Senior Judge of the U.S. District Court for the Southern District of Florida Kenneth Marra said federal prosecutors violated the law by failing to notify victims before they allowed him to plead guilty to only the two Florida offenses. The judge left open what the possible remedy could be.^[139]

Virginia Giuffre v. Epstein (2015)

In a December 2014 Florida court filing by Bradley Edwards and Paul G. Cassell meant for inclusion in the Crime Victims Rights Act lawsuit,^[140] Virginia Giuffre (then known as Virginia Roberts), alleged in a sworn affidavit that at age 17, she had been sexually trafficked by Epstein and Ghislaine Maxwell for their own use and for use by several others, including Prince Andrew^[141] and retired Harvard Law professor Alan Dershowitz.^{[8][142]} Giuffre also claimed that Epstein, Maxwell and others had physically and sexually abused her.^[143] She alleged that the FBI may have been involved in a cover-up.^[144] She said she had served as Epstein's sex slave from 1999 to 2002, and had recruited other underage girls.^[145] Prince Andrew, Epstein, and Dershowitz all denied having had sex with Giuffre. Dershowitz took legal action over the allegations.^{[146][147][148]} Giuffre filed a defamation suit against Dershowitz,

Sarah Ransome v. Epstein and Maxwell (2017)

In 2017, Sarah Ransome filed a suit against Epstein and Maxwell, alleging that Maxwell had hired her to give massages to Epstein and later threatened to physically harm her or destroy her career prospects if she did not comply with their sexual demands at his mansion in New York City and on his private Caribbean island, Little Saint James. The suit was settled in 2018 under undisclosed terms. [161][162]

Epstein was accused of sex trafficking of minors at his mansion at 9 East 71st Street.

Bradley Edwards' defamation v. Epstein (2018)

A state civil lawsuit in Florida filed by attorney Bradley Edwards against Epstein was scheduled for trial in December 2018. The trial was expected to provide victims with their first opportunity to make their accusations in public. However, the case was settled on the first day of the trial, with Epstein publicly apologizing to Edwards; other terms of the settlement were confidential. [137][163]

Maria Farmer v. Epstein and Maxwell (2019)

TARGETED VICTIM - FIRST SEXUAL TARGETING - POLICE OFFICER - 16 YRS COV - KADINIA
On April 16, 2019, Maria Farmer went public and filed a sworn affidavit in federal court in New York, alleging that she and her 15-year-old sister, Annie, had been sexually assaulted by Epstein and Maxwell in separate locations in 1996. Farmer met Epstein and Maxwell at her graduate art gallery reception at the New York Academy of Art in 1995. The following year, in the summer of 1996, they hired her to work on an art project in Leslie Wexner's Ohio mansion, where she was then sexually assaulted. [164] Farmer reported the incident to the New York City Police Department and the FBI. [165]

Farmer's affidavit also stated that during the same summer, Epstein flew her then-15-year-old sister to his New Mexico property where he and Maxwell sexually abused her on a massage table. [166]

Jennifer Araoz v. Epstein and Maxwell (2019)

On July 22, 2019, while in jail awaiting trial, Epstein was served with a petition regarding a pending state civil lawsuit filed by Jennifer Araoz. [167] She stated that an associate for Epstein had recruited her outside Talent Unlimited High School at age 14 and she was gradually groomed for over a year before Epstein raped her in his New York City mansion when she was 15. [168] Araoz filed her suit on August 14, 2019, when New York State law was updated to allow one year for adult survivors of child sexual abuse to sue for previous offenses, regardless of how long ago the abuse took place. [169] In October 2019, Araoz amended her complaint to include over 20 corporate entities associated with Epstein and named the additional individuals Lesley Groff and Kimberly Espinosa as enablers. [170]

Epstein attended local public schools, first attending Public School 188, and then Mark Twain Junior High School nearby.^[26] In 1967, Epstein attended the National Music Camp at the Interlochen Center for the Arts.^[29] He began playing the piano when he was five.^[30] He graduated in 1969 from Lafayette High School at age 16, having skipped two grades.^{[31][32]} Later that year, he attended classes at Cooper Union until he changed colleges in 1971.^[31] From September 1971, he attended the Courant Institute of Mathematical Sciences at New York University, but left without receiving a degree in June 1974.^{[31][32]}

Career

Teaching

Epstein started working in September 1974 as a physics and mathematics teacher for teens at the Dalton School on the Upper East Side of Manhattan.^{[31][33]} Donald Barr, who served as the headmaster until June 1974,^{[34][35][36]} was known to have made several unconventional recruitments at the time, although it is unclear whether he had a direct role in hiring Epstein.^{[33][37][38]} Three months after Barr's departure, Epstein began to teach at the school, despite his lack of credentials.^[38] Epstein allegedly showed inappropriate behavior toward underage students at the time.^{[33][37]} He became acquainted with Alan Greenberg, the chief executive officer of Bear Stearns, whose son and daughter were attending the school. Greenberg's daughter, Lynne Koeppel, pointed to a parent-teacher conference where Epstein influenced another Dalton parent into advocating for him to Greenberg.^[35] In June 1976, after Epstein was dismissed from Dalton for "poor performance",^{[33][39][40]} Greenberg offered him a job at Bear Stearns.^{[30][41]}

