██████████  
I met a man in a white Futura vehicle at the Port Pirie foreshore while sitting in my vehicle alone, isolated and unhappy. The man approached me and introduced himself to me. He sat in my vehicle while we spoke for about an hour. I then said that I had to go and left.

The next day suspecting something was happening in my home / being watched or listened to I said in the privacy of my own home, not shared with a third party - "Ok then, send your man down the beach so we can spend the day together"

I then left my place of residence and went to the beach location where I had met the man the previous day. The man appeared at the beach forefront and parked next to me within minutes of my arrival / white Futura car.

The man got into my vehicle and we spoke for a while and he made sexual advances towards me. He was smoking marijuana in my vehicle. I found this to be unusual and suspicious and said that I had to leave. I left and returned to my place of residence.

The following week I saw the same man at the front of Cheap as Chips store in Port Pirie. He stopped me to talk as I was about to enter the store and wanted to give me his phone number and informed me that he was accompanied at that moment by his ex partner and child, who walked out of the entrance of the store. I refused to accept his phone number and said I did not want to see him again.

This man resembled physically ██████████, Officer Port Pirie Police Department / fraudulent .05 excessive alcohol charges / Refer Stage 3

The created isolation resulting from altered and blocked msgs on mobile phone connections, Telecommunication systems to family and friends continued and is still present in the year 2020.
