targeting of an individual is connected to Epstein and Maxwell. I have supplied documented evidence in hardcopy form of myself/the targeted victim is a Direct target of Epstein and Maxwell between the years of 2006-2013 via email / online/internet services and their involvement in my business development M.S.I.C of designing the business logo in 2010, which was received via email as MSIC%20logo. - Maxwell and Epstein under the fake identity of Adam Gurgly - 2010

In 2006-2009 I developed the business development The Specialist Medical Centre, which contained the development of M.S.I.C in this first business plan and was contacted medical specialists online via email systems in order to attract specialists to work within the established centre once established. During this period of 2009, as contained within the documented evidence supplied in hardcopy form I was also receiving emails from the Australian Government Department NEIS.

In 2011 during the business development M.S.I.C, of which Epstein and Maxwell was involved in designing the logo in 2010 and received as MSIC%20logo from this source I also received an email contact from the Australian Government Department NEIS received as NEIS%20Training. Which directly connects Epstein and Maxwell to the Australian Government sources involved and Multiple Australian Government Departments involved in the act of illegal Criminal Network targeting of an individual and evidence of the illegal targeted activity previously reported and the source responsible.
