To Whom it may concern,

I am contacting you as a direct victim of Jeffery Epstein and Ghislaine Maxwell that had remained undiscovered and revealed for over a 40 year period, and is connected to Government and Police sources in Australia and the Commonwealth.

I first discovered unusual activity involving multiple counts of Fraudulent activity in my accounts in the year 2013 and commenced reporting the illegal targeted activity in the year 2015. During the year of 2013 I discovered a Criminal network revolving in the township of Port Pirie, my place of residence at that time, involving multiple individuals involved and connected to each other, and who were targeting me with various forms of illegal activity, which also included multiple counts of Intellectual Property Theft.

During the period of 2014-2015 following Extreme Fraudulent and Malicious activity in my Telecommunication Systems resulting in blocked contact, blocked and altered text messages, Excessive rise in billing, which over a 2 year period resulted in Conspired created isolation I began to encounter Extreme Sexual Targeting by individuals involved in the Criminal Network and connected to one another, of which I began to document due to my suspicions that something was wrong, although I did not understand what was happening or what criminal activity actually was, having never encountered it before or ever being involved in any form of illegal criminal activity through out my whole life.

In 2013 I discovered the Intellectual Property Theft of my first business plan development, The Specialist Medical Centre and M.S.I.C, a communication tool and digital referral system designed for Medical Professionals, and was contained within the original first business plan developed in the period 2006-2009. During these business plan developments I was under the guidance of a business advisor of the Regional Development Board, Port Pirie as a registered client, Michael Fetherstonhaugh. In 2013 I proceeded to Contest the Intellectual Property Theft of the two business plan developments with an Intellectual Property Lawyer, Johnson Lawyers and submitted Official Letters Of Involvement of the individuals involved in the two business developments obtained directly from the parties involved and was seeking legal representation. Following submitting the official Letters of Involvement to the contacted lawyer of Johnson Lawyers, John James the lawyer denied the individuals contained within the Official Letters of Involvement were involved or connected to the business plan developments and I was denied legal Representation to contest the Intellectual Property Theft of the two business plans.

Following contesting the Intellectual Property Theft of the two business plans I then encountered an Extreme attack involving the Criminal Network and individuals involved, which included :

- Extreme Fraudulent activity - Money laundering through every service or account
- Extreme Sexual Targeting - Conspired grooming and destruction of the targeted victim - Which involved 1 individual who was directly connected to my business advisor of the two business plan developments, Michael Fetherstonhaugh, his nephew Paul Gardner, who threatened me with Government Prostitution and who was also connected to the first act of Conspired Sexual Targeting that occurred during the business developments in 2007-2009 involving Michael Fetherstonhaugh / Peter Bannister , half brother to Paul Gardner, who introduced me to Shaun Steele following Peter Bannister targeting me in an act of Conspired Portrayed friendship
All individuals are involved in motorcycle gangs which I discovered during the Conspired Sexual Targeting of Shaun Steele and the reason I ended the relationship
- Extreme Police Targeting 2014-2016 - Which involved one police officer who was connected to Paul Gardner and Michael Fetherstonhaugh - Extreme Police targeting involved multiple counts of falsified charges and fines and severe police physical assault / brutality which resulted in sustained permanent injuries, one which included a suspected [REDACTED] and also involved Police Sexual Targeting
Police officer connected to Paul Gardner and Michael Fetherstonhaugh - Officer Richard Scott Bowman - Father in law to Paul Gardner and who's daughter had a child with Paul Gardner and had been jailed in the Port Augusta correction institution charged with prostitution
- Extreme Police targeting of 2014-2016 resulted in court proceedings involving denied legal aid for a lawyer that was not involved which resulted in a lawyer Heidi Salvemini, Westside lawyers, Adelaide who was connected to an individual involved in the business plan developments and whose name was submitted in the Official Letters of Involvement in 2013 to the Intellectual Property lawyer - Roger Kirchner and Jemma Salvemini, who was Roger Kirchner's Executive Assistant in 2009 when I was applying for funding for the business plan with Roger Kirchner
- During the court proceedings 2015-2016 I encountered the illegal conduct of the lawyer Heidi Salvemini involving Illegal Representation and illegally obtaining falsified medical records from a doctor of Port Pirie, Dr Abdul Kajani without my authority / withdrawn authority and withdrawn legal representation 1 month prior to her illegal representation in a court of law, of which she submitted the illegally submitted the obtained medical record and proceeded to order a [REDACTED]
[REDACTED] in 2017 was connected to a Government source, Vickie Chapman, Attorney General of SA - Dr Abdul Kajani is connected to Roger Kirchner

During this time I relocated from Port Pirie to Kadina in February 2017, following my release from the illegal detainment in [REDACTED], which I was illegally detained for a period of 6 weeks.

