Dear Ms Pearce,

I write in response to your recent letter concerning the alleged theft of your business development proposals by employees of SA Health.

Investigating these matters falls outside of my portfolio responsibility. I recommend you consider raising this matter directly the Hon Stephen Wade MLC, Minister for Health and Wellbeing. You can write to the Minister at GPO Box 2555, Adelaide SA 5001.

Please be advised I am unable to refer your correspondence for action, given your reference to your complaint to the Office of Public Integrity. Section 54(3) of the *Independent Commissioner Against Corruption Act 2012* prohibits the disclosure of information that is connected to a matter that forms or is the subject of a complaint under the Act, except in very limited circumstances.

You may also wish to seek advice from the Legal Services Commission of South Australia (LSC), which provides legal aid to the public and offers a free advisory service on most legal matters. You can reach the LSC Legal Helpline on 1300 366 424.

I trust this information is of assistance.

Yours sincerely,

Dear Ms Pearce

I write in response to your letter dated 31 December 2019, enclosing a package of documents relating to your complaint.

I have reviewed your correspondence and the associated documents. I understand that your primary concern is that employees of SA Health allegedly stole your business development plans in Port Pirie between 2007 and 2011.

While I appreciate receiving your correspondence, I am unable to investigate this matter as it falls outside of my portfolio responsibilities. Matters relating to SA Health fall within the portfolio responsibility of the Minister for Health and Wellbeing, the Hon Stephen Wade MLC. You may wish to raise your concerns with Minister for Health and Wellbeing directly. You can write to his office at GPO Box 2555, Adelaide SA 5001.

I have not referred your correspondence to the Minister for Health and Wellbeing in the usual course given your reference to your complaint to the Office of Public Integrity. I remind you that section 54(3) of the *Independent Commissioner Against Corruption Act 2012* prohibits the disclosure of information that is connected to a matter that forms or is the subject of a complaint under that Act, except in very limited circumstances.

I suggest that you consider obtaining independent legal advice in relation to these matters. The Legal Services Commission of South Australia provide a free advisory service on most legal matters. The service is available by calling 1300 366 424 or (08) 8436 3555.

I also note your comments about the decriminalisation of sex work in South Australia. The Statutes Amendment (Decriminalisation of Sex Work) Bill 2018 was introduced into Parliament by the Hon Tammy Franks MLC. The Bill failed to receive the votes required in the House of Assembly on 13 November 2019. While I respect the views of my Parliamentary colleagues, it is disappointing that the Parliament denied the Bill passing to the Committee Stage.

EFTA00266980

In my view, the practice of the sale of sex has existed since time immemorial, and will continue to exist without the passage of the Bill through the Parliament. Unfortunately, the practice will occur without the protections that could have been afforded to sex workers under the Bill. Sex workers remain in a position where their health, welfare and safety is a risk and where they may be prosecuted for their work. I will consider any new legislation to decriminalise sex work that may be brought before the Parliament in the future.

Thank you for raising your concerns with me.

Yours sincerely

ATTORNEY-GENERAL

Dear Jacqueline,

Thank you for your email to Kim on Monday 4 May. I am responding on behalf of Senator Patrick.

I have looked at the documents that you dropped to our office and it is unclear what exact assistance you are seeking from Senator Patrick. Some of these issues you have raised appear to be legal or police related and unfortunately, as a Federal Senator, Senator Patrick is unable to be involved in these matters. Furthermore, our office does not have the resources or ability to investigate the types of issues raised in your documents.

Unfortunately, due to Senator Patrick's schedule and his inability to assist with your matter we are not able to arrange a meeting. I note that in the documents you dropped to our office that you had a package addressed to a Magistrate at the Adelaide Magistrate's Court. We are not able to deliver these documents on your behalf. You are welcome to pick up this package and any other of the documents you have provided to our office.

Thank you for contacting Senator Patrick and I apologise that we are not able to assist with your matter.

Kind regards,

Kirsty Kubenk | Correspondence Officer

Dear Pauline Hanson,

Thank you for your reply.

Although I do understand that i live in another state of South Australia and i am currently conducting and reporting this issue to the senators in my state, Senator Rex Patrick, Adelaide and am also reporting this crime that has been committed against me, which is extensive involving Port Pirie, Queensland, Adelaide and Kadina, to the Federal Police, Adelaide i have informed you of this information as the crime has extended to individuals within your state, including the police which has been involved in fraudulent activity and targeting. I have a copy of an electricity bill that bar code scanned as Townsville Fines Department, Queensland, which had unusually escalated dramatically over a period of time and the individuals involved in the sexual targeting reside in Queensland and therefore feel that it is then a matter for you, a senator in Queensland and must be addressed.

I would appreciate your assistance and consideration concerning this matter.

Yours Sincerely  
Jacqueline Pearce
