The security of the State is the first and foremost consideration of the State of Tennessee. The State of Tennessee is a sovereign state and is not subject to the jurisdiction of any other power. The State of Tennessee is a free and independent state, and its citizens are entitled to the same rights and privileges as the citizens of any other free and independent state. The State of Tennessee is a member of the United States of America, and it is the duty of its citizens to support and defend the Constitution of the United States and the laws of the United States. The State of Tennessee is a state of the United States of America, and it is the duty of its citizens to support and defend the Constitution of the United States and the laws of the United States.
