**Confidential**

Dear Sir / Madam,

I am contacting you today in relation to a suspected sharing of information act involving personal and financial information recorded within my files within Wesley United Care, Port Pirie involving manager, Andrew Hadert, now resigned and Kelly Glenton, Financial Counsellor, employee.

\* This complaint is in relation to fraudulent activity within my banking Institutions, Telecommunication Systems, Utility Accounts of which has resulted in isolation, financial hardship, sexual targeting, police assault, immobilisation, loss of friendships, loss of relationships, loss of a business and the targeting of immediate family members which has resulted in the loss of education, financial hardship, police assault, fraudulent activity within various Real Estate agencies, including Port Pirie and Metropolitan areas.

The activity has involved the overcharging of card swiped purchases, monies withdrawn from banking institutions which hold no direct debits, overcharging of utility services, fraudulent activity within Real Estate Agencies - loss of bonds - denied access to rental applications - issues involving the overcharging of water billing, rental agreements, this activity has created numerous debts over a period of 9 years but has been of an intense nature within the last five year period.

\* In connection to this information, between the years of 2007 - 2010 I was developing a business plan with the Regional development Board, Port Pirie of which once completed was denied funding for establishment amongst numerous government organisations and Executive of Health, Port Pirie, Roger Kirchner of which I had sought the funding on the advice of my business advisors, The Regional development Board, Port Pirie, Michael Fetherstonhaugh and Terry Reichelt. On advice from Roger Kirchner I then sought the funding necessary from my local member of parliament, Geoff Brock of whom also denied me the funding in order to establish the business within my local area of Port Pirie.

The business was registered for tax purposes in the year 2010 but was not established due to the denied funding of which I had sought.

This business plan and the concepts are now suspected of being that of Intellectual Property Theft of which I am currently involved in the legalities of the fraudulent and criminal activity of which occurred thereafter I had sought the funding for the establishment of the business plan.

I have requested Freedom of Information from Wesley United Care, Port Pirie and have found unusual conduct within the reports involving Banking Institutions, immediate family members, recorded personal information, suspicion of fraudulent documents involving loans, hand written details of payment details and personal activity and loan applications which hold no finalisation on the last payment dates.

\* Within the year 2015, the manager had made personal contact with myself whilst in a relationship with Paul Gardner, Port Germain, of which I had suffered verbal and physical abuse over a ten month period, reported to the Port Pirie Police Department, who is suspected to be in connection with Michael Fetherstonhaugh, Regional Development Board, Port Pirie.

Within the year of 2012 - 2016 I have been a victim of sexual targeting which has involved prominent positions, authorities and members of the public and immediate family members in connection with the above mentioned parties.

As the manager, Andrew Hadert, Wesley United Care, Port Pirie had direct access to my personal and financial details including Banking Institutions, Utility accounts, Telecommunication Systems, personal contact details and access to my income details due to his position within this government funded organisation I am requesting an investigation into the suspicion of shared information to prominent positions involved in the suspected Intellectual Theft of the business plan, The Regional Development Board, Roger Kirchner, Geoff Brock and Dr Abdul Kajani, involved in a legal matter concerning my medical records and denied health care within my community and that of the sexual targeting involving myself and immediate family members. The fraudulent and criminal activities involved within this report has been reported to numerous legal agencies, Telecommunication Ombudsman and Ombudsman of various organisations, including lawyers and the Police Commissioner, Grant Stevens.

In regards to the employee Kelly Glenton, Financial Counsellor, I am requesting an investigation into the sharing of information act in regards to utility accounts, telecommunication systems, Banking Institutions and the recorded personal information of which I did not supply.

In addition to this information, Kelly Glenton is a known affiliate with an outlaw Motorcycle gang whom is affiliated as immediate family members.

Dear Sir/Madam

Re: Customer Number: [REDACTED]  
Security Bond Number: [REDACTED]

Housing SA records indicate that the above Bond Guarantee for \$680 was provided to you for a private rental property at [REDACTED]

\* The Tenancies Branch of OCBA has recently advised Housing SA that LJ Hooker Port Pirie has submitted a claim for the amount of \$680 against the above bond. \*

As Housing SA provided this security bond for the rental premises, I would like to verify this claim with you

Should you not agree with this claim and wish to dispute the claim you should sign and return the attached form by the expiration date of the ten day letter.

If you agree with the claim you should be aware that once the bond is released you will then be responsible for repayment of the claimed amount to Housing SA.

Please contact the undersigned to inform us of your decision by 15 May 2012 .

Yours sincerely

Dear Mrs. J.C. Pearce,

Thank you for your application to make payments through the Direct Payment system. I know that you will find this a convenient way of making your rent payments.

I am pleased to advise that your first fortnightly deduction will take place on Thursday 12th January 2012 for the amount of \$10.00 from your financial institution Account No. [REDACTED] held at the Anz Bank, Port Pirie.

I remind you that it is your responsibility to ensure that funds are available in the above mentioned account at the time of your regular deduction, which will occur every second Thursday night. If funds are not available at the time of your payment deduction, your financial institution may charge you a dishonour fee.

If at any time your payment is not successfully deducted from your account for any reason, we will contact you to discuss payment of the amount outstanding.

Should you decide at any time to discontinue your Direct Payment arrangement please notify your local Housing SA office, preferably in writing.

Yours sincerely,

Tony Francesca

Dear Ms Pearce

\* The documentation that you have sent to SACAT does not have a reference number or tracking code. We have searched our system and you have not lodged an application SACAT, therefore unfortunately we cannot assist you.

If you are looking to make an application to SACAT, please visit our website [www.sacat.sa.gov.au](http://www.sacat.sa.gov.au) or call [REDACTED]. An application can be lodged for issues such as compensation, break lease and undue hardship among other issues.

\* I note you have listed several real estate agencies within your letter. SACAT can only deal with disputes against a tenant and their agent/landlord and vice versa. You would not be able to lodge an application with complaints against several real estate agencies.

Attached I have provided a brochure to TIAS the Tenants Information and Advisory Service, and Consumer and Business Services which offer the Tenancies Advice Line. Please contact these departments for advice on what to do about your tenancy issue.

Regards,
