PASSENGER ARRIVAL PROCEDURE: London Tarmac Access is NOT permitted
General Aviation Terminal

Once the aircraft has landed the Toy Store duty officers will meet the aircraft with a minivan and transfer the passengers to the private terminal, which is situated in the North Terminal. Passengers will be accompanied out to their waiting transportation. **Customs and immigration reserve the right to call all non EU passengers to the main terminal for passport control** - in this case, non EU passengers will be escorted from the aircraft in a separate minibus to the main terminal, be accompanied through passport control and escorted back to the GAT where they will be free to leave the airport.
