

Epstein attended local public schools, first attending Public School 188, and then Mark Twain Junior High School nearby.^[26] In 1967, Epstein attended the National Music Camp at the Interlochen Center for the Arts.^[29] He began playing the piano when he was five.^[30] He graduated in 1969 from Lafayette High School at age 16, having skipped two grades.^{[31][32]} Later that year, he attended classes at Cooper Union until he changed colleges in 1971.^[31] From September 1971, he attended the Courant Institute of Mathematical Sciences at New York University, but left without receiving a degree in June 1974.^{[31][32]}

Career

Teaching

Epstein started working in September 1974 as a physics and mathematics teacher for teens at the Dalton School on the Upper East Side of Manhattan.^{[31][33]} Donald Barr, who served as the headmaster until June 1974,^{[34][35][36]} was known to have made several unconventional recruitments at the time, although it is unclear whether he had a direct role in hiring Epstein.^{[33][37][38]} Three months after Barr's departure, Epstein began to teach at the school, despite his lack of credentials.^[38] Epstein allegedly showed inappropriate behavior toward underage students at the time.^{[33][37]} He became acquainted with Alan Greenberg, the chief executive officer of Bear Stearns, whose son and daughter were attending the school. Greenberg's daughter, Lynne Koeppel, pointed to a parent-teacher conference where Epstein influenced another Dalton parent into advocating for him to Greenberg.^[35] In June 1976, after Epstein was dismissed from Dalton for "poor performance",^{[33][39][40]} Greenberg offered him a job at Bear Stearns.^{[30][41]}

Banking

Epstein joined Bear Stearns in 1976 as a low-level junior assistant to a floor trader.^[42] He swiftly moved up to become an options trader, working in the special products division, and then advised the bank's wealthiest clients, such as Seagram president Edgar Bronfman, on tax mitigation strategies.^{[32][43][44]} Jimmy Cayne, the bank's later chief executive officer, praised Epstein's skill with wealthy clients and complex products. In 1980, four years after joining Bear Stearns, Epstein became a limited partner.^[42]

In 1981, he was asked to leave Bear Stearns for, according to his sworn testimony, being guilty of a "Reg D violation".^{[45][32][30]} Even though Epstein departed abruptly, he remained close to Cayne and Greenberg and was a client of Bear Stearns until its collapse in 2008.^[42]

Financial consulting

In August 1981, Epstein founded his own consulting firm, Intercontinental Assets Group Inc. (IAG),^[46] which assisted clients in recovering stolen money from fraudulent brokers and lawyers.^[30] Epstein described his work at this time as being a high-level bounty hunter. He told friends that he worked sometimes as a consultant for governments and the very wealthy to recover embezzled funds, while at other times he worked for clients who had embezzled funds.^{[30][47]} Spanish actress and heiress Ana Obregón was one such wealthy client, whom Epstein helped in 1982 to recover her father's millions in lost investments, which had disappeared when Drysdale Government Securities collapsed because of fraud.^[48]

On July 6, 2019, Epstein was arrested by the FBI-NYPD Crimes Against Children Task Force at Teterboro Airport in New Jersey on sex trafficking charges.^{[27][185][186][187]} He was jailed at the Metropolitan Correctional Center in New York City, which has held prisoners such as John Gotti, Joaquin "El Chapo" Guzman, and Paul Manafort.^{[188][189]}

19/05/2021

According to witnesses and sources on the day of his arrest, about a dozen FBI agents forced open the door to his Manhattan townhouse, the Herbert N. Straus House, with search warrants. The search of his townhouse turned up evidence of sex trafficking and also found "hundreds - and perhaps thousands - of sexually suggestive photographs of fully - or partially - nude females". Some of the photos were confirmed as those of underage females. In a locked safe, compact discs were found with handwritten labels including the descriptions: "Young [Name] + [Name]", "Misc nudes 1", and "Girl pics nude".^[90] Also found in the safe were \$70,000 in cash, 48 diamonds,^[190] and a fraudulent Austrian passport, which expired in 1987, that had Epstein's photo but another name. The passport had numerous entrance and exit stamps, including entrance stamps that showed the use of the passport to enter France, Spain, the United Kingdom, and Saudi Arabia in the 1980s. The passport showed his place of

POLICE ADMISSION - POLICE INVOLVEMENT POLICE TARGETING

nice to me and stated that she quite often frequented the Portside tavern, Port Pirie to have coffee weekly with her friends.

