

9/2/21

16-20 So much happened in my life
95% sure I met GM quite
a while before I was 18

She had known I was trying to go to Oxford
but the implication was I didn't need
to go to school because they would
give me whatever I want

GM was @ one of my b-day
Pader Bay w/ trim on it
said "Love Jeffrey + G.His."
I think this may have been my
18th b-day

Married in Scotland

Still married to him during when 9/11

Photograph Shows of ADG

That's me
thinks its in PB
I remember being there
& being in the situation
and asked to be undied
or topless
not sure how old I was

During the first meeting for her
talked to GM about my traumatic
child hood w/ my mother
her having migraines & me
having to massage her to
feel better.

knew about GM for
2 months
prior to meeting JE

I tried to dress very professionally when I
went to meet JE, thought I was meeting
an important man
borrowed skirt / Sacket
mother clothes

when I came in she told me to be
quiet cause JE was on phone - GM acted very
dif then that last few times I'd seen her
I waited awkwardly for him to get off phone

Gm introduces me to JE after her
off phone. says this is the girl
I was talking about + talks about me

JE spoke crudet aggressive to me but
was nice + seemed impressed

Gm was encouraging of me to talk to him more
about myself

JE seemed to know a lot about everything

Gm says: She has very strong hands
She tells me to squeeze his feet to
show how strong my hands are
his wearing socks

JE tells me to move to his shoulder
Phone rang

I stopped
Gm tells me meetings over
by motioning towards the door to leave

- Same trip Gm calls me to her house for mas.
JE because the MT canceled on them

~ R gathers

Gm shows me up stairs
into MR w/ professional Massage table
hands me bottle of oil

JE was in Rm wearing Robe
takes off Robe, naked
face down on table

Gm was still in Rm when he taste of Robe

She then closes door

(6)

I massage his neck & back

he encourages me, says im doing good
gives directions

he turns over @ certain point

wearing t-shirt, it was warm

he asked me either the first or
second time to take my shirt off.

Gum was happy after asking me how it went

I said I thought it was OK

She said I saved her today

Ur so great

were gonna be great friends

didn't get anything for the massage

It was clear that if I wanted to be friends

this was part of the deal

1st Massage

Gum brings me upstairs + SE already

noticed - Gum could see him noticed

Said You know the drill - I'll leave

You two to it - have a good time"

2nd was more sexualized

@

I

after second massage he says "good girl"
I was scared I was having trouble
breathing

I was not a virgin @ this time but not
very sexually experienced

Saw GM after, outside door

hugs me

She goes in Rm

comes out

gives little hug, you did a great job
she was really excited

But don't remember if I was given anything
for this massage

more than 2 massages given in London
GM would only call me if she needed me
after this, but would ask if
I was dating someone

she asked me if I know anyone that
could come over to give him a Blowjob
"Young in pretty like you"
"you know what he likes"

@ This point we both knew the
massage thing was a Ruse

GM told me JE needed a lot of sexual
attention but she needed other people
to help so she didn't have to do it all
herself

in PB I told JE I no longer wanted
to participate in sexual activities

in 2004 I moved to NY

Married in 2001, married for just under a
Year
Prior to this AD was in Palm beach

they were talking about OJ trial