Banking

Epstein joined Bear Stearns in 1976 as a low-level junior assistant to a floor trader.^[42] He swiftly moved up to become an options trader, working in the special products division, and then advised the bank's wealthiest clients, such as Seagram president Edgar Bronfman, on tax mitigation strategies.^{[32][43][44]} Jimmy Cayne, the bank's later chief executive officer, praised Epstein's skill with wealthy clients and complex products. In 1980, four years after joining Bear Stearns, Epstein became a limited partner.^[42]

In 1981, he was asked to leave Bear Stearns for, according to his sworn testimony, being guilty of a "Reg D violation".^{[45][32][30]} Even though Epstein departed abruptly, he remained close to Cayne and Greenberg and was a client of Bear Stearns until its collapse in 2008.^[42]

Financial consulting

In August 1981, Epstein founded his own consulting firm, Intercontinental Assets Group Inc. (IAG),^[46] which assisted clients in recovering stolen money from fraudulent brokers and lawyers.^[30] Epstein described his work at this time as being a high-level bounty hunter. He told friends that he worked sometimes as a consultant for governments and the very wealthy to recover embezzled funds; while at other times he worked for clients who had embezzled funds.^{[30][47]} Spanish actress and heiress Ana Obregón was one such wealthy client, whom Epstein helped in 1982 to recover her father's millions in lost investments, which had disappeared when Drysdale Government Securities collapsed because of fraud.^[48]

According to witnesses and sources on the day of his arrest, about a dozen FBI agents forced open the door to his Manhattan townhouse, the Herbert N. Straus House, with search warrants. The search of his townhouse turned up evidence of sex trafficking and also found "hundreds - and perhaps thousands - of sexually suggestive photographs of fully - or partially - nude females". Some of the photos were confirmed as those of underage females. In a locked safe, compact discs were found with handwritten labels including the descriptions: "Young [Name] + [Name]"; "Misc nudes 1"; and "Girl pics nude".^[90] Also found in the safe were \$70,000 in cash, 48 diamonds,^[190] and a fraudulent Austrian passport, which expired in 1987, that had Epstein's photo but another name. The passport had numerous entrance and exit stamps, including entrance stamps that showed the use of the passport to enter France, Spain, the United Kingdom, and Saudi Arabia in the 1980s. Country Health SA launches Inpatient Dashboards for Port Augusta and Mount Gambier

MSIC
 Residents of Port Augusta and Mount Gambier will now be able to access up-to-date information about the amount of people being treated in their local public hospitals.

