2013 CONTESTING INTELLECTUAL PROPERTY THEFT INVOLVING SA HEALTH / SA GOV + ROGER KIRCHNER / MICHAEL FETHERSTONHAUGH

2015 - 2017 REPORTING ILLEGAL ACTIVITY

Liquid Funding was initially 40 percent owned by Bear Stearns. Through the help of the credit rating agencies – Standard & Poor's, Fitch Ratings and Moody's Investors Service – the new bundled securities were able to be created for companies so that they got a gold-plated AAA rating. The implosion of such complex securities, because of their inaccurate ratings, led to the collapse of Bear Stearns in March 2008 and set in motion the financial crisis of 2007–2008 and the subsequent Great Recession. If Liquid Funding were left holding large amounts of such securities as collateral, it could have lost large amounts of money.^{[65][67]}

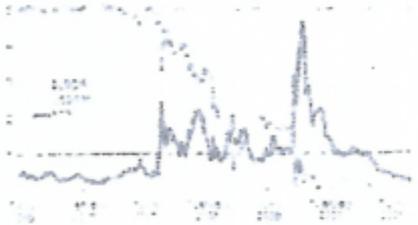

Investments

Hedge funds

Between 2002 and 2005, Epstein invested \$80 million in the [REDACTED] Zwirn Special Opportunities Fund, a hedge fund that invested in illiquid debt securities.^{[68][69]} In November 2006, Epstein attempted to redeem his investment after he was informed of accounting irregularities in the fund.^[70] By this time, his investment had grown to \$140 million. The [REDACTED] Zwirn fund refused to redeem the investment. Hedge funds that invest in illiquid securities typically have years-long "lockups" on their capital for all investors and require redemption requests to be made in writing 60 to 90 days in advance.^[68] The fund was closed in 2008, and its remaining assets of approximately \$2 billion, including Epstein's investment, were transferred to Fortress Investment Group when that firm bought the assets in 2009.^{[68][69]} Epstein later went to arbitration with Fortress over his redemption attempt. The outcome of that arbitration is not publicly known.^[68]

MEDICAL BUSINESS PLAN 2006 - 2009 - INTELLECTUAL PROPERTY THEFT
IN AUGUST 2006, EPSTEIN, A MONTH AFTER THE FEDERAL COMMENCEMENT SEXUAL
INVESTIGATION OF HIM BEGAN, [71] INVESTED \$57 MILLION IN THE BEAR
STEARNS HIGH-GRADE STRUCTURED CREDIT STRATEGIES ENHANCED
LEVERAGE HEDGE FUND. [68][72] THIS FUND WAS HIGHLY LEVERAGED IN
MORTGAGE-BACKED COLLATERALIZED DEBT OBLIGATIONS (CDOs). [72]

TARGETING 2007

The government began negotiation with Epstein for a plea agreement in mid-2007, as the hedge fund began to collapse.

On April 18, 2007, an investor in the fund, who had \$57 million invested, discussed redeeming his investment.^[73] At this time, the fund had a leverage ratio of 17:1, which meant for every dollar invested there were seventeen dollars of borrowed funds; therefore, the redemption of this investment would have been equivalent to removing \$1 billion from the thinly traded CDO market.^[74] The selling of CDO assets to meet the redemptions that month began a repricing process and general freeze in the CDO market. The repricing of the CDO assets caused the collapse of the fund three months later in July, and the eventual collapse of Bear Stearns in March 2008. It is likely Epstein lost most of this investment, but it is not known how much was his.^{[73][72]}

By the time that the Bear Stearns fund began to fail in May 2007, Epstein had begun to negotiate a plea deal with the U.S. Attorney's Office concerning imminent charges for sex with minors.^{[68][71]} In August 2007, a month after the fund collapsed, the U.S. attorney in Miami, Alexander Acosta, entered into direct discussions about the plea [REDACTED]. Acosta brokered a lenient deal, according to him, because he had been ordered by higher government officials, who told him that Epstein was an individual of importance to the government.^{[52][53]} As part of the negotiations, according to the *Miami Herald*, Epstein provided "unspecified information" to the Florida federal prosecutors for a more lenient sentence and was supposedly an unnamed key witness for the New York federal prosecutors in their unsuccessful June 2008 criminal case against the two managers

Yes of course you'll do it baby I have total faith in you because your so passionate and smart!

Yes I'd like to change jobs ideally but nows not a good time with the economy so fooked, not many jobs about. I'd like to have more options in a years time maybe. Nikki works up the road from me actually yes, which works out well because we car share.

Nothing solid planned next week depends on the weather which has been good in spells recently. One thing we do have is a hospital appt. can tell you this because we are still close - we are now on and [redacted] programme and going to get the drugs to start with that (not telling anyone by the way) because you get too many questions but I know your cool and I'll tell you if there's any news. Hey you never know you may have to give me the low down on twins someday. What else...oh yes I'm training for a charity bike ride so will try and get out next week.. I'm doing it in memory of Danni and it's 54 miles in June.

BACK on the subject of work Niks hours have been cut and she losing one day a week but its across the whole dept, and it was either that or look for reduncies, times are tough right now.

