To Whom it May Concern at SABA University School of Medicine,

I am writing on behalf of [REDACTED] [REDACTED] regarding her desire to attend SABA University School of Medicine. I have known and worked beside [REDACTED] for over 2 years. During this time, I have been able to get to know [REDACTED] quite well and can thoroughly vouch for her character and abilities.

[REDACTED] is a pure pleasure to work with. She has a positive attitude and makes each day more enjoyable. [REDACTED] is willing to invest the extra time it takes to be sure any project or task she is given is done perfectly. She is dedicated and extremely responsible. If I reach out to her with any given request she contacts me back and delves right in.

[REDACTED] is also willing to work hard on areas she feels she could improve on. She takes constructive criticism well and uses the advice to make herself better. She balances her time and will look forward to all the challenges that come her way.

Socially [REDACTED] is a delight...she makes friends easily and will participate well in any group activity.

I would highly recommend [REDACTED] to your program knowing she will work hard to excel in every class. She will make a great student at SABA University. I have no doubts that her abilities and determination will continue to grow.

Sincerely,

[REDACTED]  
[REDACTED]
