On Thursday, February 01, 2008, ██████████ ██████████ met Assistant United States Attorney ██████████ ██████████, UNITED STATES ATTORNEY'S OFFICE (USAO) and Attorney ██████████ ██████████, UNITED STATES DEPARTMENT OF JUSTICE (DOJ), CRIMINAL DIVISION. Also present at the meeting were Special Agents ██████████ ██████████ and ██████████ ██████████, FEDERAL BUREAU OF INVESTIGATION. The meeting was arranged pursuant to a federal investigation regarding the sexual exploitation of minors. During the course of the meeting, ██████████ provided the following additional or clarifying information not previously documented in earlier FD-302s:

The first time ██████████ ██████████ was taken to EPSTEIN's residence she was driven there by ██████████ ██████████. ██████████ was driving a red truck.

After the first massage, EPSTEIN asked ██████████ for her telephone number. ██████████ wrote her number on a pad.

██████████ stated that she did not return to EPSTEIN residence for four or five months. ██████████ said that it felt like a year. ██████████ did not think that EPSTEIN remembered her because so much time had passed between visits.

EPSTEIN would become more perverted with each visit. He would always ask her to take more clothes off. ██████████ stated that she was insecure with her body so it took a while before she would take off her underwear.

██████████ was asked by the interviewing agent if more sexual activity, specifically sexual intercourse, had occurred with EPSTEIN. ██████████ stated that she had not had sexual intercourse with EPSTEIN.

██████████ was visibly upset throughout the interview.
