Dear [REDACTED],

Congratulations! On behalf of the Admission Committee, I am pleased to offer you admission to the [REDACTED] program at The New School. Welcome to our community of innovative and creative artists, designers, and scholars! You have been admitted for [REDACTED].

The Admission Committee was very impressed with the overall strength of your application and has recommended you for scholarship support. After careful deliberation we are pleased to offer you the **Provost's Scholarship** in the amount of **50%** of your total tuition.

To confirm your enrollment, we need you to complete a few action items:

(1) Confirm You're Attending: To confirm your place in the incoming class, please return the [Admission Reply Form](#) within 14 days from the date of this letter and be sure to include your Student ID Number [REDACTED] on all correspondence. We reserve the right to reconsider all unconfirmed admission offers. You can find further instructions on our [Admitted Students page](#).

(2) Review the New Student Information Page: Information regarding student financial services, housing, orientation, campus life, and other important steps required to enroll at The New School can be found on our [New Student Information page](#). In the coming weeks, we'll also send you more details about what you can expect as you begin your studies, as well as ways to start engaging with the community.

(3) Submit Your Final Transcripts by September 1: Your admission is contingent upon successful completion of any studies in which you may be currently enrolled. For the purposes of reviewing your application we requested only unofficial transcripts. Now that you have been accepted to the program, you must submit all final, official transcripts from all your degree-granting institutions to our office. If your institution issues only one transcript, we will need a certified copy of the document. Any document not in English must be translated into English by a certified translation or evaluation agency. You must provide us with all required transcripts in order to register for any future term. If you are seeking transfer credit from an international institution please review [these requirements](#).

(4) Complete International Student Forms and Apply for Your Visa: Our records indicate that you are not a citizen or permanent resident of the United States. We've made [an easy guide for you to follow](#), including a series of forms you must complete. Be sure to begin your visa application process immediately. Applying for a visa can take months, and some U.S. consulates require security checks that take many weeks. If you have any questions contact International Student and Scholar Services at [REDACTED] or [REDACTED].

Congratulations again on your admission offer. Welcome to your future!

Sincerely,

Merida Escandon Gasbarro
Director of Graduate Admission
