

Pursuant to a federal investigation regarding the sexual exploitation of minors, ██████████ was interviewed by the Federal Bureau of Investigation (FBI). After being advised of the identity of the interviewing agents and purpose of the interview, ██████████ voluntarily provided the following information:

██████████ met Jeffrey Epstein when she was 14 or 15 years old. ██████████ repeated eighth grade several times and was attending Jeaga Middle School during the time period she met Epstein. She estimated that she went to Epstein's residence approximately 25 times from the age of 14 or 15 until the age of 16 or 17. ██████████ was introduced to Epstein by her friend ██████████. ██████████ met ██████████ at a middle school in Jupiter, Florida, but they did not become friends until later when they lived near each other in West Palm Beach, Florida. While talking to each other at the Sticks and Stones Bar, now known as Victory Billiards, ██████████ asked ██████████ if she wanted to give a guy a massage and make easy money. ██████████ declined ██████████ initial invitation but later went to Epstein's Palm Beach residence with ██████████. ██████████ told ██████████ that she would have to get naked during the massage and that Epstein would touch her.

██████████ first visited Epstein's residence by traveling there by taxicab with ██████████. ██████████ believed they went to Epstein's residence during the summer. ██████████ and ██████████ were led by ██████████ Last Name Unknown (LNU), upstairs, through a bedroom and into an area that had two showers. There were nude pictures throughout the residence. ██████████ noticed there were no faces shown on the nude pictures at the residence. Epstein walked into the room a short time later wearing a towel. ██████████ began removing her clothes and Epstein told ██████████, "You can undress." ██████████ and ██████████

██████████ later left the room and Epstein gave her \$200.00. ██████████ stated that when ██████████ left the room it seemed planned. ██████████ believed ██████████ was given the money because she brought ██████████ to Epstein. When ██████████ was alone with Epstein, ██████████

██████████ Epstein got in the shower after he ejaculated. ██████████ was paid \$200.00 by Epstein and he told her he had fun. Epstein asked for her telephone number and she wrote it down on a notepad that had his name printed on it.

During their conversation, Epstein asked ██████████ who she lived with, if she had a boyfriend and he asked her age. ██████████ silently mouthed to ██████████, "don't lie," when Epstein asked ██████████ age. ██████████ told Epstein her true age which she believed was 14 or 15. At a later contact, Epstein asked ██████████ about her birthday. ██████████ told Epstein she was 16, which was about a year older than her true age. Epstein replied by telling her it was ok and he did not care how old she was. Epstein told ██████████ that he did not like girls that were older than 18 years old.

Epstein told ██████████ that when he first saw ██████████ he really liked her and that he "██████████." Epstein told ██████████ that he no longer wanted ██████████ to come to his residence because she was pregnant. ██████████ brought many other girls to Epstein including ██████████ cousin, ██████████. ██████████ went to Epstein's residence once when she was approximately 20 years old. Epstein did not like her and did not want her brought again. ██████████ added that ██████████ was a heavy drug user. ██████████ also introduced ██████████