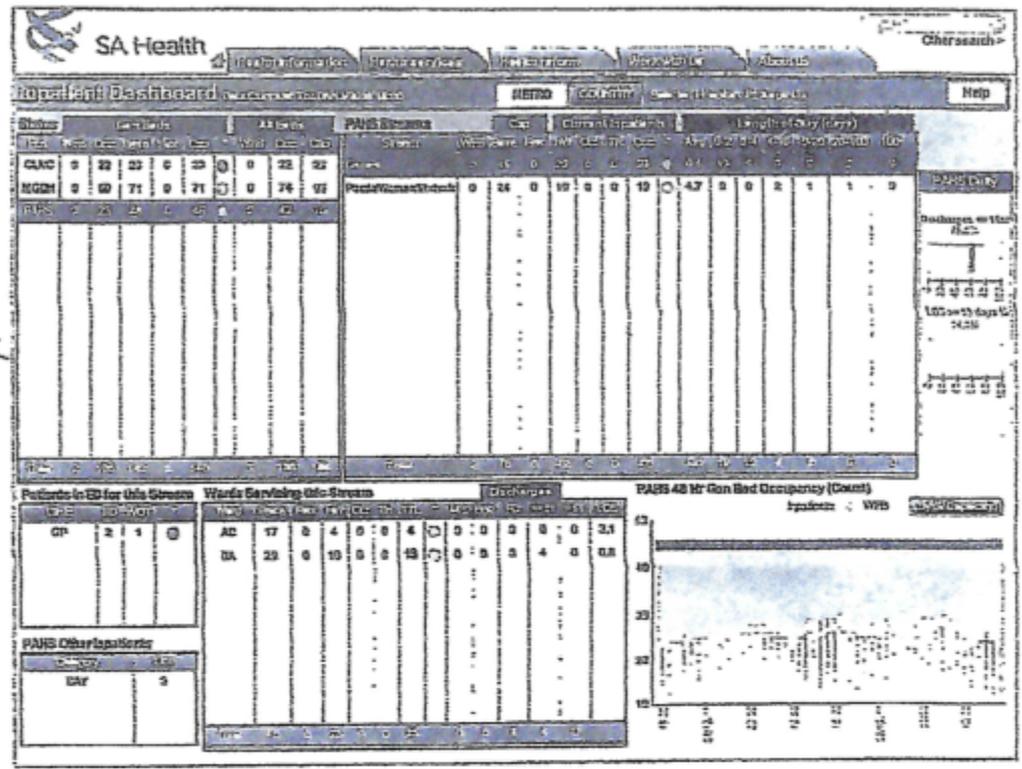

The Country Health SA Local Health Network (CHSALHN) launched inpatient dashboards for Port Augusta and Mount Gambier Hospitals following the successful release of the metropolitan data earlier this year.

Professor Belinda Moyes, Chief Executive Officer CHSA LHN said the inpatient dashboards provide country residents with an opportunity to learn more about how their hospitals are managed.

"The inpatient dashboard provides detailed information on the number of inpatients at each hospital at any one time," Professor Moyes said.

"South Australia was the first state in the country to make this level of information available to the public and we are excited to extend this technology to country residents."

"Through the dashboard the general public can gain a better understanding about how patient flow is managed in our busy hospital environments."

How to interpret this chart

This table shows a summary of the status of all inpatient beds in the Port Augusta Hospital (PAHS).

In an online environment, you can click on the chosen hospital in the table and the whole dashboard will update to show data specific to that hospital.

The dashboard displays occupancy per hospital split across 'general' beds and 'all' beds, breakdown of inpatients, the length of stay, and much more.

Professor Moyes said the dashboard, which is available online, will be updated every 30 minutes to provide real-time information about bed occupancy, average length of stay and inpatient flows.

"The dashboard also includes information specific to each hospital about the number of patients currently within each area or clinical unit at the hospital," Professor Moyes said.

"It allows people to easily see all of the different 'streams' of inpatient care that each hospital provides, such as surgical or pediatrics, and the status of each of these areas.

"Staff already use the dashboard, along with a range of other tools, to help monitor and manage capacity and ensure that patient safety is maintained.

"By releasing this data publicly we are continuing to make our health system more transparent."

How to access the Inpatient Dashboard

www.sahealth.sa.gov.au

About us > Our performance > Our hospital dashboards

To see the inpatient data for Port Augusta and Mount Gambier Hospitals go to the SA Health website, and click on About Us, and then Our performance. From there, click on the Inpatient Dashboard, and then click on the country tab at the top right of the screen to access the country hospital information.

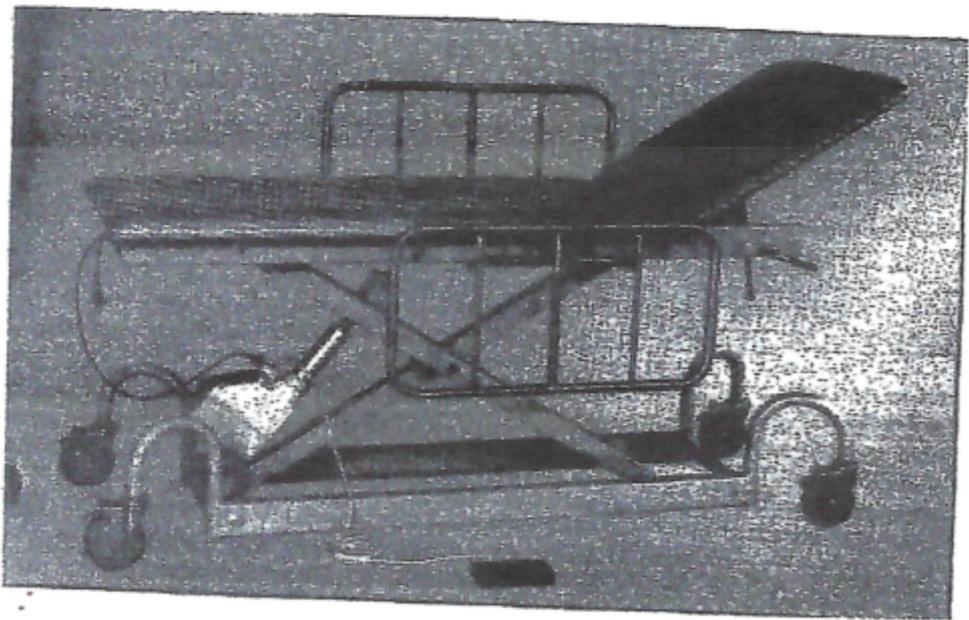

An IP Dashboard glossary and the frequently asked questions document are available online for further information.

