A MOST VIOLENT YEAR is a searing crime drama set in New York City during the winter of 1981, statistically the most dangerous year in the city's history. From acclaimed writer/director J.C. Chandor, and starring Oscar Isaac (INSIDE LLEWYN DAVIS) and Jessica Chastain (ZERO DARK THIRTY), this gripping story plays out within a maze of rampant political and industry corruption plaguing the streets of a city in decay. J.C. Chandor's third feature examines one immigrant's determined climb up a morally crooked ladder, where simmering rivalries and unprovoked attacks threaten his business, family, and—above all—his own unwavering belief in the righteousness of his path.

Runtime 125 minutes
