believe he at ~~oxford~~ oxford w/ Gm

don't think he aware what going on
think he privileged enough not to see what
he didn't want see

R is part of system in England that allows
behavior to continue - not responsible
for it - abuse of power by wealthy &
powerful men kept England going some
time - making jokes about it / making
light

when JE 1st arrested R & I talked & R
thought it was very funny
R & I dated on/off many yrs

I would say I went along w/ it
didn't feel I could challenge it

I had email comm w/ JE when he
in prison that seemed like comfort

Im fearful it be presented in bad ~~light~~^{light}
1st he^(R) knew bout my experience was after

another man Gm introduce me to

he lived next dr to Gm

he passed away due to alcoholism

Michael Garland

I helped raise his children - we're very close
like fam

he much older than me

his oldest child remembers living next dr to Gm
7 at time

Gm fam was very much like my moms fam

her father like my moms father

connected in that way - deep connection

Think that why she recognize me as

suitable for that role she needed

I have fear around her (Gm)

Gm is extremely dangerous person

behavior I've seen sociopathic

fear if she not convicted
