RE: Crane placement at 9East 71st Street, New York, NY 10021

Dear Mr. Omran:

This letter is to advise you that during the course of the crane operations, I will vacate the top two floors of the building located at and known as 9 East 71st Street, New York, NY in the area in which the rigging work is taking place. This area will be kept free of all people not associated with this rigging project.

If I can be of further assistance, you may contact me at [REDACTED] or in my office at the telephone number that is listed on the letterhead above.

Very truly yours,

Richard Barnett
Building Manager
