Dear Peter Gordon, Gordon Legal Law Firm,

I am contacting you today regarding previous contact dated 29th April 2023, regarding an ongoing Legal case involving a Confirmed Criminal Act of Criminal Network Targeting of a Specific Individual in Australia involving Australian Federal Government sources, American Government Sources, South Australian Government Sources, Police sources and individuals involved and connected in a Criminal Network, and has remained actively targeting my life for a period of 38 years and covered up in the Australian System and Australian Legal System for a period of 10 years of myself, the targeted victim reporting the illegal targeted activity and seeking assistance.

I am contacting you submit a further constructed case file regarding the case file of 2017 Conspired Attempted murder of the targeted victims awareness by lethal injection involving Conspired Police targeting, Conspired lawyers and Court Proceedings, Conspired mental Health Evaluations and Falsified diagnosis of a mental Health delusional condition, Conspired illegal detainment involving mental Health services Glenside Mental Health Institute, Conspired involvement of SACAT, an Australian Government Department, and involving Conspired Government sources involved, and the involvement of Criminal network targeting of a Specific individual

I have recently contacted the 2017 involved Australian Government Department SACAT and requested documented evidence pertaining to the Conspired event in 2017 and this Government Departments involvement in the Conspired Falsified Diagnosis and Conspired Ordered lethal injection to result in the targeted victims death to appear as suicide and also documents pertaining to the 2016 contact I made pertaining to reporting the illegal conduct of Money laundering from my accounts involving multiple Real Estate Agents in Port Pirie, SA and a Government Department Housing SA, that was involved in creating fraudulent debts / Housing SA bonds and Conspiring with a Real Estate Agent, Port Pirie in creating the fraudulent debt / money laundering from my accounts.

Concerning First contact with SACAT pertaining to a Freedom of Information Act request to obtain these documents I received a reply from a SACAT employee stating " The Freedom of

EFTA00269326

Information Act does not apply to SACAT" - an obvious reply of this employees involvement and SACAT involvement in the Conspired Cover up of 2016-2017 involving denying the report of the Real Estate Agents, Port Pirie, and Housing SA in 2016 and SACAT Involvement in the 2017 Conspired Cover up / Conspired Attempted murder of the targeted victims awareness by lethal injection under the act of a falsified diagnosis involving Glenside Mental Health Institute. Contained on the SACAT website is information pertaining to the Freedom of Information Act that does apply to SACAT and the individual involved in the reply obviously is involved in the 2017 Conspired Cover up and once again 2023 Conspired Cover up of SACAT involvement

Following this denied access to the Freedom of Information Act by this Individual of SACAT I received contact from other employees of SACAT who provided me with the requested documents , obvious individuals who are not involved in any form of Criminal network targeting, Illegal activity or Conspired Cover ups of 2016 or 2017 Conspired involvement of individuals of SACAT that resulted in the ordered lethal injection and 12 month Community Treatment Order under the act of a SACAT falsified diagnosis of a mental Health delusional condition, thus Confirming that 2017 was a Conspired Cover up and Intentional Conspired Attempted murder of the targeted victims awareness by lethal injection to appear as suicide.

Contained in the supplied documents from SACAT 2023 is the individuals involved in the Conspired Cover up and the Individuals involved in Glenside Mental Health Institute responsible for the order of the lethal medications and lethal injection and Confirms the act of Conspired Attempted murder by lethal injection to appear as suicide

I am now submitting the constructed file containing this information to complete the recently constructed case files I submitted for your review and consideration on 29th April 2023 and am requesting your legal assistance and consideration regarding this legal case of Criminal network targeting. I have provided a photograph of my identity as it was in 2007 during the business development 2006-2012 Medical Business Plan and M.S.I.C for your review of my Identity.

I thankyou for your time and consideration regarding this matter.

Yours Sincerely
