Dear Ms Pearce,

Thank you for contacting my office.

A complaint pursuant to the *Equal Opportunity Act 1984* (SA) must relate to a ground of discrimination protected by the Act, for example, alleged discrimination on the basis of your sex, race, age, disability, and in areas such as employment, in education and in provision of goods and services.

I understand from your correspondence that you are making complaints of police targeting, fraudulent activity, identity theft and intellectual property theft by several Government organisations. I also note that you have previously made complaints to the Independent Commissioner Against Corruption (ICAC), and have made reference to 'sexual targeting'.

My Office does not have jurisdiction to consider such complaints.

You may wish to approach the following organisations for further assistance and guidance:

- the Legal Services Commission (https://lsc.sa.gov.au/cb_pages/legal_advice.php); or
- a community legal centre (<https://www.clcsa.org.au/community-legal-centres>).

Yours sincerely
