I am a qualified Professional, and have obtained numerous Higher Education degrees, which include Business management, Business Administration, Business Development and am currently a published Author under contract with a publishing house Austin Macauley Publishers, London, UK.

In the period of 2006-2012, following a divorce and as a single mother of 4 children from the long term marriage of 14 years I commenced the development of a Medical Business Plan, involving intricate, extensive developments and objectives of designing a Specialist medical Centre that worked in conjunction with GP'S in the location of the established centre. Contained within the Medical Business Plan of 2006-2009 was the written development of M.S.I.C, Medical Professionals Communication Tool and Digital referral system, which was to work in conjunction with the Specialist Centre as the Communication tool operations of the centre. M.S.I.C was developed and completed in the years 2009-2012.

The Medical Business Plan was developed under the guidance of a Business Advisor Michael Fetherstonhaugh of the Regional Development Board, Port Pirie, of which I was a registered client between 2007-2010. All structures and developments of the Medical Business Plan, excluding conducted Market Research had remained Confidential and in Hand written form only until 2009, completion of all market research and the business plan and was then installed onto a computer in digital form in preparation for apply for funding.

In 2009, under the guidance of Michael Fetherstonhaugh I contacted Hon Jon Hill, Minister of Health, SA Medical Association to apply for funding for the completed Medical Business Plan. This resulted in the Minister of Health, Hon Jon Hill denying funding but then advised me to apply for funding with Roger Kirchner, SA Health. On this advice I conducted a meeting with Roger Kirchner, SA Health to apply for funding. I agreed to allow Roger Kirchner, SA Health to review the Medical Business Plan on a Strictly Confidential basis, of which he agreed, and proceeded to

On the second meeting with Roger Kirchner, SA Health, following his review of the Medical Business Plan, I was once again denied funding by Roger Kirchner, SA Health and advised by Roger Kirchner, SA Health to enquire about funding with the Local member of Government of Port Pirie, Geoff Brock.

On this advice I conducted a meeting with Geoff Brock, MP, Port Pirie who reviewed the Medical Business Plan quickly and then immediately denied the funding.
