Jacqueline Pearce

CONFIDENTIAL
Hon Dyson Heydon AC QC

7th April 2022

Dear Hon Dyson Heydon AC QC,

I would like to introduce myself, my name is Jacqueline Pearce and I have been an Australian citizen for 51 years. I am a highly educated Professional with multiple degrees in Business Management, Business Administration, Business Plan Development, and am an Author under contract with a Publishing House in London, Austin Macauley Publishers, and published my first novel in October 2020.

I am contacting you to request an Urgent investigation into Organised Targeted Crime involving multiple Government sources, multiple Police sources and multiple individuals involved and connected in an Organised Crime Syndicate, and connected to the Government and Police sources involved.

In 2006-2012 I was conducting a business development, a Medical Business Plan and a Medical Professionals communication tool and digital referral system M.S.I.C, which was completed in the years of 2009-2012. The business plan following completion encountered continuous denied funding by Medical associations and Government sources. This business plan resulted in Intellectual Property Theft in the possession of the SA Government, SA Health and Country Health SA, and was subjected to the Intellectual Property Theft prior to applying for funding and the completion of the business plan developments, and was still in hand written form only in the privacy of my own home.

The Intellectual Property Theft of the Medical Business Plan and M.S.I.C in the Government, SA Health and Country Health SA possession was renamed GP Plus Healthcare Centres and MISC and Patient Dashboard by the sources involved in the Intellectual Property Theft of the business plan.

In 2013 I contacted an Intellectual Property Lawyer, Johnson Lawyers and contested the Intellectual Property Theft of the Medical Business Plan and M.S.I.C. The lawyer, John James denied I had a Legal Case to contest and denied the involvement of Roger Kirchner, SA Health, Country SA in the Intellectual Property Theft and involvement in The Medical Business Plan development, following submitting documented evidence of Official Letters of Involvement I had obtained from the individuals involved in the development, which also included Roger Kirchner, SA Health, Country Health SA, which legally and obviously states his involvement in the Medical business Plan development.

Following 2013 contesting the Intellectual Property Theft of the Medical Business Plan and M.S.I.C I began to encounter unusual patterns of activity, which involved :

- Fraudulent and malicious activity in Telecommunication systems resulting in altered and blocked contact, which resulted in Isolation from any form of social of business contact

EFTA00268024

- Excessive rise in billing of utilities accounts involving, SA Water, Electricity accounts (all servers), Telecommunication Systems accounts (all servers) and gas accounts - Fraudulent activity - Fraudulent created debts
- Missing monies from personal income accounts, which included Centrelink and Child Support - Government Departments
- Missing funds and illegal access of Bank accounts in various Banking Institutions
- Unusual interest and attention socially within the township of Port Pirie by unknown people (men) to me - Stalking and abusive behaviour - Sexual Targeting

In 2014-2016 I commenced reporting the recognised illegal targeted activity to multiple legal sources within the public assistance Government systems seeking assistance and investigations into the illegal targeted activity, of which I supplied documented evidence to support my claims. I continuously received constant denied investigations, denied illegal activity and denied assistance into the reported illegal activity, resulting in the Entrapment in the illegal targeted activity and targeting.

Following the commencement of reporting the illegal targeted activity (whistle blower) in 2014 I began to encounter constant and continuous harassment of Police activity, which resulted in:

- 2014-2016 Police Targeting of the Port Pirie Police Department resulting in continuous Fraudulent fines and charges, that in 2016 resulted in multiple court appearances and in 2017 an illegal detainment into a [REDACTED] under the act of illegal conduct by Professionals and a [REDACTED] Police charges and Fines were disproven in the years of 2019-2021, as all reported illegal targeted activity of Fraudulent and Malicious activity reported in the periods of 2014-2016 was True and Correct and involved Government and Police Sources involved in the illegal activity and the targeting of an Individual

In the years of 2019-2020 I contacted SA Government sources to report the illegal targeted activity, Intellectual Property Theft of the medical Business Plan and M.S.I.C and to seek Government assistance, which resulted in me obtaining documented evidence of Government sources conspiring against me in the acts of Denied Intellectual Property Theft, denying the illegal targeted activity and Entrapment of the targeted victim, myself in the targeting.

I then proceeded to commence the construction of the Legal Case Files of documented evidence of Government and Police Targeting and the Organised Targeted Crime of individuals involved and connected. Through this process it revealed in obvious form that I had been a Government Target for over 27 years, and the Government Targeting had commenced in Kadina as a child of 15 years of age, and involved multiple counts of Intellectual Property Theft in the Governments possession, and occurring in the Privacy of my own home in hand written form only, not shared with a third party or installed on a computer, involving Illegal Government and Police Surveillance of my privacy, and the use of illegal targeted technology EMF and RF transmissions. The documented evidence of the constructed Legal Case files also revealed multiple counts of Intellectual Property Theft from the Privacy of my own home in hand written form only, not shared with a third party or installed on a computer occurring between the years of 1994-2021, and involved the following multiple sources:

- University's
- Councils
- Corporations
- Businesses
- Medical Industry
- Individuals

During the construction of the Legal Case files it was also revealed multiple counts of illegal targeted activity, which involved:

- Created Fraudulent debts in Government Departments and businesses
- Missing monies from personal income accounts

- Fraudulent activity
- Fraudulent and Malicious activity
- Missing funds from bank accounts
- illegal conduct of lawyers, Magistrates and Prosecutors
- Police Targeting - Fraudulent activity and Physical brutality
- Sexual targeting of individuals involved and connected
- Conspired acts of illegal activity and illegal conduct of Professionals
- Conspired acts of [REDACTED] by Medical Professionals
- Conspired Attempted murder of the targeted victims awareness to appear as suicide by medication [REDACTED] - Conspired Manipulated suicide
- Denied investigations, assistance and illegal targeted activity from all sources contacted within the Government Public administration system, resulting in the Entrapment of the targeted victim in the targeting in the periods of 2013-2022

The sources of the targeting have been identified as Federal Government, American Government, State Government and Liberal and Labor Governments, and is Government Corruption at the highest level, and has resulted in multiple Conspired attempts on my life.

In 2019 I became aware that the targeted activity I experienced in the region of Port Pirie SA was not contained to that region only and became aware in 2019-2020 that the illegal targeted activity was a result of Government Targeting, and involved Police sources and an Organised Crime syndicate, which also involved motorcycle gang members.

In 2019-2022 I commenced self isolation for my own protection and shut down all business projects and developments to protect the Intellectual property from being stolen as had occurred in the periods of 1994-2021.

The closure of all social and business contact and conduct has had a traumatic effect on my life socially and financially due to the ongoing Government and Police Targeting and the essential need to protect myself from anymore trauma and harm, that has occurred as a result of the continuous illegal act of targeting.

I am currently residing in Kadina SA in my parents home a carer for my [REDACTED] parents and for my own protection from the targeted activity.

All documented evidence proving the illegal targeted activity was true and correct was obtained while residing in Kadina SA and from Kadina sources, in the periods of 2019-2021.

I am contacting you to seek your Urgent Attention to this ongoing matter and an Urgent investigation and assistance into the ongoing illegal targeted activity, which is still current and active in 2022, and assist me in resolving this issue and remove this traumatic activity from my life.

I have supplied copies of all constructed Legal case files of documented evidence on a USB containing, Stage1,2,3,4 and a Character reference, and advise you to review the case files Chentelle Defoe and JC Designs as a first point of review and concern.

I would appreciate your time and consideration in assisting me and my request and ask you to address this matter as a matter of urgency.

Yours Sincerely
Jacqueline Pearce