Unbeknown to me in 2006-2013 I was a targeted victim by a man online, my first online presence in my whole life by a man who claimed his name was Adam Gurgly, who also claimed he resided in London, UK, but used the email address [REDACTED] and signed off every email with an initial "A" not Adam or used a surname, as did Ghislaine Maxwell, who signed her name with "G", not her full name or surname.

During constant and continual email contact with maxwell, which occurred every night, London time in the periods of 2006-2013, and during the year of 2010 during the business development M.S.I.C I asked maxwell if he could assist me with designing the business logo for my business development, of which he agreed. The business logo design M.S.I.C was conducted online via email in 2010 and I received the business logo design from maxwell via email as attachments as MSIC%20logo

During the business development plan The Specialist medical Centre in 2009 I was involved in email contact with the Australian Government Department NEIS, a business support and training program that also financially supports small business start up - The funding of the business plan was denied by NEIS during this development

In 2011, during the business development of M.S.I.C and a fashion design business J Monequic I was involved in email contact with the Australian Government Department NEIS seeking funding and business support

During this email contact with the Australian Government Department NEIS I received an email containing email attachments which was received as NEIS%20Training

Exact format as received from maxwell in 2010 via email attachments during the business logo design of M.S.I.C

Documented evidence of the Australian Government and Australian Government Departments connected to Epstein and Maxwell who were involved in direct targeting of the targeted victim in 2006-2013 and involved portraying a deep meaningful friendship tactic of gaining trust.

During the constant and continuous email interaction between myself and maxwell in 2006-2013 the interactions contained sexual overtones of maxwell's encouragement to interact sexually and engage in sexual conversations and requested and encouraged me to send explicit sexual material, of which as a naive, sexually inexperienced mother of 4 children who had just separated from a 17 year abusive relationship of which I was isolated under his control from any form of contact outside of the household found intriguing and curiosity fuelled the situation and I complied and supplied sexual material to maxwell under his encouragement, and this fact of my naivety was played upon by Epstein and Maxwell by making the targeted victim / me feel sexually attractive, something g I had not felt before, having been in a marriage that was not of a loving or sexual nature, and my husband at the time was my third partner, having met him at the age of 20 years old.

In the period of 2015-2017 I continued to constantly and continuously seek assistance by reporting the recognised illegal targeted activity in my accounts and life to every authority available to me but was constantly and continuously met with denied assistance, denied investigations and the reported illegal targeted activity provided in documented evidence form supplied with every report denied.

In 2018 following relocating from Port Pirie to Kadina and believing the illegal targeted activity of a Criminal Network was contained to the location of Port Pirie only I began to rebuild my life in Kadina by gaining employment, continuing with the development of a manuscript of my first novel of which I commenced in 2013 and gained a publishing contract in 2018 with Austin Macauley Publishers, London UK and started to seek a relationship by creating an online dating site profile on numerous online dating sites.

In 2018 I was once again targeted by a repeated pattern of Conspired Sexual Targeting involving a Professor of the Adelaide University, Waite Campus Vincent Bulone, who over the period of the relationship 2018-2019 displayed the Exact same Pattern of behaviour / conduct as previous individuals / partners involved in Conspired Sexual Targeting which occurred in 2007-2009 Shaun Steele and again in 2011-2012 David Johnson.

Every act of the Conspired Sexual Targeting occurred during the periods of every business development that resulted in either Intellectual Property Theft or Sabotage of Career / Destruction of Career.

Vincent Bulone was also involved in encouraging me to seek [REDACTED]

Vincent Bulone was connected to David Bradley and called himself David when first meeting, and David Bradley whose brother is a motorcycle gang member of the Hells Angels, Adelaide and is connected to Peter Bannister, Paul Gardner, Shaun Steele and Michael Fetherstonhaugh.