So what else have you been doing to keep busy other than the business plan? * KNOWLEDGE

The stuff about Shaun and what his mum said, I think maybe you guys just need more time together, you'd be mad to rush in to marriage again but you know that and I think your response was natural, you'd be the same at the thought of marrying anyone. Your a lovely lady Jac and have had some shit but that history I'm sure your future is rosy

Yes you have always believed in me, never doubted me at all. Can you tell that i'm very persistent and a determined women. You know some men find me a little confronting, even intimidating. I must admit though i am a strong women, not the shy type, lol!

Thats true what you said about the economy, but i'm not scared to venture out because, well have you ever heard of a broke doctor? The medical system doesnt go into recession. Think about it babe??!!
KNOWLEDGE - MEDICAL BUS PLAN

Thats soo cool about the [redacted] hun, i hope you really get your hopes and dreams this time babe.
I wish you both the best of luck with that. xxx
Thanks for sharing babe, that made me feel pretty special. Mwah!

Been getting ready to move again, same town but different part. So been packing again which really sucks but its necessary as well. Smaller place, less rent and in town more. Shaun recons i'm a city girl and like being around the middle of town better. I said yeah, closer to the shops, lol!
Hes a real country boy, loves bush camping and fore wheel driving, which i love to, i think i'm city / country, a good mix of both, what do you think??

STUFF THAT!!! I know its for a good cause babe which is such a nice thing to do. But personally between you and me, i'm glad thats you riding not me, i'd be so sore and worn out, lol!! You must be really fit hey??

ADAM - FAKE IDENTITY USED BY EPSTEIN - MAXWELL

Adam, ive been doing lots of thinking and i think, well, because i'm in a committed relationship and, well, now i find out this wonderful news about you and Nikki, i do think its time to let us go. We really do need to concentrate on our real lives, don't you think? I don't regret meeting you and i will forever treasure and remember all our times together, i will always have a special place for you in my heart.
But i need to be true to Shaun and respect him and our relationship. I feel guilty about doing this and it gets that little bit harder all the time. I need to be a honest good women to shaun as he really is a good guy, kind hearted and loves me, just the way i am. But i need to give us a proper chance and give our relationship the full attention it deserves.
I hope you can understand this babe, i dont want to hurt you, i do love you. But i cant live with loving to men, like you said if we had have lived close to each other it would have been different. But this is the way it is.
I'm sorry we have to say goodbye honey, but it think for all its the right thing to do, dont you. (i want you to be completely honest with me cause this is last chance to be ok)

I have to be able to concentrate on my real life here babe, you know. So i think we should end it tonight ok.

POLICE INVOLVEMENT - FRAUDULENT ACTIVITY
OBTAINED 2021 - GOV INVOLVEMENT

CONFIRMED VICTIM IS A VICTIM OF POLICE TARGETING.

I reported the Fraudulent malicious Activity of the newly created business account to Joshua Adams, Business Consultant, Telstra Store, Kadina who proceeded to file a report to the Fraud Department and requested an investigation into the activity - Refer to Telstra Report dated 1/10/2020

I received no reply or response from this report.

The Fraudulent and malicious Activity continued and escalated.

On the 25/03/2021 I reported the activity again to Joshua Adams, Business Consultant, Telstra Store, Kadina and reported that I had not received any contact from the Fraud Department concerning the report that he had submitted. I requested a change of mobile phone number with the account still having Restricted Access applied. Joshua Adams proceeded to change the mobile phone number and did a check to ensure that the new number that I had been given was a newly created number that had not been circulated before my use, to ensure that the same activity would not occur and if it did would be seen as suspicious activity continued.

On the 25/03/2021 I reported the Fraudulent Malicious activity to Isobelle Oppelaar, Manager, Telstra Store, Kadina who proceeded to file a report to a higher authority, requesting an investigation with the higher authority of the Fraud Division or CEO of Telstra, due to ongoing issues over a 10 year period of continuous Fraudulent Activity. - Refer to Letter addressed to Isobelle Oppelaar, Manager - Refer to document filed report and Case ID number
I received contact from Telstra higher authority but missed the call and am waiting for the second contact, to ring me back as informed in the voice recorded message left on my mobile phone to discuss the issue.

On the 13th April 2021 I sent a letter addressed to the CEO of Telstra Head Office, Mr Andrew Penn, Melbourne, Victoria from the Norwood Post Office branch, Adelaide informing the CEO of the continuous Fraudulent Malicious Activity that had been occurring in my personal and newly created business account with Restricted Access, and requested a thorough investigation into the activity and provided the documented evidence of the activity that had been occurring in all servers and over a long period of time, and following re-location and change of details

Your personal info was stolen in a data breach, but we're right here with you. We'll guide you through every step of the way to become safer again.

If you believe your personal information was added for monitoring by accident or without your approval, you can remove the asset by logging into your account or by contacting McAfee Customer Support for assistance.

How did hackers get my info?

They usually take it by hacking into company databases you might have an online account with. Then they share or sell all of this info to other hackers in remote places on the internet called the dark web.

What do they use it for?

Hackers can use this info to try and access your banking, social media, or shopping accounts. Or, they use it to send you phony links to fake websites that try and trick you out of your credit card numbers and other info.

How can we help?

While no one can get your info back from the dark web, we warn you when we find it there and show you all the ways to take back control from hackers.

We're here for you.
