- Click the Ship button only once. Expect some delay due to transmission time. Do not click Stop or Reload; it may cause a duplicate shipment transaction to occur.
 - By clicking the Ship/Continue button, you agree to the [FedEx Ship Manager at fedex.com Terms of Use](#) and the FedEx terms of shipping in the applicable [FedEx Service Guide](#) and the [Shipper's Terms and Conditions for FedEx Express international shipments](#).
 - By clicking the Ship/Continue button, you agree that this shipment does not contain undeclared Dangerous Goods. If you are uncertain of whether your shipment contains Dangerous Goods, see the [Help](#) for more information.

- Results provided by FedEx Address Checker are believed to be reliable, but are not guaranteed.
 - FedEx makes no warranties, express or implied, regarding Address Checker information.
 - Correct completion of shipping documents is the responsibility of the customer.
 - If the delivery address is later identified as residential, you could receive a residential surcharge.
- While weighing your package is not required for FedEx One Rate pricing, to qualify, FedEx Envelopes must weigh 10 lbs. or less and FedEx Paks and Boxes must weigh 50 lbs. or less. If your package exceeds these weight limits, it will be rated based on FedEx Standard List Rates or FedEx Retail Rates as applicable. Please refer to the specific packaging for recommended weight limits.
