

FROM the OFFICE of

The Elves  
OF THE  
North Pole

We were so excited to be at the game last night watching you. You played amazing, and your team's victory. You were the hardest hitting assistant we have seen. You, too, helped the team to victory. We also couldn't believe we were able to see your basketball squad back together today on the court...winning like the old days. It has been a Electrifying Eftin' Weekend.

We are proud of you and will continue to ensure you are always doing your best at school, on the field and around the community. Most of all, though, make sure you are respectful of your parents and kind to everyone all through the holidays and ALL OF 2018! Good behavior will be reported to Santa and the rest of the workshop. Bad behavior will result in an official warning sent directly to Santa (Attached here you will find Santa's Official Warning Form). Remember, the older you get, the more we expect and the more closely we watch. We also want you to know, you are always in our thoughts. This means we may visit you as frequently as we wish to. We are in it for you... We are in it for you... sweet Ally Fish... We love you guys!
