**FURNISH AND INSTALL:**

588 Carriage Collection Custom Wood Door. Per drawing Custom Arches.

The above Model 8030 / Destiny 1200 DC opener manufactured by the Overhead Door Corporation.

Opener standard features to include the following:

3/4 HPC\* Power Plus motor delivers all the power and speed (9 in/sec) needed to operate almost any residential garage door quickly and smoothly for the utmost in convenience. Full one piece belt and chain C-channel rail available for 7, 8 and 10ft sectional doors. Rails for 12 and 14ft doors are two pieces with middle hanger. One piece doors up to 8ft high can be operated at lower speed. Remote with 3 buttons features autoseek 315 and 390 Mhz with CodeDodger 2 Access Security System. Wall console Series III activates opener from within the garage and includes a light function and a Sure-Lock security button. Safety features include DoorDetect monitoring system which reduces wear and tear of the door by automatically adjusting power needed to move the door and to allow soft start and stop. The automatic lighting provides up to 200 watts of light when the system is activated and automatically turns off after 4 minutes.

\*Horsepower comparable (HPC) designates that this garage door opener exceeds Overhead Door's lifting force specification for 3/4 HP garage door openers