David Bradley knew details of my first manuscript Reality that was still under development and details that I had kept confidential even from Vincent Bulone, who was Portraying my partner at the time.

Vincent Bulone is connected to David Bradley, Sweden Government, France and France Government, Australian Government and Julia Gillard and Jay Weatherill in 2019 during the time of encouraging me to seek Psychological counselling

Second Conspired Attempt on my life by [REDACTED]

Vincent Bulone Family history / Grandfather involves Murder

In 2019 I ceased all contact with Vincent Bulone and remained permanently in Kadina residing with my parents, who are both suffering from Terminal health conditions and commenced construction of all documented evidence in my possession pertaining to the illegal targeted activity and commenced reporting, seeking assistance once more.

In 2019 I sought Government Assistance with Steven Marshall, Premier of SA and Vickie Chapman, Attorney General of SA and submitted extensive documented evidence to support the submitted report, personally delivered to the offices of both parties.

In 2020 I received reply letters from both contacted Government sources, Steven Marshall and Vickie Chapman containing the Exact same wording and advice, which involved ;

- Denied assistance
- Denied illegal targeted activity
- Denied it was a case for the corruption commissioner ICAC/OPI
- And advised to contact a law firm Slater and Gordon for legal assistance

Following receiving the reply letters I began to research the advice involving the law firm Slater and Gordon. My research revealed a lawyer employed in this law firm named **Alexandra Nguyen**

In 2017 involving the Conspired attack of Attempted murder by lethal injection to appear as suicide as a result of an illegal act by a connected lawyer, Heidi Salvemini who ordered a [REDACTED] that was connected to Vickie Chapman, Attorney General of SA involved the name [REDACTED]

Further research of the law firm Slater and Gordon revealed a Government source connected to this law firm, Julia Gillard, Ex Prime Minister of Australia, who was also involved and connected to the Adelaide university, Waite Campus in 2019 during the period of Conspired Sexual Targeting of Vincent Bulone and his encouragement of seeking [REDACTED]

[REDACTED] Second Conspired attempt on my life involving Julia Gillard.

3rd October 2022

Dear Wendy Olsen,

I am contacting you as a direct victim of Jeffery Epstein and Ghislaine Maxwell that had remained undiscovered and revealed for over a 40 year period, and is connected to Government and Police sources in Australia and the Commonwealth.

I first discovered unusual activity involving multiple counts of Fraudulent activity in my accounts in the year 2013 and commenced reporting the illegal targeted activity in the year 2015. During the year of 2013 I discovered a Criminal network revolving in the township of Port Pirie, my place of residence at that time, involving multiple individuals involved and connected to each other, and who were targeting me with various forms of illegal activity, which also included multiple counts of Intellectual Property Theft.

During the period of 2014-2015 following Extreme Fraudulent and Malicious activity in my Telecommunication Systems resulting in blocked contact, blocked and altered text messages, Excessive rise in billing, which over a 2 year period resulted in Conspired created isolation I began to encounter Extreme Sexual Targeting by individuals involved in the Criminal Network and connected to one another, of which I began to document due to my suspicions that something was wrong, although I did not understand what was happening or what criminal activity actually was, having never encountered it before or ever being involved in any form of illegal criminal activity through out my whole life.

In 2013 I discovered the Intellectual Property Theft of my first business plan development, The Specialist Medical Centre and M.S.I.C, a communication tool and digital referral system designed for Medical Professionals, and was contained within the original first business plan developed in the period 2006-2009. During these business plan developments I was under the guidance of a business advisor of the Regional Development Board, Port Pirie as a registered client, Michael Fetherstonhaugh. In 2013 I proceeded to Contest the Intellectual Property Theft of the two business plan developments with an Intellectual Property Lawyer, Johnson Lawyers and submitted Official Letters Of Involvement of the individuals involved in the two business developments obtained directly from the parties involved and was seeking legal representation. Following submitting the official Letters of Involvement to the contacted lawyer of Johnson Lawyers, John James the lawyer denied the individuals contained within the Official Letters of Involvement were involved or connected to the business plan developments and I was denied legal Representation to contest the Intellectual Property Theft of the two business plans.

