Initial Proposal:

Hi my name is _____ and I am looking to do an Internship in accounting. During my junior year I completed an Honors College Accounting course receiving an A for the course and a 95 on the final exam. Currently I am in the process of applying to the honors program for the Lubin School of Business at PACE university to pursue my C.P.A.

The requirements of my senior experience internship are to complete 15 hours by March and a total of 45 hours by the end of May. If you need any references I will be more than happy to provide them to you.

Thank You
