Miss Jacqueline Pearce

Dear Miss Pearce

Thank you for your letter of 18 September 2009 about the establishment of a Specialist Medical Centre in Port Pirie.

SA Health recognises and encourages private medical services to be established within rural communities. SA Health and Country Health SA (CHSA) have a long established history of working collaboratively with private medical practitioners in the provision of health services to the residents of local communities.

Currently, CHSA and the local Health Advisory Council for Port Pirie are engaged in a 10 year health service needs and planning process. This process will identify the needs of the local community and support the planning of long term health services to meet those needs. You may wish to consider discussing your proposal to establish the Specialist Medical Centre in Port Pirie with Mr Roger Kirchner, Director Mid North Cluster, CHSA on telephone [redacted]

Thank you for bringing this matter to my attention and I trust this information will be of assistance to you.

Yours sincerely

Good morning Ms Pearce

I refer to your complaint to the Office of the Health and Community Services Complaints Commissioner (HCSCC) about your experience at Wallaroo Hospital.

On 11 November 2022, the HCSCC commenced pre-conciliation inquiries into your complaint under section 30 of the *Health and Community Services Complaints Act 2004* (SA) (the Act).

Yorke and Northern Local Health Network (YNLHN)'s response

On 24 January 2023, Mr Roger Kirchner from the Yorke and Northern Local Health Network provided a response to your complaint. In his response, Mr Kirchner stated:

On 13 February 2023, the HCSCC sought a response from YNLHN as to whether they would consider your request for compensation.

***** On 1 March 2023, YNLHN advised the HCSCC they decline to consider your compensation request because:

HCSCC's preliminary views

The HCSCC is of the view YNLHN has provided appropriate information and explanation to address your complaint. The HCSCC's conciliation is a voluntary process and we are unable to seek compensation if YNLHN declines to participate in the process.

In light of the above, the HCSCC considers your complaint has been addressed to the extent it can be.

I would be grateful to receive your comments about YNLHN's response by close of business Monday 13 March 2023.

Dear Ms Pearce

Thank you for your letter of 31 August 2012 about establishing a specialist medical centre at Port Pirie and offering to provide the business plans and research information collected throughout your project. *

→ * I asked Adjunct Professor Belinda Moyes, Chief Executive Officer, Country Health SA *
Local Health Network (CHSA), who is responsible for Port Pirie Regional Health Service (PPRHS), to consider your offer and I am advised as follows:

As Ms Pearce may be aware, the PPRHS already provides consulting room facilities for some specialties identified through consultation with the local general practitioners.

In these instances, PPRHS pays the travel allowance and provides hospital accommodation for visiting specialists providing medical inpatient services.

PPRHS also distributes monthly information to all doctors and health units within the town and surrounding area of the specialists' visiting dates and the waiting times to see new patients.

* The completed Port Pirie GP Plus Health Care Centre, scheduled for September 2013, will also have capacity to provide additional consulting space, if needed.
The nature of what additional medical services may be required is yet to be determined.

The Port Pirie Health Advisory Council has undertaken a 10 year planning process, and is now engaging the local general practitioner in planning how to shape medical services into the future. *

If Ms Pearce would like to have input into the development of the Port Pirie GP Plus Health Care Centre, there is a consumer group that she may wish to join. Further information is available by contacting Ms Lisa Cockington, Regional Director, Community Health and Primary Health Care Programs, PPRHS, CHSA, on telephone [REDACTED] or Ms Georgina Bickley, Manager, Environmental Health Centre, PPRHS, CHSA, on telephone [REDACTED]

Thank you for writing to me on this matter.

Yours sincerely