EFTA00269299

Following contesting the Intellectual Property Theft of the two business plans I then encountered an Extreme attack involving the Criminal Network and individuals involved, which included :

- Extreme Fraudulent activity - Money laundering through every service or account

- Extreme Sexual Targeting - Conspired grooming and destruction of the targeted victim - Which involved 1 individual who was directly connected to my business advisor of the two business plan developments, Michael Fetherstonhaugh, his nephew Paul Gardner, who threatened me with Government Prostitution and who was also connected to the first act of Conspired Sexual Targeting that occurred during the business developments in 2007-2009 involving Michael Fetherstonhaugh / Peter Bannister , half brother to Paul Gardner, who introduced me to Shaun Steele following Peter Bannister targeting me in an act of Conspired Portrayed friendship

All individuals are involved in motorcycle gangs which I discovered during the Conspired Sexual Targeting of Shaun Steele and the reason I ended the relationship

- Extreme Police Targeting 2014-2016 - Which involved one police officer who was connected to Paul Gardner and Michael Fetherstonhaugh - Extreme Police targeting involved multiple counts of falsified charges and fines and severe police physical assault / brutality which resulted in sustained permanent injuries, one which included a suspected [REDACTED], and also involved Police Sexual Targeting

Police officer connected to Paul Gardner and Michael Fetherstonhaugh - Officer Richard Scott Bowman - Father in law to Paul Gardner and who's daughter had a child with Paul Gardner and had been jailed in the Port Augusta correction institution charged with prostitution

- Extreme Police targeting of 2014-2016 resulted in court proceedings involving denied legal aid for a lawyer that was not involved which resulted in a lawyer Heidi Salvemini, Westside lawyers, Adelaide who was connected to an individual involved in the business plan developments and whose name was submitted in the Official Letters of Involvement in 2013 to the Intellectual Property lawyer - Roger Kirchner and Jemma Salvemini, who was Roger Kirchner's Executive Assistant in 2009 when I was applying for funding for the business plan with Roger Kirchner

- During the court proceedings 2015-2016 I encountered the illegal conduct of the lawyer Heidi Salvemini involving Illegal Representation and illegally obtaining falsified medical records from a doctor of Port Pirie, Dr Abdul Kajani without my authority / withdrawn authority and withdrawn legal representation 1 month prior to her illegal representation in a court of law, of which she submitted the illegally submitted the obtained medical record and proceeded to order a

[REDACTED] in 2017 was connected to a Government source, Vickie Chapman, Attorney General of SA - Dr Abdul Kajani is connected to Roger Kirchner

[REDACTED]

During this time I relocated from Port Pirie to Kadina in February 2017, following my release from the illegal detainment in [REDACTED], which I was illegally detained for a period of 6 weeks.

Unbeknown to me in 2006-2013 I was a targeted victim by a man online, my first online presence in my whole life by a man who claimed his name was Adam Gurly, who also claimed he resided in London, UK, but used the email address [REDACTED] and signed off every email with an initial "A" not Adam or used a surname, as did Ghislaine Maxwell, who signed her name with "G", not her full name or surname.

During constant and continual email contact with maxwell, which occurred every night, London time in the periods of 2006-2013, and during the year of 2010 during the business development [REDACTED] C I asked maxwell if he could assist me with designing the business logo for my business development, of which he agreed. The business logo design M.S.I.C was conducted online via email in 2010 and I received the business logo design from maxwell via email as attachments as MSIC%20logo

During the business development plan The Specialist medical Centre in 2009 I was involved in email contact with the Australian Government Department NEIS, a business support and training program that also financially supports small business start up - The funding of the business plan was denied by NEIS during this development

In 2011, during the business development of M.S.I.C and a fashion design business J Monequic I was involved in email contact with the Australian Government Department NEIS seeking funding and business support

During this email contact with the Australian Government Department NEIS I received an email containing email attachments which was received as NEIS%20Training

Exact format as received from maxwell in 2010 via email attachments during the business logo design of M.S.I.C

Documented evidence of the Australian Government and Australian Government Departments connected to Epstein and Maxwell who were involved in direct targeting of the targeted victim in 2006-2013 and involved portraying a deep meaningful friendship tactic of gaining trust.