When leaving the Portside Tavern, Port Pirie I got into my vehicle and discovered that it would not start. I sighted two younger men entering the Portside Tavern, Port Pirie and I followed them into the establishment seeking assistance to start my vehicle.

The two younger men encouraged me to sit with them to have a drink while I waited for them to assist me. I sat with the two younger men in the beer garden at the Portside Tavern. One of the younger men introduced himself as "Mat" and stated that he resided in Western Australia but was in Port Pirie on holidays. (Unusual destination for tourism)
Mat proceeded to make sexual advances and became rude in nature (arrogant and aggressive)

I became defensive and stated that I did not like his behaviour, course of conversation and that I was leaving. Mat then reached across the table and grabbed my wrist and stated "Don't you want this then" and reached down to his pants and undid his zipper and exposed himself indecently. Nudity of genitals.

I became angry with him and called him a rude pig and got up to leave. Mat stood up from the table and grabbed my arm. I reached out with my other hand to slap his face to make him let me go. Mat defended himself and slammed my hand down onto the table aggressively and would not let me go before pushing me backwards. I fell to the ground.

A woman that was sitting on the other table in the beer garden jumped on top of me and was going to fight me (hurt me). I grabbed the back of her hair and the woman froze. The woman's friend yelled at me "Let her go, let her go"

I let go of the woman that was on top of me and was rushed inside to the Portside Tavern and told to get in the Taxi that was waiting for me.

That evening I took photographs of the bruising I suffered to my hands and wrists from the conflict of the attack.

Two weeks later I entered the Port Pirie Police Station to report the incident and get police assistance.

I was taken into an interview room and spoke to Detective Leigh Gwilym - [REDACTED]

Report Number : [REDACTED]

Date ; 7th December 2016

Detective Leigh Gwilym stated that he was not able to investigate this matter because ;
"I can't investigate as there's police officers involved"

Detective Leigh Gwilym informed me that he was unable to investigate the report I made on the incident at the Portside Tavern, Port Pirie as the Security Footage was not working that day (Repeated pattern of denied security footage at the Portside Tavern, Port Pirie)
Managers Brad and Janette - Knowledge

Detective Leigh Gwilym then proceeded to state two days after I reported the incident that the witness's he questioned in relation to this incident had conflicting stories to mine.

In question : Security footage was not obtained to know who was in the beer garden to question as witnesses.

I was in the beer garden not inside the establishment where the employee's of the establishment were working - no witnesses

Who did Detective Leigh Gwilym know who to question?

The only witnesses to this event were myself, Mat, his friend and the two other women sitting at the other table, not on security footage as it was not working on the day.

POLICE INVOLVEMENT - FRAUDULENT ACTIVITY
OBTAINED 2021 - GOV INVOLVEMENT

I reported the Fraudulent malicious Activity of the newly created business account to Joshua Adams, Business Consultant, Telstra Store, Kadina who proceeded to file a report to the Fraud Department and requested an investigation into the activity - Refer to Telstra Report dated 1/10/2020

I received no reply or response from this report.
The Fraudulent and malicious Activity continued and escalated.

On the 25/03/2021 I reported the activity again to Joshua Adams, Business Consultant, Telstra Store, Kadina and reported that I had not received any contact from the Fraud Department concerning the report that he had submitted. I requested a change of mobile phone number with the account still having Restricted Access applied. Joshua Adams proceeded to change the mobile phone number and did a check to ensure that the new number that I had been given was a newly created number that had not been circulated before my use, to ensure that the same activity would not occur and if it did would be seen as suspicious activity continued.

On the 25/03/2021 I reported the Fraudulent Malicious activity to Isobelle Oppeloar, Manager, Telstra Store, Kadina who proceeded to file a report to a higher authority, requesting an investigation with the higher authority of the Fraud Division or CEO of Telstra, due to ongoing issues over a 10 year period of continuous Fraudulent Activity. - Refer to Letter addressed to Isobelle Oppeloar, Manager - Refer to document filed report and Case ID number
I received contact from Telstra higher authority but missed the call and am waiting for the second contact, to ring me back as informed in the voice recorded message left on my mobile phone to discuss the issue.

