A Day is always considered US even if JE is traveling abroad the same day or coming from abroad back to the US ...If he is in the US for a minute, it is a US day UNLESS he is going to/from the island and flying to/from Abroad ...then it is a VI Day!

I get 30 days of Europe to count, as days... I will spend 30 days in Europe ■ sure, so I will need 153 normally or 133 if averaged

Because of new law, when JE travels abroad it is considered an abroad day and not a US day up to 30 days

I believe a day that Jeffrey travels from the U.S. to France will still count as a U.S. day (and if from New York, a New York day). Likewise on the return. The distinction as I understand it is now up to 30 days in which he is neither in the U.S. nor the V.I. will be considered V.I. days