During the constant and continuous email interaction between myself and maxwell in 2006-2013 the interactions contained sexual overtones of maxwell's encouragement to interact sexually and engage in sexual conversations and requested and encouraged me to send explicit sexual material, of which as a naive, sexually inexperienced mother of 4 children who had just separated from a 17 year abusive relationship of which I was isolated under his control from any form of contact outside of the household found intriguing and curiosity fuelled the situation and I complied and supplied sexual material to maxwell under his encouragement, and this fact of my naivety was played upon by Epstein and Maxwell by making the targeted victim / me feel sexually attractive, something g I had not felt before, having been in a marriage that was not of a loving or sexual nature, and my husband at the time was my third partner, having met him at the age of 20 years old.

In the period of 2015-2017 I continued to constantly and continuously seek assistance by reporting the recognised illegal targeted activity in my accounts and life to every authority available to me but was constantly and continuously met with denied assistance, denied investigations and the reported illegal targeted activity provided in documented evidence form supplied with every report denied.

In 2018 following relocating from Port Pirie to Kadina and believing the illegal targeted activity of a Criminal Network was contained to the location of Port Pirie only I began to rebuild my life in Kadina by gaining employment, continuing with the development of a manuscript of my first novel of which I commenced in 2013 and gained a publishing contract in 2018 with Austin Macauley Publishers, London UK and started to seek a relationship by creating an online dating site profile on numerous online dating sites.

In 2018 I was once again targeted by a repeated pattern of Conspired Sexual Targeting involving a Professor of the Adelaide University, Waite Campus Vincent Bulone, who over the period of the relationship 2018-2019 displayed the Exact same Pattern of behaviour / conduct as previous individuals / partners involved in Conspired Sexual Targeting which occurred in 2007-2009 Shaun Steele and again in 2011-2012 David Johnson.

Every act of the Conspired Sexual Targeting occurred during the periods of every business development that resulted in either Intellectual Property Theft or Sabotage of Career / Destruction of Career.

Vincent Bulone was also involved in encouraging me to seek [REDACTED]

Vincent Bulone was connected to David Bradley and called himself David when first meeting, and David Bradley whose brother is a motorcycle gang member of the Hells Angels, Adelaide and is connected to Peter Bannister, Paul Gardner, Shaun Steele and Michael Fetherstonhaugh.

David Bradley knew details of my first manuscript Reality that was still under development and details that I had kept confidential even from Vincent Bulone, who was Portraying my partner at the time.

Vincent Bulone is connected to David Bradley, Sweden Government, France and France Government, Australian Government and Julia Gillard and Jay Weatherill in 2019 during the time of encouraging me to seek Psychological counselling

In 2019 I ceased all contact with Vincent Bulone and remained permanently in Kadina residing with my parents, who are both suffering from Terminal health conditions and commenced construction of all documented evidence in my possession pertaining to the illegal targeted activity and commenced reporting, seeking assistance once more.

In 2019 I sought Government Assistance with Steven Marshall, Premier of SA and Vickie Chapman, Attorney General of SA and submitted extensive documented evidence to support the submitted report, personally delivered to the offices of both parties.

In 2020 I received reply letters from both contacted Government sources, Steven Marshall and Vickie Chapman containing the Exact same wording and advice, which involved ;

Dear Ms Pearce

Thank you for your complaint to the Office for Public Integrity (OPI) of 3 February 2022 in which you allege that various government agencies and non-government organisations have engaged in money laundering, computer hacking, sexual crimes, intellectual property theft and corruption.

You also explain that you were detained at [REDACTED]. You say that Members of Parliament were involved in or had influence over the SACAT order.

The OPI has reviewed the information you provided and assessed your complaint in accordance with the Independent Commission Against Corruption Act 2012 (ICAC Act). The ICAC Act provides that the OPI may determine to refer a complaint or report to another agency for further assessment or to take no further action.

While I acknowledge that the experiences you describe have been distressing for you, I do not think that there is sufficient information available to support the allegations to justify a referral to another agency for further assessment.

In light of the above, I have determined to take no further action in respect of your complaint pursuant to section 18E(1)(c) of the ICAC Act.

As no further action will be taken, I will now close the file.
