Dear Jackie,

Your reference number is: **8481854**

### Thank you! Thank You! Thank You!

We would like to sincerely thank you for your generous contribution to our Doorknock Appeal. This year a staggering \$3.4 million was raised across Australia. Every door you knocked on and every contribution from your community helped to achieve this amazing result. Thank you.

In 2007 over 108,000 Australians took to their streets collecting door to door in order to raise vital funds for the Heart Foundation's life saving work.

As a charity, the Heart Foundation relies on the support of the community and generous volunteers like you. This is especially true for our annual Doorknock Appeal.

Since the Heart Foundation was formed in 1959 we have contributed to many wonderful advances in the fight against blood, stroke and vascular disease including:

- Australians are now 60% less likely to die from cardiovascular disease
- Doctors and clinicians now have access to best-care clinical guidelines to help patients receive world class care no matter where they live in Australia
- All Australians have access to the Heart Foundation's heart health information line for the cost of a local call – Telephone Information Service 1300 36 27 87
- There is a national free call number for emergencies - 000

Despite these tremendous advances, cardiovascular disease is still a leading killer of Australian women and men. The money you collected will be put to use funding vital research and community health programs that will improve the heart health of all Australians

As you know the Doorknock Appeal is an annual event and I would very much like to hear from you about your experiences as a volunteer collector. This information can help to ensure we are providing the best possible support to future collectors. Please feel free to write to [redacted] the above address with your comments.

I would also love to have you back to volunteer next in 2008 via our website [www.heartfoundation.com.au](http://www.heartfoundation.com.au) and 1800 55 22 55, you'll go into the draw to win one of our Healthy Cookbook sets, valued at \$75 each.

Thanks again for your support this year – we could

Yours sincerely,