During this phone contact I was informed that the phone call was being recorded and the information given was not to be shared with a third party during the recorded phone call. Officer Leong (woman) informed me of the issue of suspected Identity Theft (my Identity) which involved numerous bank accounts being opened in my Identity and being used for illegal purposes of Drug Trafficking, Money Laundering, Money Transfers to a corporation, Fraudulent Activity and were operating in numerous locations, from recalled memory being Queensland, ANZ, NAB, as some of the numerous accounts, and involved over 1 million dollars illegally rotating through the bank accounts. I was informed that my Tax file number was being illegally misused in Australia and that my bank accounts and tax file number would be suspended.

I was asked to provide the details of my banking institutions and the balances of the bank accounts in my name. I informed Officer Leong that I held 3 bank accounts with the Commonwealth Bank, 2 personal accounts and 1 business account, balances being \$530.00, Goal Saver account, \$10.00 - \$15.00 in the business account and \$15.00 - \$20.00 in the personal account. I reported the Fraudulent malicious Activity of a newly created business account to Joshua Adams, Business Consultant, Telstra Store, [REDACTED] who proceeded to file a report to the Fraud Department and requested an investigation into the activity - Refer to Telstra Report dated 1/10/2020

I received no reply or response from this report.

The Fraudulent and malicious Activity continued and escalated.

On the 25/03/2021 I reported the activity again to Joshua Adams, Business Consultant, Telstra Store, [REDACTED] and reported that I had not received any contact from the Fraud Department concerning the report that he had submitted. I requested a change of mobile phone number with the account still having Restricted Access applied. Joshua Adams proceeded to change the mobile phone number and did a check to ensure that the new number that I had been given was a newly created number that had not been circulated before my use, to ensure that the same activity would not occur and if it did would be seen as suspicious activity continued.

On the 25/03/2021 I reported the Fraudulent Malicious activity to Isobelle Oppeloar, Manager, Telstra Store, [REDACTED] who proceeded to file a report to a higher authority, requesting an investigation with the higher authority of the Fraud Division or CEO of Telstra, due to ongoing issues over a 10 year period of continuous Fraudulent Activity. - Refer to Letter addressed to Isobelle Oppeloar, Manager - Refer to document filed report and Case ID number

I received contact from Telstra higher authority but missed the call and am waiting for the second contact, to ring me back as informed in the voice recorded message left on my mobile phone to discuss the issue.

On the 13th April 2021 I sent a letter addressed to the CEO of Telstra Head Office, Mr Andrew Penn, Melbourne, Victoria from the Norwood Post Office branch, Adelaide informing the CEO of the continuous Fraudulent Malicious Activity that had been occurring in my personal and newly created business account with Restricted Access, and requested a thorough investigation into the activity and provided the documented evidence of the activity that had been occurring in all servers and over a long period of time, and following re-location and change of details Refer to letter addressed to CEO - Mr Andrew Penn - Telstra Head Office, Melbourne Specific Targeting of an Individual - Every location, re-location, changed servers and personal details, including change of phone numbers - Pattern of Illegal Activity

Dear [Redacted]

Thank you for your recent enquiry, and we are sorry to hear how this is affecting you.

eSafety and Adult Cyber Abuse

The eSafety Commissioner's (eSafety's) primary role in dealing with cyberbullying complaints is to assist with the rapid removal of cyberbullying material targeted at Australian children, on social media services.

Please be aware that eSafety, therefore, has no legislative power to investigate adult cyber abuse complaints, formally. However, we do work to guide people where we can and provide advice on what they can do themselves.

In the most serious cases, we will use our existing relationships and escalation pathways with social media services to effect take-down of harmful material that is considered to be serious cyber abuse in nature or, where required, we will refer the matter to law enforcement.

* Digital surveillance * - IDENTIFIED AS ILLEGAL SURVEILLANCE RESULTING IN ILLEGAL ACTIVITY

* Your situation sounds like it may be digital surveillance, which is not an area we generally handle or have experience in. You may wish to approach your email (and any other relevant) service provider about the situation.

You may also wish engage an IT consultant to assist you in this matter or a cyber digital forensic expert to assist you further and we'd encourage you to consider doing this in the meantime.

Reporting to police

If you wish to pursue this or to make a formal report to police, the following steps may help you prepare:

- Prepare a timeline of what has taken place
- Place any screenshots you have in a word document (provide a summary below each image explaining what the screenshot relates to)
- Provide copies of any URL's you may have (you can obtain the URL by copying and pasting the URL address from your browser address bar)
- If you believe you know who the person is that is targeting you online, provide as much detail about the person.

I have attached our Adult Cyber Abuse Resource sheet which contains useful eSafety and support links. You may want to reach out to support services to help you in this difficult time.

We have now finalised your matter for now and hope the above information assists you.

Regards,

Cyber Abuse Team