On the 13th April 2021 I sent a letter addressed to the CEO of Telstra Head Office, Mr Andrew Penn, Melbourne, Victoria from the Norwood Post Office branch, Adelaide informing the CEO of the continuous Fraudulent Malicious Activity that had been occurring in my personal and newly created business account with Restricted Access, and requested a thorough investigation into the activity and provided the documented evidence of the activity that had been occurring in all servers and over a long period of time, and following re-location and change of details Refer to letter addressed to CEO - Mr Andrew Penn - Telstra Head Office, Melbourne
Specific Targeting of an Individual - Every location, re-location, changed servers and personal details, including change of phone numbers - Pattern of Illegal Activity

CEO-REPLY - REMOTE ACCESS - GOV + POLICE

Ron - Telstra Head Office - 4th May 2021 - Ph: [REDACTED]
I received phone contact from Ron, Telstra Head Office following the submitted letter to Mr Andrew Penn, CEO of Telstra Head Office - Recorded Phone call.

I was informed that the reports that had been submitted over a 10 year period in Telecommunication Systems concerning continuous ongoing Fraudulent Activity in my accounts, following Restricted Access applied, change of phone numbers, change of details personal and business, change of servers and relocation was identified as Government and Police Sources Remotely Accessing servers, accounts and computer hardware to result in the Fraudulent activity that had been occurring, which included blocked contact, altered and blocked messages, blocked access to internet services, websites and contacts, impersonating of companies, unusual messages and phone calls from unknown people, blocked contact and altered messages to my children, as informed by my children and resulted in isolation in 2014 - 2016 Extreme Sexual Targeting, Police Targeting and detention. This information confirmed the details obtained in 2016 Origin Electricity account that incurred an Excessive Rise in billing that remained unexplained and resulted in the barcode being scanned as a Police Source causing the Fraudulent Activity. Townsville CC Parking Fines (Queensland Police Source).

The source of the Continuous Illegal Activity has now been identified as Government and Police Specific Targeting of an Individual over a 27 year period which resulted in the 2017 Murder to Appear as Suicide by medication as a result of Police Targeting (Detention in Glenside Mental Health Facility)

Dear Jacqueline,

Thank you for your recent enquiry, and we are sorry to hear how this is affecting you.

eSafety and Adult Cyber Abuse

The eSafety Commissioner's (eSafety's) primary role in dealing with cyberbullying complaints is to assist with the rapid removal of cyberbullying material targeted at Australian children, on social media services.

Please be aware that eSafety, therefore, has no legislative power to investigate adult cyber abuse complaints, formally. However, we do work to guide people where we can and provide advice on what they can do themselves.

In the most serious cases, we will use our existing relationships and escalation pathways with social media services to effect take-down of harmful material that is considered to be serious cyber abuse in nature or, where required, we will refer the matter to law enforcement.

Digital surveillance

IDENTIFIED AS ILLEGAL SURVEILLANCE
RESULTING IN ILLEGAL ACTIVITY

Your situation sounds like it may be digital surveillance, which is not an area we generally handle or have experience in. You may wish to approach your email (and any other relevant) service provider about the situation.

You may also wish engage an IT consultant to assist you in this matter or a cyber digital forensic expert to assist you further and we'd encourage you to consider doing this in the meantime.

Reporting to police

If you wish to pursue this or to make a formal report to police, the following steps may help you prepare:

- Prepare a timeline of what has taken place
- Place any screenshots you have in a word document (provide a summary below each image explaining what the screenshot relates to)
- Provide copies of any URL's you may have (you can obtain the URL by copying and pasting the URL address from your browser address bar)
- If you believe you know who the person is that is targeting you online, provide as much detail about the person.

I have attached our Adult Cyber Abuse Resource sheet which contains useful eSafety and support links. You may want to reach out to support services to help you in this difficult time.

We have now finalised your matter for now and hope the above information assists you.

Regards,

Cyber Abuse Team
