CONFIDENTIAL

Mr Reece Kershaw, AFP Commissioner

Dear Mr Reece Kershaw,

In addition to my previous correspondence, posted from Kadina Post Office on the 28th June 2021.

I am contacting you to provide further information concerning the files I provided on a USB flash drive on the 28th June 2021, point of first contact.

USB Flash drive contained:

- Character Reference - Timeline incomplete
- Stage 1A.1 Medical Business Plan - File complete
- Stage 1A.2 MSIC Development - File complete
- Stage 1B - Pattern of Targeting - Business Developments - File incomplete
- Stage 1C - Fraudulent Activity - File complete
- Stage 2A - Sexual Targeting - File complete - 7 files and 11 files
- Stage 2B - Reporting Illegal Activity - File complete
- Stage 3 - Police Targeting / Targeted victim and minor (targeted victims child) - File complete
- Stage 4 - Multiple Intellectual Property Theft (complete) / Psychological and Physical effects of the targeting - File incomplete

In reference to Stage 1B Pattern of Targeting, I am providing a completed file, LiL Devil Designs / J Monequic Fashion Design Businesses in a detailed form of the files that are currently under a Legal Construction to seek Legal Representation of Peter Gordon, Gordon Legal Law Firm, Melbourne, seeking Prosecution of the multiple counts of targeted illegal activity and a Lawsuit of the Multiple Intellectual Property Theft, that occurred over a 27 year period, 1993 - 2021.

As detailed in the report contained in the LiL Devil Designs file, I have been a victim of Organised Targeted Crime for 27 years, which has altered my life dramatically and traumatically. The continuous targeted Illegal Activity of the targeted victim (myself) has occurred in every location of Australia, and commenced in 1993, first recorded event of Intellectual Property Theft, occurring in the Privacy of my own home (residential address, Willamulka, SA), and is still current, active and affecting my life traumatically to this date of 2021, residing now in Kadina, SA, following relocation several times.

The continuous targeted illegal activity that is still current and active has forced me to make drastic alterations to my life to protect myself, as I am constantly endangered by the continuous criminal activity, which includes:

- Ceasing all human contact / interaction outside of the home - Isolation
- Ceasing all business developments, writing of novels under contract and career opportunities - Multiple Intellectual Property Theft 1993 - 2021- Privacy of own home
- Ceasing all family interactions - Endangerment of my children if in contact with me / threats made against my children constantly
- Cease all interactions of personal relationships or seeking a personal relationship - Sexual Targeting / rape and abuse under the act of targeted deceit

EFTA00267311

- Cease all normality of human functions and movements within the residential home or in public locations - Illegal Surveillance and shared illegal surveillance to syndicate crime figures

The file Stage 1B Pattern of Targeted Activity involving business developments resulting in Intellectual Property Theft continuously details the exact tactics and pattern of the organised crime, including syndicate crime figures involvement, which also includes connected outlaw motorcycle gang members, of which is being applied to my life, personal and professional by the targeted illegal activity. This targeted illegal activity has been confirmed and identified as Government and Police Sources, as the source of the targeted illegal activity occurring and requires an extensive urgent investigation into the information, reports, connections and documented evidence provided, as I am continuously and currently still extremely endangered, and so are my children, who reside in Melbourne, Victoria with their father, Darren McDiarmid. Due to the Remote Access being used by Government and Police sources involving Telecommunication Systems, computer hardware and phone hardware my contact with my children has been severed / blocked and I am unable to inform them or their father of the risk to their safety.

I am requesting URGENT assistance and an INVESTIGATION into this matter, as a matter of extreme urgency and importance.

As all interactions via Telecommunication Systems, email services have been remotely blocked by the source when seeking assistance, and postal services have also been intercepted anymore contact or information you require will as a matter of importance have to be conducted in person, face to face. I am requesting as a precautionary measure to myself that any face to face direct contact be conducted in the presence of Peter Gordon, Gordon Legal Law Firm, Melbourne only, for Legal and safety reasons. Arrangements of a such contact will have to be made through Peter Gordon and your contact to Peter Gordon, Gordon Legal Law Firm. As I have already incurred impersonating a law firm and blocking my contact with Peter Gordon to this law firm I recommend direct contact with Peter Gordon when making arrangements, and request Peter Gordon only, Senior lawyer of the firm.

I have provided documentation of Government Sources contacted for assistance, but who have failed to report this urgent matter to Federal Sources for assistance :

- Hon Steven Marshall, Premier of South Australia - Failed to report - 2020 - Supplied evidence
- Hon Vicki Chapman, Attorney General of South Australia - Failed to report - 2020 - Supplied evidence
- Hon Rex Patrick, Federal Government of South Australia - Failed to report - 2020 - Supplied evidence
- Hon Pauline Hanson, Senator, Queensland Government - Failed to report - 2020 - Supplied evidence
- Hon Fraser Ellis, Senator of Narungga , Kadina - Refused to report following direct request from targeted victim / direct contact in office - 2021 - Supplied evidence

I would appreciate your urgent assistance regarding this matter.

Yours Sincerely
Jacqueline Pearce

Miss Pearce

Dear Jacqueline,

Thank you sincerely for taking the time to visit me in my office on two occasions and for sharing material which you say shows multiple instances of intellectual property theft. I have now taken the time to carefully consider the entirety of all of the information, both in paper form as well as on two flash drives. Thank you for bringing this matter to my attention and I am sorry that you feel this has all happened to you. After thorough consideration I do not feel that there is anywhere I could forward these documents that has not already considered the contents of your complaint.

My personal view is that you need to find a lawyer who is willing to represent you in a civil court action alleging intellectual property theft.

I don't believe that there is any more that I can do for you.

I sincerely hope that you are able to secure a talented lawyer and that you are successful in pursuing those who you allege stole your intellectual property

Yours sincerely,

Fraser Ellis MP
